Local Author Releases 3rd Novel

R J Harrison of Dillon will be the featured author at The Bookstore during the Art Walk on Friday, May 5th. The third book in the Eavesdropper series, *The Sorcerer's Wife* will be the featured title during the event. The other two books, *A Shooting in Bannack* and *Death of a Polygamist* will also be available. Harrison a 1964 graduate of BCHS has always been a lover of words and history. Telling stories comes naturally to him. In his history mysteries he combines history with a touch of the paranormal and healthy dose of romance creating stories that are intriguing and engrossing. He deftly weaves history into a contemporary story.

After high school Rob continued his education graduating from MSU with a degree in architecture which took him away from his dreams of being an author. Upon retirement the Pioneer Mountains called him home. In the newest book, Laura finds herself alone, searching for her lost people. She is in a strange world surrounded by ancient influences. Faced with threats from outsiders that don't understand and refuse to believe she has to trust her instincts and find the strength to keep going. As always Harrison has crafted a book filled with intrigue, adventure, romance, mystery and magic. He will be signing books for 5:00-7:00 with a reading starting at 5:30. If you have any questions please call The Bookstore at 683-6807.

Live Lobster Fundraiser**

The Dillon Lions Club is again holding its annual spring sale of fresh, delicious Atlantic lobster! The money generated by this lobster sale is one of the primary sources the club uses to fund the many local community service projects it's involved with. As an example, the Dillon Lions Club provides vision screening for the students in every school in Beaverhead County, including each class of Youth Challenge Cadets. Another example would be the scholarship the club provides each year to a deserving Beaverhead County High School senior.

If you'd like to order one or more of these live Maine lobsters, please have your order form and payment to us by Monday, May 15 at the very latest. These order forms, with more detailed information including price, are available at the Vigilante Electric Cooperative Office near the Beaverhead County Courthouse and at Precision Eye Care and Optical at 25 Johnson Ave. immediately north of Safeway.

The approximately 1.5-pound lobsters are caught, cold packed, and flown out to arrive fresh on Saturday, May 20. And as many a club member working the sale can attest from experience, the lobsters arrive very much alive and very feisty!

You can pick up your live lobsters on Saturday, May 20 between 1:00 and 3:30 P.M. at the Vigilante Electric Cooperative parking lot across from the courthouse main entrance. And if you'd like, Lions Club members will even cook them there on the spot for you to take home at no extra charge!

(MDT) and Helena Sand and Gravel construction update:

Week of May 8:

Work occurring around and below the bridge over the railroad. Travelers can expect single-lane bridge closures with temporary traffic lights.

Travelers can expect daytime single-lane closures along East Helena Avenue. Both lanes will be open at night. Side street intersections closed at the north side of East Helena Avenue. Businesses along side streets will have access from East Virginia Street.

Pedestrians: can expect partial sidewalk closures day and night while concrete cures.

Veteran's Corner Update #201

By Mike Lawson

If you are a caregiver for a Veteran, there are a number of help programs you can take advantage of to make your life easier. One example is Respite Care: VA Quote: "Self-care is important for caregivers. Respite care can be a resource to help burn-out and allow you time to take care of your own needs with the comfort of knowing your Veteran is in a safe and caring environment." This care is offered through the Office of Geriatrics and Extended Care: (GEC): https://www.va.gov/GERIATRICS/pages/Respite_Care.asp.

I went to Ft Missoula to the lumberjack competitions. Both men and women competed and it was impressive the skill and strength required to compete in the different events. They had a lot historical exhibits and demonstrations concerning horses, a steam engine saw mill that they demonstrated cutting logs into lumber and horse/mule teams pulling different old time machinery of long ago. The buildings there are historic and during the World War II it was the prison camp for both Italians and Japanese. I had never been there and was glad to experience being there.

Another place of history, which is closer to home here in Butte, is the World Museum of Mining. If you haven't been there it's a fascinating place to go that you could spend hours or days trying to see/read/experience all the historical exhibits and information that is on site there.

The latest endeavor is the building a new exhibit to honor the men and women of Butte and greater Montana who have served or are serving in the Armed Forces, according to a brochure put out by them. Sponsorship is being asked for not only money but veteran artifacts such as uniforms, memorabilia such as metals and awards. Equipment, such as helmets, packs, weapons, etc.. Posters/signs/stories/letters/citations/ news articles etc., are all things that will help this exhibit be outstanding. Call or stop in at the museum if you have any questions. 406-723-7211 butte.wmm@gmail.com or www.miningmuseum.org or PO Box 33, Butte, Mt 59701. You might enquire about their four Sponsorship Tiers of Copper: \$0—999, Silver (8): \$1000—2499, Gold (4): \$2500—4999, Platinum (2) \$5000 +. It's a wonderful and exciting opportunity in honoring both past and present serving Veterans.

DID YOU KNOW?

Fake pills have been found in all 50 states. Assume any prescription pill you see online is fake, including Oxy, Percocet, Adderall,

Fentanyl is involved in more American youth drug deaths than heroin, meth, cocaine, benzos, and RX drugs COMBINED.

Often consumed unknowingly by users, illicit fentanyl is driving the recent increase in U.S. overdose deaths.

Fake pills are the main reason fentanyl-involved deaths are the fastest growing among our youth.

Fentanyl is involved in more deaths of Americans under 50 than any cause of death, including heart disease, cancer, homicide, suicide, and other accidents.

Illicit fentanyl is used to make fake prescription pills and is also found in common street drugs like cocaine, MDMA, and heroin.
