Shelia Hardin

Shelia Hardin died on July 5, 2023 in Bailey Colorado, after a long difficult struggle with ALS. She was lovingly cared for by her devoted husband Kyle and her family. Shelia loved all her family Daughters Anna Omsberg (Nathan), Laura Velasco, Stacey Ledger (Aaron) and her very special Grandchildren, who were her delight, Bridger, Kylee and Jack, Her Sisters Teresa, Cathy, Jeanette, Darlene and two brothers Larry and Dennis.

Kyle and Shelia were long time residents of Dillon, where Kyle was the former manager of the Matador Ranch. They attended Dillon Vineyard church and Kyle was on the worship band.

Shelia was the kindest most caring woman, who if she noticed anyone in need or suffering, would do anything possible to help them. Because her early life had been difficult she especially had a heart for children and students. She loved filling shoeboxes for Operation Christmas Child.

If she saw someone needed shoes, she would have their shoe size and find some for them asap.

Meals would arrive if someone was sick or groceries at doorsteps would appear if she heard of any problems. Her kindnesses will always be remembered. As her condition worsened she was confined to bed but her prayers and concerns for others continued up to her dying day. She truly lived what she believed and knew her future hope with God was secure.

There will be a celebration of her life is the future but no date has been selected as of yet.

very popular amongst friends and family, loved sports and even dabbled in creating art which included throwing pottery. Russ graduated high school in June of 1978, gaining a full ride scholarship to Carroll College before being diagnosed with Fredreich's Ataxia and transitioning to the University of Montana where he enrolled in the Skaggs School of Pharmacy. He graduated from pharmacy school in 1985.

Russ met the love of his life, Paula Jean Kolar of Dillon, during his attendance at U of M later marrying on September 14,1985 at the Saint Rose Catholic Church located in Dillon. The couple then moved to New Mexico where Russ began his career in pharmacy and welcomed four of his five children. While there, he supported Paula in her endeavor to attend college, also choosing a career in pharmacy while raising their young children. Eventually accepting a pharmacy position in Montana, the family returned where they settled in the Bitterroot Valley and welcomed their fifth and final child. Russ raised his children in Florence, MT where he enjoyed watching them grow, going to their sporting events and teaching them all about the importance of family and good work ethics. His kids would argue whether the frequent landscaping chores were the best way to instill work ethic. As his disability continued to progress, Russ transitioned to a part-time pharmacy position at Florence Pharmacy, working there until he retired in 2015. At this job he produced many lifelong friendships, and he thoroughly enjoyed every second of it.

Some of Russ's favorite activities were watching the University of Montana Grizzlies, High School Sports of all kinds, fishing, hunting, and spending Labor Day Weekend in Dillon with friends and family. All who knew him loved him for his sense humor, intelligence, big heart and even sometimes.... his stubbornness. Regardless of the adversity he faced because of his illness, Russ made the most of his life in the best that he knew how.

Russ is preceded in death by his sister Mary Lynn Fisk, his father Russell J. Fisk, his father-in law Bennett Owen and mother-in-law Christine Kolar. He is survived by his wife Paula Fisk; sons, Russell Paul Fisk (Paige), Shaun Fisk, Taylor Fisk, Tanner

HAYSTACK ON FIRE

Jeremy Crawford, Southwestern Montana News

Smoke from a haystack fire may be visible Northeast of Dillon for the next week. Speaking with Fire Chief B.J. Klose they are unsure what started the haystack on fire. The hay was freshly baled and was not compressed enough to ignite on its own. As of now the way to deal with the fire is to let it burn itself out as it is in an open field with no structures nearby. The fire is a few miles down the Stone Creek Road.

Veteran's Corner Update #211

By Mike Lawson

Greetings to those of you who read my SW MT Veteran update articles. The week continues to see advents happening with the well known "Butte Folk Festival" happening from July 14th thru the 16th. This is a big week-end in Butte, with an anticipated attendance of 150, 000 people. The music venue is incredible. If you get a chance, be sure and attend this North American acclaimed music event. It is free and a lot of fun.

