BWSWMT-Pickleball

Stockman Bank recently donated \$2,500 to BWSWMT-Pickleball towards the construction of two free-to-use, public-access pickleball courts. These courts will be built in the bike park which is operated by Bike Walk Southwest Montana at the Chris Kraft Beaverhead County Park, 1575 Overland Road near Dillon.

BWSWMT-Pickleball estimates the total project will cost in excess of \$51,000. The pickleball group had hoped to start construction in October of last year; but due to the early and persistent snow, the site preparation has been pushed back to sometime in the next month or so, if the weather will cooperate.

Shannon Truman (left), Operations Officer of the Stockman Bank Branch in Dillon is pictured presenting the check to Dave Cowardin (right) a USA Pickleball Ambassador and chair of the BWSWMT-Pickleball Committee. Dave worked with Shane Puyear, Stockman Bank Dillon Branch Manager on the grant process and completed the grant application. Shane Puyear said "Supporting our communities has always been a priority for Stockman Bank. Encouraging our neighbors to live healthy, active lifestyles is a good investment in our community, and a great addition to Bike Walk Southwest Montana's ongoing projects."

Should you have a group that would be interested in hearing a short program on pickleball and/or demonstrate support for the efforts to build the courts, you can contact BWSWMT-Pickleball through their website www.pickleballbcmontana.com. If you are interested in donating toward this endeavor, checks can be mailed to BWSWMT-Pickleball, PO Box 683, Dillon, MT 59725 or donations can be made through the website above.

UMW Places First at Road to the Horse & Idaho Horse Expo Colt Starting Competition

A team of students from the University of Montana Western's Natural Horsemanship program placed first in the Idaho Horse Expo Collegiate Colt Starting Competition held April 7-9, 2023, at the Ford Idaho Horse Park in Napa, Idaho.

Road to the Horse partnered with the Idaho Horse Expo to present this year's competition, where three teams competed for a share of the \$6,000 cash prize. Competing teams were from the University of Montana Western, Feather River Community College, and Treasure Valley Community College.

The teams worked with their colts in three hour-long round pen sessions. The finals consisted of a 40-minute timeframe that included 20 minutes in the saddling pen and 20 minutes to complete a list of rail work and obstacle components. Montana Western placed first with a total score of 1183.5, followed by Feather River with 1117.5, and Treasure Valley with 936.5.

The UMW Equine Studies Department, in partnership with the Montana Center for Horsemanship, offers the nation's only Bachelor of Science degree in Natural Horsemanship with options in management, psychology, science and instruction, and was ranked among the "Best Equestrian Colleges" by ThoughtCo.com.

The Montana Center for Horsemanship is the first and only equine center in the United States that is devoted expressly to promoting 'Natural Horsemanship.' With its stables, arenas, riding areas, and instructors, the center serves as the primary facility and progressive teaching resource for Montana Western's Natural Horsemanship BS curriculum.

The MCH teaches the 'La Cense Method,' which was developed under William Kriegel, owner of Haras de la Cense in France. Mr. Kriegel is also co-founder of MCH, and has been involved in Natural Horsemanship for many years. Taking a positive and respectful approach, the La Cense Method gradually builds trust, and frees the horses to be confident in all they are asked to perform.

Well, it's Spring time again, and with Spring comes District Music Festival. Music Festival is 2 days of fast paced and often highly emotional musical performances given by our very talented music students in front adjudicators who travel from around the state to judge and also encourage these wonderfully talented kids. I am always amazed by the individual and group talent of our BCHS musicians! They work so hard to hone their talents and often with trembling knees, sing and play their hearts out before the judges in hopes of gaining the opportunity to perform again at State level. Because BCHS has an amazing music program led by dedicated instructors and equally dedicated young musicians, many of our talented hometown kids will indeed preform at State Music Festival. Not only are these kids talented and dedicated, they are some of the best people I know. They encourage one another, go to each other's performances, console one another when things go wrong, and celebrate each others successes. I love Music People! Dillon should be proud to have the Music Program it has and I pray that as a community we will always support this program and the amazing young musicians that benefit from it.

LEGISLATIVE UPDATE

FROM REPRESENTATIVE TOM WELCH

We now are 75 days into what was expected to be a 90-working day Session. It has been extremely busy at the Montana Legislature with long days being the norm. Much work remains to be done including leaving Helena with a balanced budget. On this Tuesday, as Vice Chairman of the House Tax Committee, I and others will be getting a long look at the current Revenue Estimate for the coming biennium. When finalized before Session ends, this Revenue report is critical. The Montana Constitution requires a balanced Budget and therefore State Revenue will dictate the level of expenditures to be made as well as the amount of reserves needed. The Appropriations Committee has been working diligently since early in the Session to highlight programs and needs that must be funded and at what level. In addition, they are moving on to prioritize other requests or wants such as those coming from new Bills passed this Legislative session. We often refer to General Bills that contain expenditure requests as 'Dog and Cat Bills'!

The two Committees on which I sit this year have been extremely busy. Both the House Taxation and the House Health & Human Services Committees have each had over 135 Bills be assigned to them. Each one of these Bills has had one or more Hearings in their respective Committee. These Hearings are where the public and Committee members get to learn from the Bill sponsor as to what their Bill does or does not do. Members of the public are able to express their support or their opposition, at this time, towards the Bill being discussed. Committee members also get to question the Bill sponsor or Information witnesses if any present. These Hearings range in time to being somewhat brief to some lasting hours. Some Bills, due to their nature such as needing funding or having an Amendment added, may go thru 4 or more Hearings.

In March, I was honored to be part of a Vietnam War remembrance held at the Capitol Rotunda. Legislators were joined by Veterans as well as the general public in recognizing those who served but did not return home from this conflict. I was given the opportunity to read the names of the two known Beaverhead County casualties-these being Sanford Kim Archer of Glen and Arthur Grasser from Melrose. If anyone knows of someone from our area that should be recognized at future remembrances, please drop me a note and I will see to it that they get added to the list.

We work extremely hard while here at a Legislative Session but as Legislators, we never forget those less fortunate than ourselves. This year, the Boys and Girls Club of Helena will receive some funding from our various fundraising efforts. In addition, a young man who although wheelchair bound, shows up every day to work here at the Capitol, is receiving funds to assist with his efforts to purchase a vehicle that is equipped to fit his abilities.

Thanks for your continued support and stay safe!

Vigilante Electric Cooperative Celebrates Administrative Professionals Day

On April 26th, we join businesses across the nation in celebration of Administrative Professionals Day. At Vigilante Electric, we are thankful to have four remarkable women that we want to recognize for the extraordinary work they do every day.

Each of our administrative professionals is tasked with individual functions that are critical to our operation. This team-oriented crew is willing and able to contribute and assist, regardless of the situation. While their efforts are appreciated every day, we would like to take this opportunity to express our gratitude to Jackie Clark, Emily May, Chelsey Hutchison, and Paige Garrison.
