Ross Roland Stocker, 96

Ross Roland Stocker, 96, passed away April 5, 2023, at his home in Dillon, MT surrounded by family.

Ross was born January 21, 1927, to John and Minnie (Ashbocker) Stocker, in Idaho Falls, Idaho. During his early childhood his family moved to Dillon, where Ross and his two other brothers Alvin and Melvin went to school.

Ross moved to Butte, MT to go to college and work in the mine with his father. Shortly after graduation the war broke out, so Ross and several of his friends went and joined the Army. When he returned from the war, Ross worked for the Corp of Engineers at Bonneville Dam. In March of 1951, he married Beverly Prather, and of this union, he had 2 children, John and Jean. The couple separated in 1970. In 1971 Ross met his current wife Nancy Ollendorf, in White Salmon, WA, and the couple married March 2, 1972. Nancy brought to this marriage 4 children. John was working as a draftsman of the Corp of Engineers and the couple lived in employee housing at Bonneville Dam. Ross and his family moved to Laurin, MT in the early 80's. During this time he and his new wife took trips around the Grasshopper Valley, where he would show her all the things he loved about Montana. Ross enjoyed the outdoors, loved going to airshows, and loved flying so much that he built his own gyrocopter.

Ross is preceded in death by both parents, both brothers, a daughter (Amanda), and a grandson (Christopher).

He is survived by Nancy, his wife of 51 years, children; John (Sherry) Stocker of Stevenson, WA, Jean Thrasher of Cottage Grove, OR, Karen Hinkle of Pendleton, OR, Gordon (Leann) Ollendorf of Dillon, MT, and Louise (Randy) Provus of Williston, ND. He also leaves behind 21 grandchildren and eight great grandchildren.

The family requests that in lieu of flowers donations be made to the Brundage Funeral Home to help cover funeral expenses.

Funeral Services were at The Church of Jesus Christ of Latter-Day Saints in Dillon April 12, 2023, with the burial immediately following at the Laurin Cemetery in Sheridan, MT with full Military Honors.

Federal court grants AG Knudsen request to block Biden's overreaching water rule

In response to a motion filed by Montana Attorney General Austin Knudsen, the United States District Court for the District of North Dakota today issued a preliminary injunction against the Biden administration's Environmental Protection Agency from implementing its final rule redefining Waters of the United States (WOTUS).

According to the Montana Farm Bureau Federation, estimates from the similar Obama-era rule would have placed nearly 90 percent of Montana's land under the EPA's jurisdiction.

"This injunction resulting from our lawsuit is welcome relief to Montana farmers and ranchers and workers in mining, energy, and other industries who would be harmed if this unconstitutional rule is allowed to take effect," Attorney General Knudsen said. "This is just the first step to stopping the overreaching WOTUS rule. I will continue to fight the Biden administration and prevent them from claiming jurisdiction over massive swaths of Montana's land and water."

In February, Attorney General Knudsen was part of a 24-state coalition that filed a lawsuit against the EPA, asking a federal court to vacate the newly published final rule redefining WOTUS and declare it unlawful.

Montana Western Announces "Night of Stars" Education Hall of Fame Inductees: Jerry Delaney and Lacie Puyear

The University of Montana Western's Education Department and Alumni Office, in partnership with Stockman Bank, present the Tenth Annual Night of Stars, to be held on Saturday, April 22, on the Montana Western campus. The schedule of events includes the Education Hall of Fame Induction Ceremony at 6:00 p.m. in the Beier Auditorium, followed by drinks and hors d'ourves at 8:00 p.m. in the Lewis and Clark room.

The Night of Stars will induct five UMW Alumni including Jerry Delaney, Lacie Puyear, Wayne Loeffler, Jim Gilboy, and Jolene Isakson Allen.

Jerry Delaney

Jerry Delaney grew up in St. Ignatius, Montana and attended Western Montana College (now the University of Montana Western) from 1961-1965 where he earned a Bachelor of Science in Education followed by a Master's in Education in 1972. Delaney's teaching career started at Parkview Junior High in Dillon, Montana where he taught math, science, and physical education and was a guidance counselor. He also served as a coach and referee.

