Lois Mardell Norby Hammer

Lois Mardell Norby Hammer passed away peacefully in her sleep in Dillon MT on May 17, 2023 after a brief illness. She was a much beloved teacher in MN, SD, IA, and Montana; a life-long learner, who was always interested in what was going on in the world; a creative and beautiful knitter, sewer, and quilter; and always the patient teacher, also taught her grandchildren how to knit and embroider. She was exceedingly generous with her time and attention to her children, grandchildren, friends and family, and the

kindest woman possible to everyone she met.

Lois was born October 7, 1930 in Soldier IA to Henry and Sarah (Rustin) Norby. She grew up on the family farm, helped her dad in the barn, loved participating in 4H, taught herself how to play piano, and always did well in school. She attended Augustana College in Sioux Falls SD, where she met her life partner Bill Hammer of Lead SD, whom she married in March of 1951. They were married for 62 years when Bill died in 2014. Lois began her career as a teacher at the School for the Deaf in Sioux Falls SD after her graduation from Augustana, and she continued to positively impact the lives of children with special needs for the next 50+ years. She was a working mom when that was not the norm, and set a wonderful example of perseverance when she went back to school at Augustana to get her Bachelor's degree in 1968. She and Bill moved in Worthington MN in 1958, where they both taught, raised their children, and made many dear, life-long friends. In 1978 they embarked on another adventure, moving to their place on

Rock Creek just outside Missoula MT, where Lois began the process again of creating community with people in the valley and children in Missoula and Clinton. She also became quite an outdoorswoman, hunting elk and deer with Bill. Her grandchildren have sweet memories of time spent on Rock Creek, and numerous ways that Grandma made them feel beloved, including making the best peanut butter shakes, applauding performances on the deck, and so many moments of her warm presence and attention.

Lois and Bill moved from Rock Creek to Dillon in 2013, and in her 10 years of living in Dillon, Lois became a cherished member of First Presbyterian Church of Dillon and a much loved resident of The Legacy (now Beehive)

Being the always proud Norwegian, it is fitting that Lois passed through the thin space between this world and the next on Sytennde Mai (Norwegian Constitution Day). She loved a good Ole and Lena joke, especially when it was told by her dear friend (and fellow proud Norwegian), Ron Loge.

Lois was preceded in death by her husband, parents, sisters Agnes and Marjorie and brother Gerald. She is survived by children Eric (Sandra McIntyre) Hammer of Dillon MT, Joy (Kevin) Miller of Maple Grove MN, and Lori (Steve) Laughlin of Spearfish SD; granddaughters Maren Miller and Anna (Michael) Miller-Sherman, grandsons Colin (Nicole) Laughlin and Kyle (Beth) Laughlin, great-grandchildren Magnus and Bjorn Sherman and Grace and Emerson Laughlin.

A celebration of Lois' life will be held at First Presbyterian Church on Thursday, July 20 (time to be determined) and memorials are preferred to: the family (c/o Eric Hammer, 2200 Carter Creek Road, Dillon MT 59725), First Presbyterian Church of Dillon (24 South Pacific Street, Dillon MT 59725), or Beaverhead County United Way Backpack Program (BUW.org).

Contractor for Sports & Activities Complex**

After publicly launching a \$13 million fundraising effort earlier this year to fund scholarships, academic programs, and student wellness and athletics facilities, the University of Montana Western has announced the selection of Jeffrey Contracting/R.E. Miller as the general contractor of the new Sports & Activities Complex, anticipated to break ground this August with the goal of having a game-ready field for fall semester 2024.

"We are very excited to be at this stage in the Sports & Activities Complex project, which will transform the student experience and provide a campus and community gathering place to be enjoyed by all. I would like to thank everyone for their generosity and contributions to the Experience One Campaign. We wouldn't be able to do this without the support of our incredible Bulldog Community," said Montana Western Chancellor, Michael Reid.

The civil site plan for the Sports & Activities Complex project is complete and has been reviewed and approved by the City of Dillon and Montana Department of Transportation. The next stage will be working with the project's engineers, architects, and general contractor for design development and cost estimates.

"We are looking forward to working with local contracting business, R.E. Miller, on this project which will also employ the talents of several area subcontractors. The community support in helping us get to this point has been instrumental, and I am excited that we will be breaking ground soon," said UMW Director of Facility Services, Michael Brown.

The Sports & Activities Complex will be constructed on a section of 14 acres of land adjacent to campus that John and Phyllis Erb pledged to the university in 2019. With expanded seating and new amenities, the Complex will significantly enhance the game-day and campus life experience and will aid in recruiting future students. The new Complex will also be available to host local games and events for other community organizations to support the youth of Beaverhead County.

Over \$11.8 million has already been committed to the \$13 million comprehensive campaign, of that, about \$4.5 million will be directed to the Complex project. Currently, total funds raised for the Complex project are at \$3.6 million.

"I'd like to thank our generous donors, and invite everyone to help

us cross the finish line for the Experience One Campaign," said UMW Foundation Executive Director, Roxanne Engellant. "Every gift, no matter the amount, brings us one step closer in achieving our goal in supporting our students and our community."

Approximately \$8.5 million is planned to be divided among the other three funding priorities of the Experience One Campaign including substantially increasing support for student scholarships, adding a Wellness Center to the campus to support the mental and physical health of UMW's students, and investing in the Fund for Experience One to increase experiential learning opportunities for students and faculty. Montana Western hopes to secure the remaining funds needed for the campaign over the next twelve months.

