Love I.N.C. Says Goodbye

It is with great sadness that Dillon Area Love I.N.C informs the community that it is closing its doors as an entity. Meeting the requirements of our affiliate relationship with Love INC National became unsustainable. Therefore, after much prayerful discernment, Dillon Area Love I.N.C felt compelled to close. Material ministries will continue to reside inside our local churches which are prepared to meet needs of food, linens, clothing, hygiene supplies, furniture, and more.

Love I.N.C has joyfully served this community since 2016 by offering a doorway of hope for those struggling to feel valued, heard, and supported. We sincerely thank all those who believed in its mission, allowed God to use their time and talents to serve, and all those who shared their generosity with Love I.N.C monetarily. Our work would not have been possible with the generosity of so many loyal donors! We also greatly thank the staff who served over the years, the many volunteers who gave countless hours to the mission, and board members who felt lead to serve. We will forever be changed by this community's investment in one another and God's work. God bless you all.

Alzheimer's Awareness Events

June 21st is The Longest Day- the day with the most light. Alpha Delta Kappa teacher sorority and Dillon Public Library have come together to fight the darkness of Alzheimer's with two free events. The first is a movie entitled "Of Mind and Music" to be shown upstairs at the Bank of Commerce on Friday, June 16th at 3 pm. The movie is 97 minutes long, and popcorn will be provided.

On Wednesday, June 21st, Terry Egan and Dan Doyle will give presentations at the Bank of Commerce from 5:30-7:30 pm. They provide geriatric education for Dementia Friendly Missoula. Also meet Sarah Tolman, our local volunteer for the Alzheimer's Foundation. Please join us for these free events for The Longest Day. Donations will be accepted for the Alzheimer's Association.

Mayors Report: Accept Christopher Feathers as Patrolman,
Discuss/Approve Police Union Contract and Discuss/Approve City
Workers Union Contract. All the above were unanimously approved
by the council.**Parking Evasion & Reckless Driving:** 2nd reading of the Parking
Evasion Ordinance #473 and 1st reading of Ordinance #474 Reckless
Driving. The council members, working with the City Attorney made
several changes to Ordinance #474. These ordinances impose stricter
regulations.**Resolution #1438** was accepted by council, for the annexation
& zoning of a tract of land owned by Eric Hinojosa, Miriam Mora-
Estrada and Raul Salazar located on Railroad Avenue.**Westside Addition Improvement Agreement:** City Attorney
Jones explained why the improvement agreement was on the agenda
for the council members to review. He summarized that the city had
certain obligations to complete the roads and in his legal opinion the
city will be financially liable for certain costs regarding the roads. He
added that Mr. Wendland is not asking for a check at this time, but
rather that this is something that Mr. Wendland will be approaching
the Street & Alley committee to move forward with and appropriate
and SID or TIF to finance the roads with tax dollars. Mr. Wendland
briefly reviewed the construction of the streets and stated that they are
complete and have handled this winter's precipitation well. He was
able to keep some of the costs down by sourcing some of the material
that was not required to meet guidelines or sub-base from this property.**Discuss/Approve Park Street Bid:** Park Street repairs will be
funded by county paying 2/3rd of cost and city paying 1/3rd of cost.
City's share will be \$37,440+/- The council unanimously approved.**Note:** Thanks to the mayor for sweeping streets last Friday and
will do the same on Friday.**BITTERROOT TRADING POST****J.D. Pape**

Missouri Headwaters Summer Speaker Series: Music from Buck Buchanan

Missouri Headwaters State Park will host a free program featuring Montana musician Buck Buchanan on Saturday, June 17, at 7 p.m.

The program will be behind the park office. There is no cost to Montana residents. An \$8 entrance fee applies at Montana state parks for all nonresident vehicles.

Visitors are encouraged to bring their own chair and bug spray. S'mores will be served afterward.

About the speaker

Buck Buchanan's love of music began at a very young age while growing up on a western Idaho cattle ranch. His appreciation of music, combined with his love of poetry, led him on the path to writing songs. In 1976, he moved to West Yellowstone to be part of a country rock band with his longtime friends. In 1980, he moved to Bozeman and was a science teacher for 22 years at Belgrade Middle School. His love for songwriting and playing music never ended, so in 1998, he and Johnny Regan founded the country band, www. Twang. Buck currently resides in Manhattan with his wife, Carol.

Missouri Headwaters State Park is about 5 miles north of Three Forks on Trident Road. For more information about the park, please visit fwp.mt.gov/stateparks/missouri-headwaters or call 406-285-3610.

