Dillon Tree Board Announces Pruning

Matt Allen, a certified arborist and owner of Edge Tree Care LLC in Silver Star, was awarded the City of Dillon tree pruning and removal contract for 2023. The pruning and removal work will take place at 16 different locations along Dillon's boulevards and parks. Forty-Eight trees will be pruned. Work will begin on Tuesday April 18, 2023, and should be completed by mid- May.

The certified arborist will prune trees to remove broken and dead branches, promote good structural branching, improve vigor and aesthetics of the tree. Only certified arborists can bid on these contracts, and they must follow ANSI 300 Standards as set forth by the Tree Care Industry Association (ISA). The contract is being administered by the City of Dillon and the Dillon Tree Board.

Trees to be pruned are marked with blue ribbons. The Tree Board asks that residents please leave blue ribbons on marked trees until after pruning work has been completed.

Crews will be busy and won't always see you when they are working, so please stay at least 60 feet away from all pruning activity. Edge Tree Care LLC will be working in conjunction with City employees during the pruning and removal work. Matt Allen can be contacted at (406) 925-2799 if you're interested in having a tree pruned or removed.

The funding for the project is derived in full or in part from a federal award from the U.S. Forest Service, Department of Agriculture, This Program Development Grant is matched 100% by the City by financial and in-kind contributions.

Since 2008, the Dillon Tree Board has secured over $238,500 in funding to enhance Dillon's urban forest.

New trees are available to be planted through the Tree Board's "Cost/Share Program." Visit the Dillon City Hall or the Dillon Tree Board website dillontrees.org for information

Medical Fund

Adele Hansen is home and continues to recover. However, after 4 major surgeries and over two months laying in bed in a hospital, the financial costs of recovery are staggering. If they so wish, friends may help by donating to Adele C Hansen Medical fund at High Peaks Federal Credit Union. Adele is appreciative of your support.

Bulldog Track & Field Gets Preview of Conference Championships at Trudnowski Open

The Montana Western Outdoor Track and Field team got a preview of the Frontier Conference Championships today with the Trudnowski Open hosted by Carroll College. "We had a couple of really exciting races today. Joe and Luke ran really well in the 1500m and made a big step forward for their seasons. Tahja ran another PR in the 5000m. Overall, I felt like we set ourselves up for a great last three weeks of the season." Head Coach Dylan Zitzer said after the meet.

Results On the women's side, Tahja Hunt had a record day after she recorded a new personal record. She ran the Women's 5000m run in 21:49.34 to place 9th. Elizabeth Varner was the first finisher in the same race, coming in 5th with a 20:34.78. Morgan Baseley came in 8th with a 21:49.34.

Mason Baseley was the first finisher for the Bulldog Women in the 1500m race. She came in 6th with a 5:15.03. Taya Brewer followed closely behind to finish in 7th with a 5:15.13. Morgan Baseley rounded out the race with a 9th place finish and a time of 5:21.34.

Mason Baseley was the lone Bulldog to compete in the Women's 800m race. She finished in 6th with a time of 2:35.10.

On the Men's side, Isaiah Powell competed in two of the sprint events. He placed 9th in the 100m dash after a time of 12.58. He also finished the 200m dash with a time of 24.88 and a 10th place finish.

Five Bulldog men competed in the Men's 1500m run. Joe Lamb was the first finisher in the race, coming in 3rd with a time of 4:08.11. Luke Lutz came up closely behind in 4th with a 4:11.64. Will Hyatt (8th, 4:17.16), Harrison Silverio (9th, 4:18.42), and Brant Heiner (11th, 4:24.21) also competed in the race.

Two Bulldogs received times in the Men's 5000m run. Brant Heiner finished in 7th with a 16:37.93. Carlin Onstad came in 9th with a 17:18.39. The Men's and Women's Outdoor Track and Field teams continue with a trip to compete at the University of Montana Invite on Saturday, April 22.

Senator Jeff Welborn (R) Weekly Report

The past week has been busy with on going budget negotiations, as we work toward the end of session, one key piece has been signed by Gov. Greg Gianforte, HB 13, which authorizes the state's 2024-2025 employee pay plan, which appropriates wages, benefits and bonuses for the state workforce over the next two years.

