Kyle Christian Andersen, 48

For Kyle Christian Andersen, age 48, death came much too soon, and took from us a husband, a father, a son, a brother, and a friend. He will be grievously missed by his loving family and friends.

Kyle was born on August 10, 1974, as the fifth generation of a proud ranching family in Dillon, Montana. The beauty of Montana was in his heart and soul, and he always considered it to be his home. He died on April 3, 2023, after a courageous fight against pancreatic cancer. He was surrounded by many family and friends, and held up in prayer by many more.

Although his years were far too few, Kyle lived more fully than many could even imagine. They say that a man's life can be measured by the legacy he leaves behind. By that measure, Kyle's life was enormous, and his mark on the world will be known for generations.

Kyle's business successes would be enough to show a worldly measure of his legacy. He was awarded an internship position with a Salt Lake City financier when he was still in college. Recognizing Kyle's quick mind, his mentor taught Kyle everything he knew. When Kyle joined Edward Jones after college, he was reportedly the youngest financial planner ever hired by the corporation. Kyle would remain loyal to this one and only firm for the sum total of his career. He quickly rose through the ranks and enjoyed success as a partner in the firm for many years. Kyle was respected by his co-workers and threw himself into his work with characteristic energy.

All work and no play would be a sad legacy, though, so Kyle made sure to play with equal zeal. He traveled extensively to dozens of countries and all fifty states. He didn't just play tourist though. Kyle golfed the great courses in Scotland, and celebrated Carnival in Rio de Janeiro. He fished the rivers of Alaska and the lakes of Canada. He watched the final four basketball games in person, and attended many NFL and Cardinal baseball games. Kyle was a pilot, but also jumped from planes, skied hard, and sailed through French Polynesia. He was truly a man of the world.

All of these things would be an empty legacy, though, if a man had no friends. Kyle could count his best friends by the dozen. He had an infectious personality, and made friends with nearly everyone he met. This is attested to by the dozens of friends who stood by his side during his battle with cancer. His friends traveled from all over the US to be able to sit by his side and support him during his illness.

Even in the midst of this horrible diagnosis of pancreatic

cancer, Kyle had yet another legacy to leave on this world. At a time when hope for survival seemed small, Kyle became the first to try a novel pancreatic cancer chemotherapy regimen. His brilliant doctor, Kian-Huat Lim, at Siteman Cancer Center, in St. Louis, Missourl had developed a new protocol for treating the disease in mice, and Kyle became the first human recipient of this treatment. This regimen gave Kyle 17 months to live, including many more joys, family gatherings, trips, football games, and even a Disney vacation with his children. Kyle's courage in being first has resulted in a clinical trial, extending the treatment to other cancer patients, and we hope that this will give hope and time to many other families.

Kyle would not judge these things to be his most important legacy, though. Kyle would tell you that his family was his true mark on the world. Just when we had all nearly given up hope for him to find a family of his own, he met his own love and began a beautiful family of his own. He said that it took him 41 years, traveling through many countries and all 50 states for him to meet "his queen." So, at the age of 41, he proposed to Kira Rose Knickrehm at the corner of King, Queen, Meeting and Church Streets, in Charleston, South Carolina. He often said that the King had met his Queen, and requested to take her to the Church to wed. Charleston would be a very special place for Kira and Kyle, and they would return there often. They married in a fairy tale wedding at Big Sky, Montana in September of 2016.

Exactly nine months later, Kyle's enduring legacy would begin. Cora Rose was born, followed quickly by a second daughter, Leah Nicole. His son, Dane Hans Christian Andersen would complete the family a short time later. Kyle loved his family! He was so proud of his children! He delighted in their accomplishments and wondered at the blossoming of their young minds. He was overjoyed to hear them sing and loved to hear their nightly prayers. Fatherhood was a legacy Kyle deeply cherished. His wife and children were his first thought in the mornings and his last prayer at night.

Kyle had great faith in Jesus, and he loved to know that his children were growing closer to the Lord. He would sing hymns with the kids at bedtime. It is Kyle's faith which allowed him to go peacefully from this earth. We, who survive him, will wait expectantly for the day we are reunited with him. Survivors include his wife, Kira; parents Keith and Verla Andersen; daughters Cora Rose and Leah Nicole Andersen; son Dane Hans Christian Andersen; Sisters Julie (Rich) Evans and Christy (Will) Mitchell; brother Scott (Nicole) Andersen; nieces Sarah Hatch (Dallas) Holly Finch (Kyle), Hannah Evans, Clara Mitchell; nephews Jacob Evans (Becky), Troy Andersen, Joshua Evans, William Mitchell, Gabe Mitchell; uncle Charles 'Mick' Andersen, aunt Sally Kreis; grand niece Jane Evans. Kyle was preceded in death by his beloved grandparents Georgiana Crouse Andersen and Hans Christian Andersen and Veva Crisp Copeland and Reynolds Bishop Thompson; his father in law and mother in law Craig and Kathy Knickrehm; his stepfather in law Jerry Laughlin; his brother in law Doug (Kally) Knickrehm and their children: Iris and Louis; and his sister in law Mary (Arnav) Kumar.

