On MMIP Awareness Day AG Knudsen continues commitment to finding missing Indigenous persons

On this Missing and Murdered Indigenous Persons Awareness Day, Attorney General Austin Knudsen praised the Legislature for passing bills supported by the Montana Department of Justice this session to combat human trafficking and the missing and murdered Indigenous persons crisis in Montana.

"First as Roosevelt County Attorney and now as Attorney General, I have had a front-row seat to the devastating impact that human trafficking and the missing persons crisis has on Montana's tribal communities which are disproportionately impacted by the problem," Attorney General Knudsen said. "I am committed to ending it. I'm grateful to state lawmakers and Governor Gianforte for working with us this session to make great strides to hold human traffickers accountable and bolster the Montana Department of Justice's response to missing and Indigenous persons across the state."

Six Indigenous persons reported missing in 2022 are still actively missing out of the 565 Indigenous persons who were entered as missing last year – a 99 percent case clearance rate. However, Indian Country is disproportionately affected by human trafficking and missing men, women, and children. While Indigenous persons make up roughly six percent of Montana's population, 24 percent (41 out of 170) of active missing person cases in Montana were identified as Indigenous persons as of May 1. Of the 41 missing Indigenous persons, 21 are female and 20 are male, 20 have been missing for more than one year, and 15 are under the age of 21.

Legislation DOJ supported to combat human trafficking and the missing and murdered Indigenous persons crisis includes:

Human Trafficking

House Bill 112, sponsored by Rep. Jodee Etchart of Billings, will increase the penalties for human trafficking and will provide prosecutors with more tools to prosecute human traffickers. It expands the definition of human trafficking and will help increase the crackdown on sexual abuse of children and all victims.

Senate Bill 522, sponsored by Sen. Daniel Zolnikov of Billings, creates an emergency lodging grant program to assist in providing short-term lodging in the state to individuals and families that are victims of domestic violence or human trafficking.

Missing and Murdered Indigenous Persons

House Bill 163, sponsored by Rep. Tyson Running Wolf of Browning, extends the Missing Indigenous Persons Task Force and provides for a full-time program coordinator.

House Bill 18, sponsored by Rep. Tyson Running Wolf of Browning, establishes a missing persons response team training grant program. This bill will bolster the Montana Department of Justice's response to missing and Indigenous people across the state.

Senate Joint Resolution 5, sponsored by Sen. Bob Brown of Trout Creek, urges Congress to fund law enforcement in Indian Country.

House Joint Resolution 1, sponsored by Rep. Lola Sheldon-Galloway of Great Falls, requests an interim study on missing youth and requires the final result of the study to be reported to the Legislature.

Bulldog Volleyball Announces 2023 Recruiting

Montana Western Volleyball welcomed five signees in its 2023 signing class, the program announced Wednesday afternoon.

"We are excited about this dynamic group of incoming freshmen. They each bring a unique feature to our growing program." Head Coach Katie Lovett said.

This year's recruiting class includes two athletes from Montana and one athlete from Oregon, Washington, and Nevada. The group also includes a setter, two middle blockers, an opposite hitter, and a defensive specialist.

Madisyn Frazier | DS/L | 5'5" | Kalispell, Mont. / Glacier High School

Maxine Hoagland | OPP/OH | 5'11" | Whitehall, Mont. / Whitehall High School

Jaiden Perez | MB | 6'0" | Las Vegas, Nev. / Coronado High School

Olivia Rosborough | MB | 6'0" | Oregon City, Oregon / Silverton High School

Sophie Worden | S | 5'8" | Vancouver, Wash. / Columbia River High School

The Bulldogs return 12 players from last season's squad, including all-conference players Jazi Smith, Kelsey Goddard, Danyel Martin, and all-freshman team athlete Jordan Olson.

Smith found herself on the single season leaderboards, falling into third in UMW history for single season kills (305) and kills per set (2.88). Vogl was just shy of breaking the single season block record, totaling 96 last season.

Despite falling to a tough Rocky Mountain team in the conference tournament championship at the end of last season, the Bulldogs had their first double-digit win season since 2016, finishing up 12-17 overall. The Bulldogs also had their highest winning percentage since the 2005 season when the Bulldogs went 16-13 overall.

DID YOU KNOW?

Fake pills have been found in all 50 states. Assume any prescription pill you see online is fake, including Oxy, Percocet, Adderall,

Fentanyl is involved in more American youth drug deaths than heroin, meth, cocaine, benzos, and RX drugs COMBINED.

Fake pills are the main reason fentanyl-involved deaths are the fastest growing among our youth.

Fentanyl is involved in more deaths of Americans under 50 than any cause of death, including heart disease, cancer, homicide, suicide, and other accidents.

Illicit fentanyl is used to make fake prescription pills and is also found in common street drugs like cocaine, MDMA, and heroin.
