AMY SUSAN JAMES KADRMAS 1976 - 2023

Amy Susan James was born June 7, 1976, in Sheridan, Montana, to Jean (Tilton) James and Robert A. (Sandy) James. She grew up on the family ranch in Horse Prairie Valley with her siblings, Corby and Owen James. She married Bradley Jon Kadrmas in 1997, and the couple had two children, Isabella Jean, 22, and Daniel Jon, 17. Amy loved her family and being a wife and mother.

After graduating from Beaverhead County High School, Amy auditioned and was accepted into Up With People, an international touring musical group with a strong community service focus. As one of the first members of the Dillon Junior Fiddlers, directed by her parents, Amy traveled to Kumamoto Prefecture, Japan, in 1990 to play and sing with her family at a national farm festival. The next year she returned to Japan with the Dillon Junior Fiddlers, representing the United States at the Kumamoto International Youth Music Festival.

Amy graduated from the University of Montana Western with a degree in K through 12 art education, and with Brad subsequently taught in Fernley and Fallon, Nevada. She enjoyed particular success in teaching at an alternative high school in Fallon.

Amy was a past winner of the Montana State Fiddle Contest, adult division, and played for many years with a group for Victorian-era reenactment grand balls.

Amy leaves behind her family, uncle Bill James, aunts Julie James, Kate (James) Kajin, and Susie (Tilton) Chiovaro, as well as many cousins, young people she mentored, and close friends whom she dearly loved.

A celebration of Amy's life will be held later this summer. Memorials may be made in her name to the Dillon Friends of Music, Dillon Junior Fiddlers, the Montana State Old Time Fiddlers Association, or the Beaverhead County Animal Shelter, where she adopted several dogs that delighted her life.

**AG Knudsen and MHP encourages safe driving during
100 Deadliest Days of Summer**

Attorney General Austin Knudsen and the Montana Highway Patrol (MHP) are reminding drivers to stay safe on the road this Memorial Day Weekend. Throughout the summer, state troopers will increase their presence on Montana roads and highways, cracking down on drunk and drugged drivers. After recent warm weather, traffic fatalities are already on the incline, as just last weekend there were four fatal crashes reported in Montana.

While traffic deaths are down from this same time last year, more fatal crashes occur during the time between Memorial Day and Labor Day than any other time of year. There were 52 traffic deaths in Montana from January 1 through May 23 – a 3 percent decrease from the same time last year. Additionally, so far this year there have been 34 percent fewer traffic fatalities from this time in 2021. Many times, excessive speed and alcohol are the factors leading to fatal crashes.

"Have fun with your friends and family this summer, but please, be responsible behind the wheel. Never drive impaired under any circumstances and follow the rules of the road," Attorney General Knudsen said. "While I'm glad to see that traffic deaths are slightly down again since this time last year, let's work together to keep it that way."

"You put your life and the lives of others on the road in danger when you drive intoxicated. Our troopers will be out in full force all summer to keep drunk and drugged drivers off Montana roads," MHP Colonel Steve Lavin said. "Make sure you have a plan to get home safely if you go out, and never get in a car with someone who might be under the influence."

Simple rules to follow so everyone can make it home safely and enjoy the summer with their families:

Slow down and follow the speed limit. The speed limit is the maximum speed for the ideal conditions. Slow down when there is traffic, varied roadway conditions, or inclement weather.

Don't drive impaired. A person's ability to operate a motor vehicle while impaired by drugs or alcohol is greatly diminished. Driving impaired can ruin your life and the lives of others.

Wear your seatbelt. Seatbelts are the cheapest life insurance there is.

Home Run Derby

Hand N Hand preschool is hosting a Home Run Derby for their annual fundraiser June 4th, from 12-4pm. This fundraiser provides the preschool the opportunity to offer scholarships to families who may need assistance paying for their child's tuition. The Home Run Derby is open to all ages, even adults! The cost is \$10 for 10 pitches.

There will be prizes per age group for those who hit the most home runs that were generously donated by local businesses in our community. Lunch will also be offered from 12-2pm for \$5, which includes a hamburger or hot dog and a drink. To help include the younger kids, a duck pond will also be included for \$1 a pick- ensuring a little prize for even the little ones! Last but not least, there will be a chance to dunk a local (even our very own preschool teacher) with a dunk tank!

We hope those in our community will come support Hand n Hand preschool and have a funtime!!!

Community Basement at Saint Rose Parish Drop off hours

The Community Basement at Saint Rose Parish is asking to have donations dropped off during working hours only, 9 am until 12 pm Monday - Friday. We are having lots and lots of bags, boxes and other items stolen moments after drop off and during the middle of the night. We have cameras around the building which captures the drop off's (and those that think it is a drop off and pick up) and the license plates. Once dropped off, it is considered Saint Rose Parish Property, Therefore it is stealing when items are taken. We will start turning the license plate numbers over to authorities if it continues. Thank you for your understanding and working with us.

Lewis & Clark Caverns State Park announces June Interpretive programs

*Come discover why Lewis & Clark Caverns
is more than just a cave*

Lewis & Clark Caverns State Park is kicking off its summer interpretive programs next month with talks that highlight the flora, fauna and night skies of Montana's first state park.

The park's Saturday evening events will each begin at 8 p.m. at the campground amphitheater and last about an hour. Join park ranger Ramona Radonich for the following programs:

- June 3: Birds of a Feather: See what birds make their home at Lewis & Clark Caverns State Park. Binoculars will be available.
- June 10: Flower Power: An in-depth discovery of the beauty, structure and survival of wildflowers.
- June 17: Night Skies at Lewis & Clark Caverns: Stories behind the stars and constellations of Montana's night sky.
- June 24: Three Dog Night: A tribute to three cool canines—wolves, coyotes and foxes.

In the event of adverse weather, these programs will move to a sheltered area. Notification of a change in location due to weather will be posted on the signboard at the amphitheater entrance 30 minutes before the program starts.

Guided hikes are planned for the first two Sundays in June. Bring water, sunscreen and sturdy shoes for some quality time outside. Both hikes will begin at 9 a.m.:

- June 4: Bird Hike: Meet at the Main Visitor Center before heading afield to watch and listen to the park's feathered friends. Binoculars will be available.
- June 11: Flower Hike: Meet at Greer Gulch picnic area for a hike to discover what's blooming at the caverns.

Lewis & Clark Caverns State Park is about 15 miles southeast of Whitehall, along Montana Highway 2. For more information about the park, please visit stateparks.mt.gov/ lewis-and-clark-caverns or call 406-287-3541.
