Celebrate Mother's Day with free fishing

No fishing licenses will be required Mother's Day weekend, May 13 and 14. So grab your gear and your gal and head out to enjoy Montana's countless rivers, streams, lakes and reservoirs.

In 2021, Gov. Greg Gianforte signed into law Senate Bill 61, which makes it free to fish in Montana on Mother's Day. Montanans have enjoyed free fishing on Father's Day weekend for more than 10 years.

Road Closure May 23

The Beaverhead County Road Department will be replacing a culvert at Cornell Park on Tuesday, May 23rd. Ten Mile Road will be closed from 9:00 a.m. to noon from the KOA to the bridge on the Beaverhead River.

Search and Rescue News

Submitted by: Mel Rice, Public Relations Officer

The May meeting of the Beaverhead Search and Rescue was held Wednesday May 3, 2023. The meeting was called to order at 7:10 by commander Lawrence Morrisroe. Roll call was taken with 24 members in attendance. The treasurer's report was given and then it was announced that Lance Hopman had turned in an application to the unit.

The first order of business was a training report given by training officer Alex Dunn. First training will be a combined training put on by the Ruby Valley S&R on May 12. This will be swift water training and could prove to be a very necessary training with the potential of high water and flooding in our rivers and creeks. Our equipment officer, Evan Helle, will be working with a team of BVHD members to prepare our two GARC's for a training session on Clark Canyon and then on the river. Date for that training has not yet been set. The unit will hold its annual campout training at Boy Scout Flats in Willow Creek on the 9th, 10th and 11th of June. The types of training this weekend will include: use of radios, GARMIN GPS, portable repeaters, and other form of communication equipment, patient packaging, use of medical equipment, and low angle rope rescue. After spending time discussing the equipment and the use, members will go out in the field and participate in preset scenarios where we can put learned knowledge to practical experience. Members are required to have 15 hours of training per year. This provides a great opportunity for them to complete this time. This campout is designed for complete family participation so gives spouses of members a good chance to meet each other and make new friends.

Next, it was reported that Phillips Concrete, with the help of RE Miller & Sons, prepared the area in front of the command post storage bay and poured a cement pad which has been needed for some time now. This is a wonderful addition to the unit's storage building. RE Miller graciously donated their time and materials to the S&R while Phillips Concrete donated a portion of their cost as well. Thank you to both of these businesses for their donations and continued support of Beaverhead Search and Rescue.

The meeting concluded with good of the order. Lawrence

announced that the Sheriff's department recently acquired a very good snow cat from the Wolf Point Sheriff's department. It is an item that will be available to the Search and Rescue when the occasions arise. What a great piece of equipment to have on hand. Thank you David Wendt and Beaverhead County Sheriff's department. Your Beaverhead County Search and Rescue will present the "Hug a Tree" program to our Dillon 5th graders on May 26.

Please be careful out there. Rivers are rising and running rampant. Chances of survival if you dump a boat in any of these waters right now are greatly diminished. The water is cold and hypothermia will take over in a short period of time. There is still a lot of snow in the high country and will more than likely prevent you from getting to those favorite places at this time. Be prepared with proper equipment in your vehicles and proper clothing. Even though it is warm during the day, night time temps can take their toll on unprepared individuals. Have fun but be safe. No. 18: The Legacy Carries On

Western Bulldog and Dillon Beaver football player M.J. Simkins, whose life was tragically cut short prior to the start of his senior year, wore the number 18 with pride. The number had tremendous significance because it showed his love for Dillon and Beaverhead County, which is Montana county number 18. MJ wore the no. 18 for three seasons 2014 to 2016. His brother Nathan carried forward the tradition and values of the no. 18 throughout his epic Bulldog career (2017-2021). Last season, the number 18 became a legacy number for the Bulldog Football team.

The number was and will be given to a senior student-athlete who represents the spirit and values of M.J. and what Bulldog Football is all about. Reese Neville was first honored with wearing the No. 18 jersey following Nate. Now, for the 2023 season, it has been awarded to senior linebacker Kameron Rauser.

"I am honored to be chosen to wear the legacy number 18 for the 2023 season. The number 18 is much more than a number. It represents leadership, character, courage, heart, and respect. All of which embody the man MJ was. I have always strived to be a leader on and off the field. Getting the opportunity to wear the number 18 has made my duties as a student-athlete, teammate, and friend that much more symbolic." Kameron Rauser commented.

Rauser, an upcoming senior on the 2023 football team, started his career at Montana Western in 2019 and started as a true freshman. He was a 2019 graduate of Broadwater High School and is from Townsend, Mont. Throughout his time as a Bulldog, Rauser has totaled 174 total tackles, eight tackles for loss, and has six interceptions. He will continue to be a tremendous field presence for the Bulldog defense throughout his senior season, leading as a captain for the second season in a row.

"Kameron Rauser is an excellent choice to represent Bulldog Football and to wear no. 18 for the 2023 season. Kameron has demonstrated upper-level commitment, a positive attitude, and selfless investment into the program." Head Coach Ryan Nourse stated. "He has served his teammates as an exceptional leader in his time with the program. He's been chosen captain twice and displays the character on and off the field that all Bulldogs aspire to."

"The significance of wearing the number 18 not only represents me, but also represents the Simkins family, the community of

Dillon, and the entirety of the Dawg football team. It is known, MJ Simkins loved football. What he loved even more than football was Dillon, Montana, and the support of the community. MJ's quote, "Leave it better than you found it" has stuck with me." Rauser added. "No matter the relationship, situation, organization, or job, it has become my goal and the team as a whole to live by MJ's wise words. The number 18 will continue to remind the team, community, and myself to never forget the value of making a difference that positively impacts the world around us. The number 18 brings us together. 18, and MJ's legacy as a Beaver and Bulldog will continue to leave its mark as it is a constant reminder to play hard for our teammates, coaches, and community. I, just as MJ did, have a plan to wear the number 18 with pride."

Mental Health Awareness Month Week of May 8-12th

WEDNESDAY - MAY 10th

Debbie from "The Bookstore" reads BRAVE EVERY DAY by Trudy Ludwig during her weekly "Debbie Reads" series on Southwestern Montana News.

It's a story about managing anxiety and finding the courage to stand up for yourself and others. AGES 4-8 years old.

Most kids love hide-and-seek, but Camila just wants to hide. Hiding is what she does best when she worries, and she worries a LOT. What if... I can't... I'm scared!

A class trip to the aquarium causes her worries to pile up like never before. But when an anxious classmate asks for help, Camila discovers her heart is bigger than her fears.

THURSDAY - MAY 11th

10 a.m. Chief of Police Jeremy Alvarez is a guest on "What's On Your Mind" on KDBM/KBEV to talk about the level of substance use and abuse in Beaverhead County and the very real threat of fentanyl poisoning.

7 p.m. COMMUNITY ROUND TABLE at the Sweetwater Coffee Shop for a discussion about fentanyl, marijuana, and other substances our youth encounter and the potential for addiction and death with Chief of Police Jeremy Alvarez. Police Jared Ramsey provides training on the administration of NARCAN, a nasal spray, used in suspected cases of fentanyl overdose.
