### Semi Veers Off I-15 Ends Up On Its Side

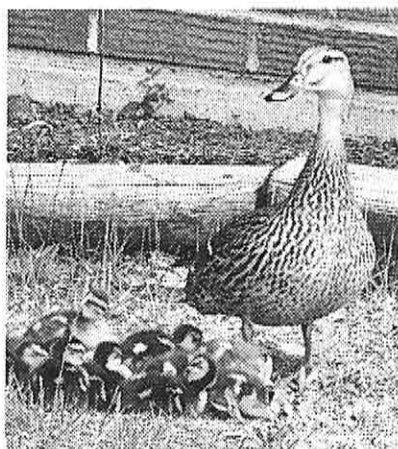

Jeremy Crawford, Southwestern Montana News

First responders were called out Tuesday morning around 10 A.M. for a single vehicle wreck on I-15 Southbound MM 51. A semi just passed through the canyon and veered off the road. The semi then continued through the fence and the field next to the highway. The semi travelled about 75 yards more before hitting the shoulder of a service road and coming to rest on its side.

First responders and others on scene used ladders to remove the driver from the cab of the semi. The driver was up and moving around talking to first responders on scene and did not ask for an ambulance transport to the hospital.

## Sagebrush and Snowdrifts 4-H News

By: Secret Petersen

The Sagebrush and Snowdrifts 4-H club met on June, 5, at 7:00 p.m. at the 4-H building. John Weldon called the meeting to order and had Jayson Molenda say the American Pledge and Evie Wilson say the 4-H Pledge. We talked about old business which was about Honey sales, the Bannack Clean-up, and our project tour meeting. The 4-H club member's and their families that participated in the Honey sales were congratulated and were given their honey orders to give to their customers. We also talked about ideas of how we could do some more fundraising with the Honey sales for our club throughout the summer and the next upcoming year. We talked about the Bannack clean-up which Secret Petersen talked about. The club talked about the project tour and when the meeting will be and where it will be held. The club decided that the meeting will be held on July, 23, at 1:00 p.m. and it will be at Cornell park for a fun day of swimming and a lunch of hot dogs and s'mores. 4-H members John and Ellie Weldon will be going to the Washington focus trip this month which the club helped fundraise for. We also talked about the Beaverhead County Weed day which will be happening on July 8 and people who will be participating in it will need to meet at the BMW Lodge at 7:30 a.m. All project books and entree sheets must be turned into the Extension Office by August 10. We also talked about the Great Harvest Bake sale which 4-H will be participating in. The date for the Great Harvest bake sale is June 20 - 23. The Meeting was adjourned and we had snacks that were provided by the Wilson family and then we played a game that was provided by Liam Marlowe.

## 'New business registrations climb again in May'

Montana Secretary of State Christi Jacobsen announced new business registrations climbed again in May. Roughly 5,400 new businesses registered with the Secretary of State's Office during the month according to the Secretary of State's Montana Business Economic Report.

New business growth has been a trend in Montana since 2021. Secretary Jacobsen cut registration fees in half for Montana businesses, while several other fees were waived entirely. As a result, Montana had record business growth in 2022, with approximately 53,000 businesses registering with the Secretary of State's Office.

Montana businesses also have 24/7 access to their business filings through the Secretary of State's website.

## FWP moving forward with project to improve Arctic grayling habitat in Centennial Valley

In a joint decision with the U.S. Fish and Wildlife Service (USFWS) and following a draft environmental assessment, Montana Fish, Wildlife & Parks (FWP) has issued a decision notice to move forward with an Arctic grayling conservation project in the Centennial Valley's Upper Red Rock Lake.

The primary winter habitat for grayling in the Centennial Valley is in Upper Red Rock Lake in the Red Rock Lakes National Wildlife Refuge. High winter mortality of grayling in the lake during periods of low dissolved oxygen has been identified as the primary limiting factor for grayling in the Centennial Valley.

The USFWS and FWP are proposing to improve over-winter habitat for grayling in Upper Red Rock Lake, which will ensure long-term, self-sustaining persistence of grayling.

The proposed action, which includes installing a pipeline from Shambow Pond to Upper Red Rock Lake, would increase dissolved oxygen levels in deeper portions of the lake where grayling live during the winter. This will help improve grayling winter survival and maintain existing grayling genetic variation.

A draft environmental assessment was made available from Feb. 28 through March 28.

The decision notice can be found at [bit.ly/3MYC7Xk](https://bit.ly/3MYC7Xk). The environmental assessment and other supporting information can be found at [fws.gov/refuge/red-rock-lakes/library](https://fws.gov/refuge/red-rock-lakes/library).

## Lutz Earns CSC Academic All-District Honors

The 2022 Academic All-District Teams, selected by College Sports Communicators (formerly known as CoSIDA), recognize the nation's top student-athletes for their combined performances on the field and in the classroom. Luke Lutz has earned Academic All-District honors.

Lutz also earned his way on the All-Conference team this season after he finished the Men's 10,000m race with a time of 32:12.96 after the altitude conversion for a school record (as of 2017). This season, Lutz also competed in the Men's 5000m race, 1500m race, and the 800m race and earned NAIA Daktronics Scholar-Athlete honors.

Academic All-District honorees advance to the CSC Academic All-America® ballot. First-, second and third-team Academic All-America honorees will be announced June 28 (women) and June 29 (men).

To be nominated, the student-athlete must have completed at least one full calendar year at the school, must have a 3.5 GPA and higher at the completion of the year, and must be a starter or important reserve player on his/her current team. The athlete must have also played in at least 50 percent of the games/competing in 50 percent of events across the season.

## Travel back to Montana's past at the BLM's annual Garnet Day

The sights, sounds and smells of a 19th-century mining town will come back to life during this year's family-friendly Garnet Day June 17 from 10:30 a.m. to 3 p.m.

The annual event, which brings a bustle of activity to the now-dormant ghost town 40 miles east of Missoula, is hosted by the Bureau of Land Management and the Garnet Preservation Association.

This year, Montana pioneer impersonator Jennie Pak will give a presentation at 1 p.m., portraying Garnet resident Jennie Starr Adams telling tales about the town. Music throughout the day will be provided by the Mountain Meadowlarks.

Other activities on the day's schedule include a wool-spinning display, gold panning (fee charged), various old-fashioned games for children, and a pie auction. Other highlights for all ages are a watermelon-eating contest, free sarsaparilla and taffy. Lunch will also be available for purchase on site.

Visitors will be charged the standard usage fee of \$3; no admission is charged for those 15 and younger. Parking is very limited, so carpooling is recommended. Because of limited parking, you may have to walk farther than normal to get to the town's activities. For those needing assistance, a shuttle service will be provided from the main parking lot to the town's main street.

The day's events are designed to give families a fun, wild-west experience in one of Montana's most intact ghost towns. More than a century ago, Garnet was an active gold-mining town, but after a fire destroyed many of the buildings and as the gold became more difficult to mine, the once prosperous town slowly went into a deep sleep until its last full-time resident passed away in 1947.

To reach Garnet from Highway 200, turn south on the Garnet Range Road between mile markers 22 and 23 and travel about 11 miles to Garnet Ghost Town. Visitors using I-90 should take the Bearmouth or Drummond exit, then take the Frontage Road to Bear Gulch. Garnet is 10 miles north on Bear Gulch Road. This route is steep, narrow, and rough. It is not recommended for trailers or RVs.

For more information on the event, contact the BLM's Missoula Field Office at (406) 329-3914.
