Anniversary Celebration

On April 23 one of Dillon's historic churches will celebrate 140 years of existence. Often referred to as "the church across the street from the post office," the First Baptist Church of Dillon has a deep, rich history dating back to the origins of Dillon. In 1893, pioneers in this territory determined that a city must have a school, a church, and a library. Thirteen residents of the fairly new city of Dillon gathered to establish the Regular Baptist Church of Dillon, Montana Territory. Mr. Phil Poindexter and Mr. John Dingley chose the lots where the church was built. The construction began in 1885 and was completed in 1886. Many current longtime residents of Dillon remember the parsonage that was added in 1898.

The original church building was demolished in 1945, and the cornerstone of the current building was put in place in 1948. In June of 2003 there was a ground breaking for the addition to the church; this was dedicated on April 18, 2004. April 23 will mark the 140th anniversary of this historic church. There will be a fun, informative program in the afternoon, followed by a reception. Both are open to the public.

"The Cantabileers" Present Spring Choral Concert at Montana Western

The Cantabileers, the University of Montana Western's select choral group, will host a free performance on Tuesday, April 25 at 7:30 p.m. in the Beier Auditorium.

The ensemble, which is also an experiential music class at Montana Western, highlights students in leadership roles every step of the way. The evening's performance will include ensemble pieces, duets, and solos, showcasing the students' individual and collective talents. Susie Steadman will accompany the group on piano.

"Being a member of the Montana Western Cantabileers has been one of the best parts of my whole college experience! This choir truly is something special," said UMW student, Johnny Reedy.

Letter to the Editor

All of us citizens of Beaverhead County are about to have the privilege to participate in an extremely important event. It's an opportunity to have a say in who represents us on how our children are educated. The election of the school board member is one of the foundations of this great country. Without our kids being taught to stand up for themselves, others and their country, they'll fall for anything. The teaching of honesty, integrity, responsibility and the willingness to help give a helping hand to get things done falls upon, first themselves, their parents, grandparents, and then their teachers, mentors and friends. And it is school boards that help get that done by listening to them ALL. On those boards, we need to be represented by folks willing to listen to our concerns, research those concerns, and ask the hard questions that need to be asked. And, as well, have the good sense to think through an amicable solution to address the concern.

We are mighty fortunate to be blessed with three quality candidates willing to put forth the effort to serve as members of the Beaverhead County High School Board of Trustees. It's not an easy task to take on that responsibility. I personally have known one of the candidates for nearly 30 years while providing medical care to the folks in our county and state. Koy Holland has always impressed me as someone willing to step up to that task well prepared with all the traits we'd like to see in a trustee representing us. He's been a part of this community since childbirth, married to both the land and his bride, Denise, a college professor at Western. He has two high schoolers currently enrolled at Beaverhead High. I believe this man has a good ear to represent ALL, and I do mean All, so that all can benefit from a good education. I'm hopeful to see Koy serve us again as a trustee and continue the good job he's been doing.

Sincerely, Tery A. Hursh

Veteran's Corner Update #200

By Mike Lawson

- The SW MT Veteran Home Covered Walkway/Connector between Cottage #4 & #5 is progressing very well. Both ends of the walkway metal roof have been tied into the roofs of both Cottages. They had to remove the shingles on the Cottage roofs to attach the new roof to the plywood base under the shingles.
- Vent shields are on top of the trusses with the sub-panel SIP covering which equates to 7 inches of foam. On the top of the SIP is glued OSB which gives a base to attach the shingles. The framed soffit is being worked on, as well. The windows will go in once the interior framing, Metal-Worker's ductwork, the fire-sprinklers are completely installed and the framing/insulation is installed. This is a cautionary step as window breakage isn't wanted.
- Dave Williamson is keeping an update on HB 5 which has appropriation requests for the two Covered Walkways/Connectors contained within it. It's in the Senate Committee hearing it.
- Talked with Wayne Paffhausen concerning the VA CBOC Medical Center by Three Bears. It sounds like the VA wants all the Sq Footage at the north end of the building that wasn't completed. This is good news as that means more treatment options for we the veterans.
- Predatory Law Firms Scam for Benefits: I really have a dislike for scammers. It has come out that many of us have been approached by a company or Law Firm regarding representation to file our PACT Act or Camp Lejeune presumptive VA claims. Many of these are dishonest attorneys who offer assistance but charge inflated fees. Trust the VA who will gather the necessary evidence to support our claims. There are no hidden costs or hidden fees. Go to any VA Regional Office and apply directly to the VA securely online or in person.

Kennel Club Booth

The Kennel Club has a booth at the Fling and Bling Craft Fair on April 22nd at the Armory. All proceeds will go to the Spay / Neuter Clinic (low income) at the Armory on May 21 and 22. The walk-in vaccination Clinic is open to all. Annual shots \$10.00, Rabies shot \$10.00, Both \$15.00. Micro chipping is 20.00. Donation can be made to the Kennel Club (501(c)(3) nonprofit) at the Stockman Bank.