Veteran Update News:

- Governor Greg Gianforte had a busy day on this Wednesday. He presented Veteran Commendation Awards to three Veterans in Dillon and two Veterans in Butte, for their contributions to their communities following their service in the military. This presentation in Dillon honored Dick Jackson, Bob Bump, and Charles Thompson. In Butte, Dick McLeod and Jerry Powers were honored at the Marine "Hooch" Building. These Veterans are well deserving and continue to serve by donating their time, efforts and many times their resources. Hand Salute to each of them.
- I talked with Construction Superintendent Mike Ascheman concerning the Covered Walkway Connector building being built between Cottage Cottages #4 & #5. He gave me a three week look ahead on the sub-contractors finishing their particular construction aspects of this project. It can be somewhat fluid but it is getting very close to being completed. At the end of three weeks, Contractors AP Painting should be done with the wall and door painting. S&H should have the soffit/siding completed. Hoffman should have the fire lane prep completed. MIC is expected have drywall installed followed by acoustical ceiling grid and borders being installed. Once the painting is completed, Elkhorn Electric should have their trim out completed. Merit should have the ductwork in the tower and mechanical room installed and the trim out completed. The door hardware hook-up should than be finished. Becker Landscaping will install geo block in the fire lane once Hoffman has wrapped up. This might work into the beginning of August. The bottom line is it's getting close to being done and hopefully things will fall into line as to the anticipated schedule. The news concerning the new Walkway Connectors between Cottages #1 &#2 and Cottages #3 & #4 is encouraging. I visited with Markovich Construction owner, Cory Markovich, who after negotiation with the state and their own subcontractors, expect to begin construction on these units at the end of August. Let's Hope!
- Good news on our VA Medical CBOC by Three Bears. The additional construction of the unfinished north end of this building, to facilitate added Veteran medical treatment options, has been given the

go-ahead. Wayne Paffhausen the building owner/contractor has the Plumber sub-contractor started and the electricians, cement contractors, etc., will soon follow. For additional Veteran treatment like Physical Therapy, etc., this is a big win for the SW MT Veterans who get their Primary Care at this CBOC.

- In the DAV Van world of SW MT, our drivers drive our area Veterans to their Medical Appointments in Butte, Missoula, Bozeman, Billings, Kalispell, and FT Harrison in Helena. It sounds impressive and it is, considering all the drivers are volunteers and consider helping our brother/sister Veterans get to their medical appointments, as an honor. Our Vans get a lot of miles put on them every year and are well maintained. Most of the miles are highway miles. The DAV is in the process of converting all the bigger nine passenger vans to the smaller ford Explorer Ford five passenger vans. In our local areas when we take a van out of service we fundraise to get enough money to pay half the price of a new van, which is then matched by Ford Motor Company Inc.. This is a good gesture on their part. We have two F350 nine passenger vans that have been taken out of service, that we now have for sale. The money we make from them will be used to help pay for two new Ford Explorer five passenger vans. That being said these vans we are selling are as follows: Van #1— 2009- Ford Van F350, 9 passenger, 156,937 miles (mostly highway), Bluebook $10,200.00. Van #2 —2013 - Ford Van F350, 9 passenger, 90,000 miles (mostly highway), Bluebook — $18,263. Mike Tillo Graphics is in the process of removing the DAV decals. If it is something you or someone you know, would be interested in buying, please give me a call at 406-560-3591.

Warm water, low flows prompt hoot-owl fishing restrictions on Sun, Madison rivers

Montana Fish, Wildlife & Parks is advising anglers that portions of the Sun and lower Madison rivers will close to all fishing daily from 2 p.m. to midnight, beginning Wednesday, July 12. The restrictions will stay in effect until conditions improve.

The hoot-owl restrictions are issued for:

Sun River – from the Highway 287 Bridge to the mouth of Muddy Creek.

Madison River – from Warm Springs Boat Launch to the confluence with the Jefferson River.

If high temperatures and extremely low flows persist, anglers may want to consider fishing areas with less stressful temperatures and conditions, such as larger lakes or reservoirs, or higher elevation waterbodies.