Veteran's Corner. Update & 207

By Mike Lawson

Greeting to those of you who read my SW MT Veteran update articles. On Tuesday of last week, Butte experienced a historic deluge of rain/hail. In the first 20 minutes, 1.25 inches of rain dropped on us, according to the weather service, and in that hour it was over two inches. Many homes and businesses had water damage. That included myself across the Interstate on the East Ridge. We had a river of gravel/sand/rock go down through our yard. It washed some of the gravel of our driveway down to the bedrock. Some of this mix was two to three feet thick when the storm was over. I rented a tractor with a loader bucket and worked on clearing the blockage of this mix. I put some of it back from where it had washed away. Like many of you who experienced this, it takes a lot of work and time to restore and make better the damage we experienced. Adapt and overcome, as we learned in the military, is the path we have before us.

What a wet June month we're having. My lawn never looked better and the need to mow it every week is a must.

Veteran News:

- I received a call from a mother of a retired 23 year Navy Veteran who passed away in Pennsylvania today. She wanted him to have a military funeral but couldn't find his DD-214 (Discharge Document). I gave her our local Veteran Representative Saajid Muhammad's number to call here in Butte. He will help and get her this document. Any of these type of issues you the Veteran are concerned about, go see your local State Veteran's Representative.
- I read an article about 7 Things You Didn't Know About Burial Benefits (aarp.org). As we get older this is an issue we as Veterans and our families get very concerned about. I'll list the 7 things and you can inquire further with the VA or go to this AARP newsletter.
 1. Burial benefits are not just for combat veterans. Most veterans who didn't receive a dishonorable discharge are eligible for a burial benefit.
 2. Burial benefits are not limited to military cemeteries. The VA provides a standard issue headstone or marker to any veteran who wishes to be buried in a private cemetery.
 3. Arrangements can be made in advance. *Determine eligibility, *Choose a VA national cemetery (State Cemeteries such as Ft

4. Advanced planning isn't required. If a veteran dies unexpectedly and hasn't filed their preneed eligibility, call the NCA at 800-535-1117. They will help and guide you through the process.
5. Some families are eligible for expense reimbursements. Check this out as depending on the veteran's service history and where a veteran is buried, the VA may pay a burial allowance. Other benefits could also be given.
6. Veteran cemetery burials include a memorial web page. Family members can visit this unique web page of any veteran buried in a national, state, territorial or tribal cemetery and post photos, documents or memories in what is called the Veteran Legacy Memorial.
7. Burial benefits are underutilized. In fiscal year 2020, 58% of veterans did not receive any burial benefit and could have if they would have applied.

(Note) Up until the Civil War, soldiers were often buried where they fell on the battlefield. A practice that President Lincoln said was no way to treat those who had "borne the battle." In 1862, Congress authorized the purchase of land for the countries first 14 veteran cemeteries.

Today, there are 155 national military cemeteries and 119 more state, territory or tribal-operated cemeteries.

Our local Honor Guards in SW MT, with warmer spring/summer weather, have continued to do ceremonies for our veteran brothers and sisters. They also post flags for special events and feel privileged in being able to do this for our communities and brother/sister veterans. "To serve" is our motto from the day we joined the military until the day we pass from this world.

In bringing this to a close, remember the homeless and those without. Compassion can go a long way and if given the opportunity, you might help that person in need, you meet, with a smile and a helping hand.

Until next time, take care.

Send Montana Fish, Wildlife & Parks your best fishing photo and art

Going fishing soon? Don't forget your camera. Montana Fish, Wildlife & Parks wants to feature your fun on the next fishing regulations booklet. Winners will see their work on the front and back cover of the 2024 fishing regulation booklet.

Think beyond the brag board. We're looking for unique or unusual photos, perhaps a state record fish or a fish never previously seen on the cover. Help FWP show what diverse fish can be found in Montana.

Photo contest:

- Photo must be vertical (portrait) mode, or suitable for tight vertical cropping to fit the available space on the regs cover.
- Photo must be a minimum resolution and size of 6 inches tall at 300 pixels-per-inch.
- FWP will feature your name on the front cover as credit. Please specify how you would like to be credited.
- Please include a short description of the photo, so we can provide some caption information.
- Ownership of the photo is retained by the photographer, who may use his/her image for other purposes.
- Please do not send photos of fish that have been mounted.
- Photo must be taken in Montana.

Art contest

- Kids 12 and younger are invited to submit a colored drawing of a fish that lives in Montana.
- Please send in your best photo and drawing today! Email to fwpphotocontest@mt.gov. Deadline is Oct. 15.

Winners will receive their photo on the cover, a subscription to Montana Outdoors Magazine and a Montana Outdoors t-shirt. Go fish!
