RATPOD

RATPOD is upon us again in Dillon, with festivities and check-in starting on June 23rd and the Ride starting early in the morning on June 24th.

Many of you may have heard of RATPOD, but don't know what it is. It really isn't just a big group of cyclers on the roads, and in your way. These cyclers are here for a great cause and raising money for those affected by cancer.

RATPOD (Ride Around The Pioneers in One Day) is a one-day cycling event to benefit Camp Mak-A-Dream, a cost-free, medically supervised camp in Western Montana that serves children, teens and adults whose lives have been affected by cancer. 2023 is the 22nd year of the ride and over its course as raised nearly \$6 million for Camp, raising an average of \$350k each year.

This year, there will be over 250 riders, who sign up early and fundraise a minimum of \$100 for their entrance into either the long road ride over the Pioneer Scenic Byway or the shorter gravel ride. The Short partial gravel route is about 65 miles long in total; up HWY 91N, across Hogsback Rd, out to 41N and then back across Notch Bottom and back to town on the old Hwy.

The Long road route takes cyclists 127 miles total up Hwy 278 to the Pioneer Scenic Byway, north to Wise River, over to Divide, south through Melrose and Glen, then back to Dillon on the old highway.

Both rides will be going on at the same time, with over 100 people coming from all over the United States to support the ride. Many of our local neighbors help with the water and food stops, motorcyclers and HAM radio operators volunteer along the route making sure cyclers are safe, medical staff provide vital medical services if needed, and bike mechanics are all cruising through with their SAG wagons to help fix popped tires, broken brackets and clips. So many locals and people from across the country have fundraised and ridden in past years and will continue to do so in future rides.

Weather can be amazing, or brutal (sometimes both in the same day). The wind has been both a blessing and a curse over the years. None of that stops cyclists from coming to Dillon with their families and friends to hang out, enjoy the town, and ride to raise money for Camp Mak-A-Dream.

THANK YOU

Dear citizens and business owners of BVHD County,
we would like to say thank you for helping us send 2 of
our senior members to Washington DC for the citizens
Washington Focus trip.

During this trip they were able to see monuments,
memorials and landmarks. They visited the hart building
where they met our state senators, Steve Daines and Jon
Tester and asked questions. They learned a lot in workshops
based on leadership and citizenship as well as determining if
news is fake or factual.

Thank you for giving them this amazing opportunity by
aiding us in our fund raising endeavours and helping them
experience new things. The tools they learned on this trip
will continue to be used and taught to their fellow members.

On behalf of Sagebrush and Snowdrifts 4-H Club, thank
you for supporting 4-H.

Missouri Headwaters State Park to host presentation on firearms of the Montana frontier

On Saturday, June 24, Kevin Underwood will give a presentation about the history and evolution of firearm technology in Montana through the 19th Century. The presentation begins at 7 p.m. at Missouri Headwaters State Park.

Underwood completed a rigorous three-year gunsmithing school at Yavapai College in Arizona. For the past nine years, he has been gunsmithing, specializing in 19th Century arms, and is a member of the Montana Historical Gunmakers Guild. For the past 15 years, his favorite pastime has been competing in historically based shooting events and living history encampments. Underwood has been an advisor on TV shows and currently in the process of starting his own gunsmithing shop in Three Forks.

The park is located at 1585 Trident Road in Three Forks. The presentation is free for Montana residents and \$8 for all out-of-state vehicles. Camp chairs and bug spray are encouraged. S'mores will be provided. For more information call the park at 406-285-3610 or email alice.southworth@mt.gov.

Grand Opening at the Museum: Ride the Rails
 The Friends of the Museum in conjunction with the Beaverhead County Museum is sponsoring the Grand Opening of the latest Museum Exhibit, Ride the Rails into Montana, on Friday evening June 30. Doors will open at 5:30 and the program begins at 6:00 with a presentation by Thornton Waite, railroad historian, who will tell us about the Union Pacific entry into Montana as well as stories about the Gilmore and Pittsburg railroad from Armstead to Gilmore, Idaho. Mr. Waite has written several entertaining books about various railroads in the area. John Breen will tell us stories of the Elkhorn Railroad in Beaverhead County.

There will be appetizers and wine served after the presentation on the back patio of the Depot and hopefully lots of visiting. The event is free, and we ask that you pick up tickets at the Museum, Womacks, the Tribune and High Peaks Credit Union. There are 110 seats available so you may want to pick up your tickets soon.

Sign-up for surplus drawing licenses and permits

Starting today, hunters can sign up for leftover licenses and permits that were not distributed by the drawing through MyFWP on the FWP website. The resulting Surplus License List will be randomized with hunters at the top of the list contacted via email with instructions to finalize their purchase within a specified time.

To be placed on the Surplus License List, resident and nonresident hunters can sign up through the MyFWP portal. This process requires hunters to keep their email address current in their ALS record. Payment of the license fee is not required to sign up on the Surplus License List. Obtaining a license from this list has no effect on your existing preference points.

Hunters must finalize the purchase of the license/permit within the timeframe specified in the email, otherwise, your opportunity will be offered to the next hunter on the randomized list. FWP may offer opportunities that have not sold out through the Surplus License List to over-the-counter customers at our internal and external license sale providers.

The timeframes to sign up for the various are as follows:
Deer & Elk Permits, Deer B & Elk B License: June 20 – July 20. Antelope, Antelope B, Crane, Special Mountain Lion: August 9– Aug. 23

Nonresidents who hold a NR Native License, Youth Combo License, or NR College Student Combination License may purchase Deer B and Elk B licenses at half price.

For more information, contact the FWP licensing office at 406-444-2950 or fwplc@mt.gov.

Help support Beaverhead County 4-H

This week is Bake Days to support Beaverhead County 4-H Council.
Great Harvest has so many delicious goodies to offer!

4-H is America's largest youth development organization that works to empower young people with the skills to lead for a lifetime. Beaverhead 4-H makes an impact by providing opportunities to our youth to "learn by doing" using hands-on, educational projects, club meetings, community service projects, and more so participants of all ages can work toward attaining life skills. Beaverhead County 4-H operates strictly on funds donated to the organization or raised by members. We plan to use the proceeds to fund needs within the 4-H building to make the space more functional allowing it to remain a viable resource to the community. Additional tables and chairs are needed as our building size has increased, installation of acoustic materials to minimize echoes and audio equipment to provide a better experience for those using the building would help reach our goals for providing a safe space for our 4-H members and community.

Please join us June 21, 22 and 23 from 7 am to 2 pm each day to enjoy some fresh breads and treats while helping an organization that means so much to this community.

Hope to see you there!
