Women's Resource Center Appoints New Executive Director and Programs Manager

The Board for the Women's Resource Center (WRC), a nonprofit advocacy service for victims of domestic and sexual violence located in Dillon, Montana, recently appointed Rebecca Knotts as Executive Director and Monique Schofield as Programs Manager.

"Monique and I are excited and prepared to coordinate the WRC's community-based program of quality, compassionate services that encourage healing, self-respect and independence for clients experiencing intimate partner or sexual violence," said Rebecca Knotts. "We are ready to receive walk-ins, conduct appointments, handle crisis situations and collaborate with a wide resource network to find clients support and safety."

Rebecca Knotts will provide overall leadership and management of the WRC, working with community groups, health providers, law enforcement and donors to create meaningful partnerships and expand services in Beaverhead and Madison County. Knotts owned and operated Wildwood Floral Creations for 10 years, and previously served as a Visiting Assistant Professor of English at the University of Montana Western. Monique served as the Safety and Emergency Management Officer at the University of Montana Western for the past two years. She will lead the WRC's advocacy team, as well as guide community outreach through education, awareness and prevention programming.

"We are grateful for the contributions made by former Executive Director, Dan Cahill, who recently retired; former Programs Manager, Haley Hickock, who expanded her private therapy practice, Stoic Minds in Dillon, MT; and former Operations Manager Ben Sagaloff, who launched his own small business Two Grandpas' Landscaping," said Knotts.

WRC Board of Directors Chairperson Megan Chilson agreed and added, "We feel lucky to have Rebecca and Monique join our staff. We look forward to keeping the Women's Resource Center active, effective and engaged in our community."

Since 1977, the Women's Resource Center's mission has been to address domestic and sexual violence and its impact on the community. The office is located at 236 E. Reeder in Dillon, and open Monday through Friday from 9:00 a.m. to 5:00 p.m. For 24-hour support services, clients can call the National Domestic Violence Hotline at 1-800-799-7233 or National Sexual Violence Hotline at 1-800-656-4673.

For more information regarding WRC services, volunteer opportunities, and donation needs, visit www.wrcmt.org or call (406) 683-6106. Follow the Women's Resource Center Facebook page for updates on current events and programming.

Zitzer Resigns As Bulldogs Head Cross Country and Track and Field Coach

Montana Western Director of Athletics Michael Feuling has announced that Dylan Zitzer has decided to step down from his position as head cross country and track and field coach. Zitzer recently completed his eighth season at the helm of the Bulldogs program.

"I want to thank Dylan for his efforts and successes during his time at UMW. He and his wife Kelsie put a lot of work into the program and impacted several student-athletes. Their work has laid the foundation for cross country and track to have a bright and competitive future for many years to come at UMW." Michael Feuling said.

During Zitzer's tenure, he coached 29 national qualifiers in cross country, two qualifiers in indoor track, and five qualifiers in outdoor track. He has coached three cross country All-Americans, one in outdoor track, and numerous all-conference selections.

A national search is currently taking place to find the next Cross Country/Track and Field Coach.

**Barrett Hospital & HealthCare Launches
Hybrid Hospitalist Coverage**

Barrett Hospital & HealthCare announced that it will launch a hybrid nocturnal (7 pm–7 am) teleHospitalist care program on September 1, 2023, in partnership with Access TeleCare.

Barrett Hospital & HealthCare is committed to a hybrid patient-focused hospitalist care delivery model that provides the same level of quality and service to patients, integrates with medical staff and supports nursing staff. Barrett selected Access TeleCare because of its track record of providing high-quality care to hospitals that are similar in size and scope of services.

By utilizing cutting-edge telecommunication technology, Access TeleCare's teleHospitalists seamlessly collaborate and interact with Barrett Hospital & HealthCare's care teams at the patient's bedside. The program mimics in-person care, using clear live video and audio, so providers can easily diagnose the patient's symptoms around-the-clock for admission, discharge and for any necessary referrals for specialty care needs.

