Thank you!

The family of Rooster Reynolds would like to express our gratitude to the many wonderful people who sent their condolences, attended the Celebration of Life service and the reception, brought food to the reception, and shared numerous memories of Rooster. We had so many go above and beyond with helping us pay tribute! The outpouring of support has been amazing and comforting during this heartbreaking and painful time. He touched many lives, and we cannot thank you enough for showing how much you care.

Homes for Heros Hero Rewards

Today was such a special day, as I not only got to congratulate my clients, Stan and Judy Bork, on purchasing their forever home, I got to give my first Hero Reward!

Stan actively served in the U.S. Coast Guard and is receiving a Hero Reward for $3,290.00 as a huge thank you for his service! This program is amazing!

Being able to not only hand a client their keys to a new home, but also present them with a reward, is the most amazing feeling. Days like today are truly why I do what I do!

Do you know a Hero? I have had the opportunity to partner with Homes for Heroes which is a program that I have wanted to support for many years. I can now give back to my community heroes and help them save money when they buy or sell a home. You see, our community heroes, our firefighters, law enforcement, military members, teachers and healthcare workers, sacrifice so much to serve our community by putting others before themselves. That's why I'm a Homes for Heroes affiliate, so that these heroes can receive a rewards check as my way to say "Thank You." They will receive $700 for every $100,000 whether buying or selling a home. Please share this program offering with the Heroes you know. Such a wonderful way to give back and say "Thank You!" Kathy Peterson, Broker (406) 865-0443 kathy@18landco.com

Pitchers Battle It Out With The Hamilton Broncs Coming Out On Top

Jeremy Crawford, Southwestern Montana News

Both teams were strong on the mound on Thursday, but the Hamilton Broncs were just a little bit stronger at the plate in a victory over the Beavers on Thursday. Damon Skradski started the game for the Beavers and recorded 21 outs.

A single by Skradski in the seventh inning was a positive for the Beavers.

Jackson Jessop led things off on the pitcher's mound for the Broncs. Jessop allowed one hit and zero runs over seven innings, striking out four and walking one.

Avoid conflicts with wildlife as WMAs open May 15

Most of Montana's 76 Wildlife Management Areas open at noon on May 15. The long winter and heavy snowpack have left a limited area for wildlife to forage. With grizzly bear activity increasing, people visiting WMAs should remain vigilant and practice techniques to avoid surprise encounters.

Bears, elk and shed-antler hunters will be sharing the same space. Most animals see, hear and smell humans long before humans detect the presence of animals. Depending on the distance between the animals and humans, the animals decide whether to stay, defend themselves or flee.

People venturing into the outdoors should "Be Bear Aware" by following these precautionary steps:

- Carry and know how to use bear spray.
- Travel in groups whenever possible and plan to be out in the daylight hours.
- Avoid carcass sites and concentrations of ravens and other scavengers.
- Watch for signs of bears such as bear scat, diggings, torn-up logs and turned over rocks, and partly consumed animal carcasses.
- Make noise, especially near streams or in thick forest where hearing and visibility is impaired. This can be the key to avoiding encounters. Most bears will avoid humans when they know humans are present.
- Don't approach a bear.

DMS NEWS May 15-19, 2023

Here's the Dillon Middle School News for the week of May 15-19, 2023.

The lunch for the week is as follows: today, Monday, we will have chicken nug nugs and cowboy beans. Tuesday, we will enjoy a breakfast sandwich for lunch. Wednesday, we will be having a grilled chicken sandwich with trimmings. Thursday, hot turkey sandwiches will be served with mashed potatoes. And on Friday, we will enjoy French bread pizza served with salad.

We have several field trips happening next week. On Monday, the eighth graders will be going on their field trip to Butte. They will visit the Berkley Pit, the World Mining Museum, and the Natural Resources.

Then on Friday, the 7th graders will go to the Museum of the Rockies. Several items of interest will be the guided dino tour and exploring the history hall and special exhibit halls. Students, please make sure to get your permission slips into your teacher.

This week, sixth grade will be going to Lewis and Clark Caverns. They will attend one of two days and are expected to be in class on the day they are not going on the field trip.... Please check with your social studies teacher as to which day you will attend.

Last week we were treated to the spring concert where the sixth-grade choirs and band performed as well as seventh and eighth grade combined choirs and bands. Some of the favorites were: "Love without End, Amen" by the sixth-grade choir. "Clash of Warriors" by the sixth-grade band. "Into the West" and "A Million Dreams" were performed by the seventh and eighth grade choirs. And several fun pieces: "Jurassic Park," "Transformers," and "How to Train Your Dragon," were all performed by the combined seventh and eighth grade band members. Great job to everyone who performed.

Last week, the Hope Squad hosted a spirit week. On Monday, we all wore our pajamas to school to remind us, that we are all learning to be comfortable with who we are. Then on Tuesday, we had shred day. We all wrote down things that we are worried about, and then we shredded those pieces of paper. Then on Wednesday, we played "Bean Boozle" in the lunchroom. Thursday, we all wore our jerseys, because we are all on the same team. On Friday, the hope squad gave out bands during the fun run to remind us to all band together. It was a great week, and we are so grateful to the hope squad for this fun spirit week.

Seventh and eighth grade elective forms will be sent out to all students this week, so they can sign up for their elective classes for next year.

Dawson Henshaw Named Men's Basketball Assistant Coach

Head Men's Basketball Coach Patrick Jensen has announced the hiring of Dawson Henshaw as the new Assistant Men's Basketball Coach. Henshaw joins the Bulldogs from Twin Falls, Idaho where he had previously served as the Assistant Men's Basketball Coach at the College of Southern Idaho.

Henshaw joined the CSI staff in the fall of 2022. While at CSI, Henshaw helped lead the Golden Eagles to a perfect 29-0 regular season, the first undefeated regular season since 1978. CSI was the No. 1 ranked team in the NJCAA for eight weeks running and was the No. 2 overall seed in the NJCAA National Tournament. He served as the Defensive Coordinator, coached a first team NJCAA All-American, four all-conference players, and was responsible for 1/3 of all scouts, player development workouts, and academic management.

"I have known Dawson through coaching with Select AAU and he brings great experience with him after coaching at College of Southern Idaho this past year. We are so excited to add Dawson to our staff and join our program. Dawson will hit the ground running and will bring great energy and enthusiasm to our program every day." Head Coach Pat Jensen said.

Before making the move to CSI, Henshaw was the assistant coach at Boise High School for five seasons (2016-2021), helping lead them to their first state tournament appearance and win in more than 20 years. Most recently Henshaw was the junior varsity coach at Rocky Mountain High School.

Outside of high school, Henshaw coached two years with Select Basketball, which is one of the premier AAU programs in the Mountain West, covering Idaho, Montana, Nevada, Wyoming, Oregon and Washington.

"I first want to thank Coach Jensen for this opportunity to join the Bulldog Family. I am incredibly excited to hit the ground running and help this program compete for a Frontier Conference championship." Henshaw said. "I cannot wait to get to Dillon and meet all the people that make Montana Western such a great community. I will pour my heart and soul into this program and community every day!" A licensed Real Estate Agent and Property Manager, Henshaw graduated from Boise State University with a degree in International Business and Mandarin Chinese.
