Mark B Huffaker

1953 - 2023

Mark B Huffaker, loving husband, son, brother, father, and grandfather, passed away on June 27th, at age 69, of AML Leukemia. He passed peacefully in his home, surrounded by his wife, Christine, sister-in-law, children, grandchildren, and cat, Buddy.

Born July 26th, 1953, in Midway to parents Calvin Grant Huffaker and Georgia Mae Huffaker, Mark grew up in Midway, Utah, until he was 4 years

old when his family moved to Dillon, Montana. There, Mark grew up as a hard-working and athletic child; he eventually earned a brown belt in Karate and won a State Championship in wrestling for Beaverhead County Highschool.

Mark was a hard worker dedicated to spreading joy and service to everyone he came in contact with. He always put others above himself, jumping at the opportunity to serve his friends, family, and neighbors whenever he had the chance.

At his business, Mark's Maintenance and Installation, he prioritized maintaining fair and exceptional business practices. As a father, Mark ensured his children always had what they needed; he taught them how to be hard-working and kind. Mark instilled his love for camping and travel in all his children.

Mark's jovial and gentle spirit sparked joy in the hearts of those

lucky to meet him. He could always be counted on to make those around him laugh, even until the very end.

A devoted member of the Church of Jesus Christ of Latter-Day Saints, Mark served his mission in London, England, where he formed a testimony that remained unwavering throughout his life. During his life, Mark served in countless callings, including roles in the Bishopric, but his most cherished callings were those with the youth, where he could share his love of the gospel with the children and young men and women in their church.

Mark is survived by his loving wife Christine, children Christopher, Nick (Shauna), Tyeson (Adriana), Celeste (Mike), Amber, and Tara; and Grandchildren Nia, Katrina, Hallie, Kylee, Maddi, and Easton.

Funeral Services will be held Saturday, July 1st, at 12 pm noon at Hidden Oaks Ward House: 11755 S Highland Drive, Sandy, UT. No viewing or graveside services will be held.

UPDATE ON PLANT FOUND

Jeremy Crawford, Southwestern Montana News

The mayor came forth and admitted the plant was his. Apparently he brought it to City Hall after someone stated he couldn't grow one. In his own words "I just forgot about it."

Dillon Police Department received a very unusual call on June 20 for a plant found above City Hall. As the Dillon Jaycees were preparing the upstairs for the new meeting space, they came across a Marijuana plant in the upstairs of City Hall.

According to the Dillon Police Department press release on June 20, the Dillon Police received a complaint about a marijuana plant growing in the ballroom located upstairs at City Hall.

Dillon Police requested assistance from the Department of Criminal Investigations. The case is under investigation to determine if any criminal charges will be pursued.

It is legal in Montana to have a marijuana plant for personal use, but what about the legal issues on growing marijuana on property owned by the city? This is a developing story and we will have more information as it becomes available.

FWP seeks comment on draft of elk management plan

Elk hunters interested in how Montana Fish, Wildlife & Parks manages elk will get a chance to weigh in on the new draft elk management plan.

The plan will be available on FWP's website at fwp.mt.gov/aboutfwp/public-comment-opportunities/draft-elk-plan. The public is invited to comment on the plan; deadline for comments is July 31.

The plan was crafted after expansive public outreach last summer and fall when FWP staff met with the public, landowners, hunters and others at nearly 50 meetings around the state.

With the new draft elk plan, FWP aims to balance habitat capacity, landowner tolerance and elk hunter feedback on their desired hunting experience in crafting population goals for each hunting district. Elk goals look at population numbers, as well as bull-to-cow ratios as a way of meeting this balance.

In the past, population sizes have dominated Montana's elk conversations. This draft plan includes changes to population goals including proposed increases and focuses on populations ranges and other aspects of herd dynamics, like bull-to-cow ratios. Now is the time for stakeholders to let FWP know what they think of this and other details of the draft plan.

The plan also lays out a suite of management tools for FWP and the circumstance under which they'd be used depending on population. The idea would be to match elk population status and herd make-up (bull-to-cow ratios) with the prescribed tools to reach goals. For example, hunting districts that have low bull-to-cow ratios, but with populations in objective, might see a leveling out of elk B licenses, but a decrease in either-sex opportunity to increase bull numbers.