"Barrett's partnership with Access TeleCare is another example of our commitment to providing patients with high-quality advanced healthcare close to home," said Taylor Rose, Barrett Hospital & HealthCare's Chief Executive Officer. "Patients in rural areas like Beaverhead County often face significant barriers to accessing healthcare, such as scarce resources and limited availability of providers. This new hybrid hospitalist approach, with both remote and in-person care, will be more focused on each patient. The program also will allow our Internal Medicine physicians to return to a clinic setting. This will create more access to care that we know will be greatly appreciated by both patients and their families."

The role of technology has become crucial in improving healthcare delivery in rural areas. Responding to these challenges, Barrett Hospital & HealthCare began its virtual technology transformation years ago with the use of Telehealth. Since then, Barrett has been adopting additional virtual technology capabilities, bringing Telestroke, Telesleep, and Telepsychiatry services to Beaverhead County. The teleHospitalist

Missouri Headwaters Summer Speaker Series: Being bear aware

Missouri Headwaters State Park will host guest speaker Game Warden Sgt. Matt Wemple, who will answer some common questions on bear safety.

This week's program from the park's summer speaker series will focus on being bear aware, and answering questions such as, "How should I respond in a bear encounter?" and "When should I use my bear spray?"

The program will begin at 7 p.m. on Saturday, July 22, behind the park office. There is no cost to Montana residents. An \$8 entrance fee applies at Montana state parks for all nonresident vehicles.

Visitors are encouraged to bring their own chair and bug spray. S'mores will be served afterward.

About the speaker

Matt Wemple has been a game warden with Montana Fish, Wildlife & Parks since 2016. His job duties involve responding to conflict between people and bears, investigating wildlife attacks on people, and educating recreationists on how to conduct themselves and be safe in bear country.

Big Timber Bear Town Hall Meeting

Montana Fish, Wildlife & Parks is hosting a bear town hall meeting at the Big Timber Carnegie Library Community Meeting Room (314 McLeod St.) on Monday, July 24, from 7 to 9 p.m. The event is free and open to the public. Area landowners are encouraged to attend.

CVHS Annual Picnic

Centennial Valley Historical Society will have their annual picnic on Saturday, August 5, 2023 at the Taft-Nicholson Center in Lakeview. The time is 11:00 am to 3:00 pm.

Meat is furnished by Valley ranchers. Please bring a salad or dessert and enjoy the activities. The program will be on Birds by Jack Kirkley. There will be a silent auction and a pie auction. CVHS T-shirts, cookbooks and a 2024 bird calendar will be available. Payment by cash or check.

LEGISLATORS APPOINTED TO BEHAVIORAL HEALTH SYSTEM FOR FUTURE GENERATIONS COMMISSION

CONTACT: Katie Wenetta, House Majority Communications Director, 406-366-2916

A bill to provide \$300 Million in funding for a state 'behavioral health system for future generations' has taken its first step forward with legislators appointed to the commission and its first meeting scheduled.

"We have a lot of work to do, this is not a short term fix. This is a clean slate to build a system for future generations" said bill sponsor, Representative Bob Keenan (R- Bigfork), who went on to say he introduced HB 872 to, "totally rebuild the public mental health system and the developmental disability system in Montana."

Legislative members appointed to the commission are Representatives Michele Binkley (R-Hamilton), Mike Yakawich (R-Billings), Dave Fern (D-Whitefish), and Senators John Esp (R-Big Timber) and Ellie Boldman (D-Missoula).

The Commission also includes three members appointed by the governor and is staffed by the Department of Public Health and Human Services.

The Commission will have its first meeting on July 20th, 2023 beginning at 9:00 AM in Capitol room 472 and is available to stream online at leg.mt.gov.

Fire Along Highway
Jeremy Crawford, Southwestern Montana News
 Firefighters were called out to I-15 near Mile Marker 49 for a fire near the highway. The call came in around 3:30 pm Sunday afternoon. The fire had spread to approximately 3 acres before they extinguished it around 6 pm the same day.

As of now they do not know the cause of the fire, though they did find pieces of tire near its starting point. This is a reminder with our wet spring and early summer that the grass is tall and drying out fast, making for perfect fire conditions.