Services will be held Thursday, April 6 at 4:00pm at The Crossing Church in Chesterfield, MO. Visitation will be from 2:00-3:30pm at the church, located at: 114 N. Eatherton Rd., Chesterfield, MO 63005

Interment will be in Dillon, Montana.

In lieu of flowers, the family requests contributions be made to support the pancreatic cancer research efforts of Dr. Kian Lim at Siteman Cancer Center at Washington University. Checks may be made payable to Siteman Cancer Center with "Andersen Pancreatic Cancer Research Fund" written in the memo line and mailed to Siteman Advancement Office, MSC 1082-414-2555, Washington University, 1 Brookings Drive, St. Louis, MO 63130-9989 or can be made online at giving.wustl.edu/andersenfund

UMW Foundation Announces Establishment of Scholarship in Honor of Doris Richard

The University of Montana Western Foundation is honored to announce the establishment of the Dillon Garden Club Scholarship in honor of Doris Richard.

"Doris was an amazing mentor and loyal friend. She will be remembered for generously giving her time and talents to the Dillon community. Establishing this scholarship is a way to continue her legacy," said Dillon Garden Club President, Mary Kemph.

A 1942 graduate of Montana State Normal College, (now the University of Montana Western), Doris loved the outdoors and was instrumental in establishing and keeping the Dillon Garden Club an active and engaged community service organization. The scholarship will be awarded for the first time for the upcoming academic year.

"The family of Doris Richard would like to thank the Dillon Garden Club. It is such an honor to recognize our mom and her dedication to the club and Montana Western which will be remembered because of this scholarship."

The $500 award will be gifted annually by the UMW Scholarship Committee to a full-time student majoring in Environmental Sciences, in good standing with a minimum GPA of 3.0.

"Montana Western is incredibly grateful for the scholarship support and the opportunity to honor Doris and her legacy with the Dillon Garden Club," said Foundation Executive Director, Roxanne Engellant.

For over 35 years, the Dillon Garden Club has been serving the Dillon community. With over 30 members, the club hosts monthly workshops, provides garden tours to the community during the summer months, and maintains the Blue Star Memorial Garden to honor past, current, and future members of the U.S. Armed Forces. Members also serve the community by leading annual youth floral design classes and sponsor several awards and events at the Beaverhead County Fair. The Annual Arts and Crafts Fair held in October is the club's largest fundraising event.

To learn more about this scholarship opportunity and the University of Montana Western Foundation, please contact Roxanne Engellant: 406-683-7305 or roxanne.engellant@umwestern.edu.

Dillon BLM to build new boat ramp along Madison River

Boaters and tubers on the Madison River will have a new, safer boat ramp at the Bureau of Land Management's Warm Springs Day Use site this summer season.

The popular site on Highway 84 just east of Norris will be temporarily closed starting April 12 to allow for work crews to begin demolition of the current boat ramp, which will then be replaced by a new single-slab, multi-lane ramp. The site is expected to re-open during the first week of June. The day-use site's parking lot will also get a much-needed asphalt repair and chip seal during this time. During the site improvement work, the public should park at California Corner, a mile downstream from Warm Springs. California Corner also offers an additional launch area for boaters and tubers. Parking is prohibited along the entrance road and highway.

April is National Pickleball Month

Established in 2018, National Pickleball Month is designed to connect everyone within the sport while, at the same time, introduce pickleball to new audiences by highlighting its inclusive, fun and healthy qualities.

With pickleball becoming more of a mainstream sport with tournaments on TV and big- name athletes playing on and purchasing professional teams, many people believe it is only for those with exceptional athletic ability. Nothing could be further from the truth! Pickleball was designed to be, and still is, fun for all ages and abilities. Sure it helps if you have played tennis, racquetball, table tennis, or for that matter, any sport that requires good hand-eye coordination, but it is far from necessary.

One thing is for certain: pickleball is a game for all ages, abilities, and skill levels. Using USA Pickleball standards as guidance, pickleball ratings are scaled from 1.0 to 5.5+, where 1.0 is a beginner and 5.5 or higher is a player with professional playing abilities. Easy-play courts and time slots are actually another way of balancing skills levels. Easy-play is for beginners and those who are less competitive players. Here in Beaverhead County, easy-play times are available at the Southwestern YMCA and will be available when the new outdoor courts are finished at the bike park in the Chris Kraft Beaverhead County Park.

Pickleball can be played indoors and outdoors. The only difference is that indoor courts can be used year round, whereas outdoor court play is always weather permitting. However, many people prefer to play on outdoor courts because there are less lighting issues, usually preferred surfaces with well defined lines, and there is just something about being out in the fresh air.

Many courts are designed as multi-use; combining other sports like tennis, volleyball, and basketball. But the best courts for any of these sports are one designed for a specific use. In the Dillon area an effort is underway to build two outdoor courts that will be free-to-use public courts. If you are interested in supporting the building of the two free-to-use public courts at the Chris Kraft Beaverhead County Park you can send contributions to BWSWMT-Pickleball PO Box 683, Dillon, MT 59725 or make a donation through their website www.pickleballbcmontana.com. Those donating $2,500 or more, if they so wish, can have their name on a plaque to be permanently mounted at the courts when completed.