To see the draft elk plan, including hunting district specific objectives, please click here. People who would like to comment can do so online at this link.

A draft environmental assessment (EA) for the draft elk plan will be released for public comment in about a week. With the draft EA, the public should look to comment on the environmental impacts of the draft plan.

Veteran's Corner Update #209
 By Mike Lawson

Last Friday I presided at a WWII Veteran's Funeral. Wade Smith was born in 1928 and was an active Veteran serving in many Veteran leadership roles for many decades in Butte and Pony, MT, as well as the State of Montana. One of the most important roles he had was being the Commander of the SW MT United Veteran's Honor Guard. Under his decades on this watch, hundreds of Veterans were honored with this final Veteran Ceremony before being buried. Today it was Wade's turn.

- "The Wall that Heals", a three quarter scale replica of the Vietnam Veterans Memorial in Washington D.C, arrived in Kalispell and was on display for three days. The Marine Corps League in Butte has applied to have it in Butte in 2024. MCL member Michael Taapkin has done the footwork and now waiting to see if we get it. Thirty-two cities are chosen to host this exhibit every year.
- Dillon Veterans: Averaging about one veteran funeral per week. The American Legion does a bicycle summer camp near Wisdom every summer and does not meet during the summer. The VFW does meet at the Legion Hall on the 2nd Wednesday at 1900.
- Deer Lodge Veterans: Larry Spangburg and Tom Lang are going on the Honor Flight to Washington DC for Viet Nam Veterans. Larry said he went on line for honor flights and signed up. The American Legion is really taken off in that having new members they have started a Woman's American Legion Aux., a "Sons of the American Legion", and a "Legion Riders" chapter. The new Post Commander is Ed Stefalo. The Veteran's Pantry has been very successful with moving a lot of food to veterans in need. The VFW is holding on with the former Chief of Police Gary Bender being the Commander.
- Butte Veterans: With Butte being the most populated city in our part of SW MT, there are naturally more resident veterans living there. There are five Veteran Organizations that are located in Butte, which are the American Legion, the VFW, the DAV, the Marine Corps League and the SW MT Veteran's Council. The 4th of July Parade will see all of these Veteran Organizations and they will have members leading the parade with some vets marching, with the trolley car providing a ride for veterans and their wives who are handicapped. The Marine Corps League will have a "Toys For Tots" float entered. Many actives throughout the summer will take place in our community.

Recently it was encouraging to see both our Montana Senators supporting, on an unprecedented bipartisan front, the joint introduction of the Fort Belknap Indian Community Water Rights Settlement Act of 2023. Hopefully for the good of us all more of these joint efforts will continue.

Emergency closure on Yellowstone River in Stillwater County

*Unsafe river conditions following recent bridge collapse
and train derailment*

Montana Fish, Wildlife & Parks has implemented an emergency closure on portions of the Yellowstone River between Reed Point and Columbus following a partial bridge collapse and train derailment on June 24, 2023.

The Yellowstone River is closed to all public access 1 mile upstream and 2.5 miles downstream of the Twin Bridges Road railroad bridge in Stillwater County until further notice.

Debris from the Twin Bridges Road railroad bridge partial collapse and train derailment into the Yellowstone River has rendered this stretch of river unsafe for boating, floating and shoreline use. Clean-up and reconstruction in the area will also create hazardous conditions for the public. Signs informing the public of the closure will be posted at access points.

The closure of this portion of the Yellowstone River will remain in effect until FWP determines the river is safe for passage and human use.

River and access site closures are subject to change based on condition assessments and needs of emergency response agencies, including FWP.

For the full notice of adoption of the emergency rule, visit <https://fwp.mt.gov/public-notices/news/2023/jun/0627-yellowstone-river-near-twin-bridges-railroad-bridge-emergency-closure>

What fishing access sites are open?

All Yellowstone River fishing access sites are open in the area. For non-motorized boaters and floaters, Indian Fort Fishing Access Site (FAS) is the last public takeout before the closure.

Holmgren FAS, downstream of the closure, is open for boating and floating. Those traveling upstream from Holmgren FAS need to stay cognizant of the closure boundary.

Fishing access sites on the Stillwater River are open to public access, although Swinging Bridge FAS remains closed for construction.