One of the many highlights of Delaney's teaching career was being chosen to present at the National Middle School Convention. He presented four times at conventions in Indianapolis, Orlando, New Orleans, and Cincinnati. To him, being chosen to present was an honor and a great educational learning experience. He would eventually retire from Parkview Middle School after 40 years of teaching and mentoring the youth of Dillon.

Delaney served on the committee for the new Dillon Elementary School building and on the Beaverhead County foster care board for many years. He was also a volunteer member of the Dillon Fire Department for 20 years, a Dillon Jaycee for 14 years, and is a life member of the Dillon Elks Club.

"Through volunteering I learned that service was a good way to get to know all about the community. The friends I made through these organizations became lifelong," said Delaney.

Delaney made many great memories while at Western Montana College but would like to acknowledge Professor Dan Block and Coach Bill Straugh for their influences on his future professional career in education.

Lacie Puyear

Lacie Puyear is from Dillon, Montana and graduated with a Bachelor of Science in Elementary Education from Montana Western in 2001. She went on to receive a Master's in Education: Reading and Literacy from Walden University.

Puyear student taught first grade at Memorial Elementary School in

McMinnville, Oregon and stayed there afterwards to teach library as a long-term substitute. The following year, she moved to Highlands Ranch, Colorado where she taught kindergarten at Rock Ridge Elementary.

In 2007, she moved back to Montana and started teaching fifth grade at Corvallis Middle School. Four years later, Puyear and her husband Shane moved back to Dillon to raise their family. Puyear started teaching in Dillon at the middle school working as a Title teacher. Having a true passion for working with young learners, she started teaching kindergarten at Parkview Elementary. She taught kindergarten for five years until she moved to the fifth grade where she has been teaching ever since.

Her colleagues would be the first to tell you that she is a valuable member of the Parkview Elementary team. She has served on the leadership team as the Vice President of the Beaverhead Education Association and on the PAX classroom management team and school safety team. Puyear also volunteers her time for many school functions and spends countless hours in her classroom outside of the regular workday perfecting her craft, preparing lessons, and researching ways to make the day better for her students and providing what they need to be successful. Students in Mrs. Puyear's classroom are challenged, engaged, and loved.

Veteran's Corner. Update #199

By Mike Lawson

Concerning Veteran's things of interest:

• The SW MT Vet Home Covered Walkway Connector, between Cottage #4 & #5, is really showing progress. If you are on Continental Drive going past it, you might pull to the side of the road and take a look. Markovich Construction has General Foreman John Kotka and his crew constructing it. It's all a metal structure, which was like putting a puzzle together, but these guys rose to the challenge and it's looking great. Hopefully the fund for the other Walkway Connectors will see the state funding come through. It looks pretty positive at this time.

• For any of you looking for work or wanting to be trained for a particular work related vocation, get in touch with Shannon Ray at the Butte Job Service. He has the expertise and drive to make things happen for you and is the Veteran Representative there. I have the utmost respect for him and what he does.

• Veterans looking to buy a home can get 100% financing and not have a down payment to worry about. I've used this "Veteran Benefit" three times in buying a home and it really worked out well for me. SW MT is a good market to purchase a home at this time.

• Caregiver Support Program: caring for caregivers. If your caring for a Veteran loved one, check this program out as it's tailored to help you and other Veteran caregivers. This program (PGCSS) covers such things as having access to skills training, peer support mentoring, individual or group coaching, respite, mental health coaching and much much more. Things can become much easier for a care giver if they utilize this great support program.

Time to bring this article to an end. It is Easter Sunday and we went to a church at a Monastery. I didn't understand the language but was glad to have gone in celebrating our risen Lord.

Until next time, take care.

Letter to the Editor

All affected by the freight train that derailed near Paradise are in our thoughts and prayers.