The pay plan calls for either $1.50-an-hour or 4% raises, whichever is greater, for state and Montana University System employees this year and next, effective July 1 of each year. Employees will also receive a one-time bonus, $1,040 for full-time workers and lesser amounts for part-time workers.

The plan also raises the state's per-diem meal rates by 10% and holds employee out-of-pocket health benefit contributions, copay amounts, deductibles and coinsurance costs constant through 2025.

A fiscal analysis prepared by the governor's budget office estimates each round of raises will raise the state's payroll costs by roughly $50 million a year. The one-time bonuses will cost an estimated $16.9 million.

The pay plan, which was negotiated between the governor and public employees' unions and ratified by the legislature. Its implementation measure, House Bill 13, passed the House, 89-7, and the Senate, 48-1, winning bipartisan support in both chambers. The governor signed the bill, which was sponsored by Rep. John Fitzpatrick, R-Anaconda.

On a related note, we in the Senate voted down a bill, which would have allowed state employees to use paid sick leave for child related events. Those that were against the bill, myself included, contend many of these employees are in public sector unions. where they can negotiate for these types of benefits, and that personal leave remains available, for such uses.

Switching gears,

Two proposals with competing visions for the tens of millions in taxes that Montana collects annually on the sale of recreational marijuana are still making their way through the Legislature as lawmakers work to set a two-year state budget.

One measure, HJB 669 would send most of the state's adult-use marijuana tax collections — which are forecast to top $50 million per year — to the General Fund, allowing lawmakers to distribute that money as they see fit on a sessionby-session basis, including this one. The other, Senate Bill 442, which i've personally been involved with and still support, started as a proposal to divvy the revenue between rural road maintenance and Gov. Gianforte's signature substance use disorder treatment program, but has since been amended to also include statutory allocations for wildlife habitat, state parks and veterans' programs. Most of SB 442's statutory allocations would be permanent unless retooled by a future Legislature.

After passing the Senate 49-1 on April 4, the latter proposal was heard by the House Taxation Committee Friday.

In his opening remarks, bill sponsor Sen. Mike Lang, R-Malta, described SB 442 as a "once in a generation bill" that would bridge a gap between agriculture, hunting and access.

I also contend that, in addition to providing stable funding for county roads and allocating 11% of marijuana tax collections toward treatment for drug abuse, it would create a new fund, Montana Wildlife Habitat Improvement Program and Legacy Act, to "increase the pace and scale of habitat stewardship and restoration treatments across rural Montana." About one-third of the tax collections would go toward the general fund, he added.

More than 40 people spoke in favor of the bill, most of whom focused their support on the county road or wildlife habitat pieces of the bill. Many described it as a "win-win" measure and thanked Lang for bringing a diverse set of interests together to craft the proposal seeking to distribute revenues from a recently established special fund. (Montana voters passed a ballot initiative in 2020 that legalized adult-use marijuana and laid out a framework to divide the 20% state tax levied on recreational marijuana sales between conservation, veterans, law enforcement and substance use treatment programs.)

HB 442 does covers all these provisions.

While debating the competing measure, HB 669 sponsor, Rep. Bill Mercer, RBillings, argued that it's inappropriate and unconstitutional for lawmakers to allow appropriation of state revenue by initiative. The Legislature should be given the opportunity to distribute tax allocations on a session-by-session basis without digging into Montana code to change where special revenue accounts are directed, he said.

"If we send the signal that you can create, by initiative, a new revenue stream and we allow it … that's a terrible precedent," Mercer said. "We need to get the money into the General Fund. I don't entirely disagree with some of Rep. Mercers sentiment's, but what we have here is a collision of visions, in which I still like SB 442, because it just makes sense.

Like SB 442, HB 669 has been changed in the legislative process. The version of the bill that passed through the House with a 62-37 vote included one-time appropriations for FWP, Department of Natural Resources and Conservation, and Department of Military Affairs programs. It's awaiting a hearing in the Senate Finance and Claims Committee, where we will we will hear and deliberate in the coming days.

SB 442 awaits further action in House Tax.

Thanks for tuning in, and have a great Montana kind of week.