For more information about Montana Western's fundraising efforts or to support the Experience One Campaign, please contact the University of Montana Western Foundation at 406-683-7305, email roxanne.engellant@umwestern.edu, or visit tinyurl.com/X1-campaign. The UMW Foundation will also host a luncheon in the coming weeks to discuss opportunities for subcontractors interested in contributing to the Sports & Activities Complex project via in-kind donations. Bear safety training event happening in Bozeman

FWP to host bear awareness workshop on
June 13 to teach bear safety skills

Montana Fish, Wildlife & Parks staff will host a bear safety event next month to offer training and hands-on practice with bear spray and other safety resources.

The workshop will be Tuesday, June 13, from 11:30 a.m. to 4 p.m., in the south parking lot of FWP's Bozeman office, 1400 S. 19th Ave.

This event will include bear displays and safety talks on the hour. The displays include grizzly bear and black bear full-body mounts, skulls, tracks, food storage options, bear spray holsters, and a remote-controlled bear spray target. Participants will have the unique opportunity to practice using inert bear spray in a simulated charging bear demonstration.

FWP staff will give away up to 30 cans of bear spray on a first-come-first-served basis to those who attend the first presentation at noon.

FWP staff will be available to discuss bear safety practices, bear biology and how to handle bear encounters. They will provide in-depth training on how to carry and use bear spray. This event is family friendly, and everyone is welcome.

Bears can be found throughout Montana. In recent years, grizzly bear populations have expanded. People venturing into the outdoors should be "bear aware" by following these precautionary steps:

- Carry bear spray, know how to use it, and be prepared to use it immediately.
- Travel in groups whenever possible and plan to be out in the daylight hours.
- Avoid carcass sites and concentrations of ravens and other scavengers.
- Watch for signs of bears such as bear scat, diggings, torn-up logs and turned over rocks, and partly consumed animal carcasses.
- Make noise, especially near streams or in thick forest where hearing and visibility is impaired. This can be the key to avoiding encounters. Most bears will avoid humans when they know humans are present.
- Don't approach a bear.
- Keep attractants secured and follow all food storage regulations.

For more information on bear safety, visit go.usa.gov/xJB6U.

CRUSHED

By "Swede" Troedsson

Early in the mid-1980s Sheriff Rick Later and I, in the Beaverhead Ambulance, responded to a truck accident about 15 miles north of Dillon, Montana. The accident occurred on the highway to Twin Bridges, where an irrigation canal crosses under the highway.

During the night a large semi-truck hauling wheat south from Great Falls had drifted off the highway, sailed over the canal, and speared into the far bank. On impact, 50 tons of wheat shot forward, crushing the cab. The impact was so great that the front axle steering shaft was shoved back into the sleeper. Speculation has it that the truck driver must have fallen asleep. The driver was crushed to death. Highway Patrolman Harold Forsman was on the scene directing the early morning traffic.

Our task was to remove the truck driver's badly crushed body from the truck cab. There we were, struggling in knee deep wheat, trying to extricate the body using the 45 pound Jaws of Life tool. The task was frustrated by the fiberglass cab closing back in every time we tried to reposition the tool.

We were finally ready to remove the body when I happened to look over my shoulder and saw a woman standing on the road with her young daughter watching us. I called a pause to our efforts and walked up to the woman. I advised her that it was not a good idea for her young daughter to witness what we were about to remove from the cab. The woman and her daughter left.

I will never forget that grisly scene.

PATIENT ACCOUNT REPRESENTATIVE-REGISTRATION

The Patient Financial Services Department at Barrett Hospital & HealthCare invites applications to fill a Patient Account Representative-Registration position to join our team of professionals. The Patient Account Representative is responsible for timely and accurate patient registration tasks and processes. The Patient Account Representative interviews patients for all pertinent account information, verifies insurance coverage, establishes need for pre-authorizations, financial counseling, and recovers co-insurance, deductible and/or self-pay payments, as necessary. The Patient Account Representative ensures the collection of appropriate signatures for treatment, medical records, and insurance processing. The Patient Account Representative displays courtesy and sensitivity in managing difficult or emotional customer situations. **Minimum Qualifications:** High School Diploma, general education degree (GED) or equivalent; with one year of related experience and/or training; or equivalent combination of education and experience may be considered. ****Qualified candidates will be required to complete a Patient Financial Services Departmental Workplace Questionnaire/Survey prior to being considered for a formal interview to assess basic customer service skills and industry related competencies.** This position is a full-time position and is eligible for the full benefit package.**

PATIENT ACCOUNT REPRESENTATIVE-BILLER

The Patient Financial Services Department at Barrett Hospital & HealthCare invites applications to fill a Patient Account Representative-Biller position to join our team of professionals. The Patient Account Representative is responsible for coordination, completion and submission for payment, all insurance billing/filing timely and accurately. The Patient Account Representative works with members of the Coding team to process appeals to insurance companies for denials that may be received due to medical necessity verification or other reasons requiring modifiers identifying accurate billing for services provided. The Patient Account Representative completes timely and accurate follow-up on claims that have not been paid, makes appropriate adjustments, and processes credit balances to be returned to insurance companies or patients, as applicable. As a member of the team, the Patient Account Representative will cross train and provide coverage in the areas of Registration, Financial Counseling, Cashier/Front Desk, and Systems Specialist areas, as needed. **Minimum Qualifications:** High School Diploma, general education degree (GED) or equivalent with one year of related experience and/or a combination of relative education and experience preferred.

This position is a full-time position and is eligible for the full benefit package
