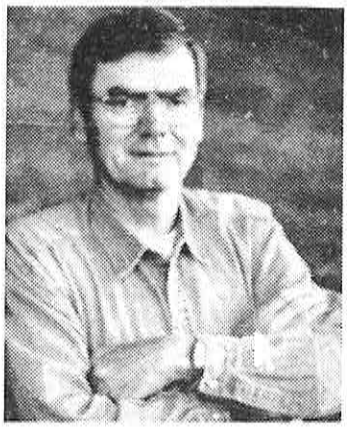
Bernard "Bernie" Lyle Jones



Bernard "Bernie" Lyle Jones passed away July 23rd, 2023 following a 3½ year battle with pancreatic cancer. Bernie was born to William and Theresa Anne Immel Jones on March 21, 1939 at McAllister, MT. He spent his childhood exploring the mountains of Beaver Creek hunting, fishing and logging with his twin, Tom, and three older brothers. Following graduation from Ennis High School in 1957, Bernie worked for the Forest Service to put himself through college at Western Montana College of Education. It was here that he met his wife, Ginny Wood. They were married June 13, 1965.

While in college, identical twins, Bernie and Tom, ran the chairlift on Maverick (Rainey) Mountain, one at the top and the other at the bottom. Skiers were puzzled that the same person could beat them to the bottom.

Bernie was a U.S. Customs Agent for 35 years, moving his family to Sweetgrass, MT, where he worked as Port Senior Supervisor for 25 years. Following retirement, Bernie spent 30 years in the Dearborn area, along the Missouri River, where he built a home. Throughout his life, Bernie was an active Amateur Radio operator visiting with his twin brother almost every morning.

Bernie is survived by Ginny, his wife of 58 years, son Bryan, daughter Desta, grandson Seth all of Great Falls and twin brother Tom (Donna) Jones of Dillon, MT.

The funeral will be held at Sacred Heart Catholic Church in Cascade, MT on August 8th at 11:am with a lunch to follow.

Anthony Wall

Anthony Curtis Wall, the son of Anthony and Phyllis Wall of Belt, passed away in his sleep on July 23, 2023 in Dillon.

Services for Anthony will be on Friday the 4th of August at 11am at the Belt Community Church. A celebration of Life will be held at Belt High School, date to be determined.

Lois Hammer Thank You

The family of Lois Hammer is so grateful for the support, prayers, cards, memorial gifts, and condolences in Lois's memory over the past few months. Special appreciation to the First Presbyterian Church community and Beehive Assisted Living for providing her a caring home and community in her later years.

Thank you.

Laurie Lee Pyle

Laurie Lee Pyle completed her race and went home with Jesus her Lord and Savior July 19, 2023. Laurie is survived by her mother, Mary (Nicholson, Flower) Pyle, her best friends Tanya (Rose) Curtis and Holly Randoll, and her Godson, Nickolas Deckert. She was preceded in death by her father, William Flower, and close friend Virginia Munez.

Laurie was born in Susanville, CA, to Mary and William Flower. She moved to Milwaukie, OR during her elementary years, and graduated from Milwaukie High School in 1983, followed by attendance at Portland State University and the University of Oregon with degrees in Special Education. She spent many years enriching the lives of people with disabilities at Albertina Kerr Centers and Edwards Center, and through private tutoring of students with special needs. She was active in church ministry throughout her life, particularly at Tigard Foursquare Church, and City of Refuge in Portland, OR. In 2021 she moved to Montana, living in Sheridan and Dillon.

Laurie taught others to treasure the things truly important in life: Faith, family, relationships, dogs, and COFFEE!!!! With these things in balance, she could conquer anything! Laurie loved adventure, seeing new places and experiencing new activities. Her name means "Victorious Spirit" and she lived up to it! She was very competitive by nature, with a dogged determination to prevail. Laurie sought to balance her competitive spirit with the peace of God. She often quoted Isaiah 26:3 "You will keep in perfect peace those whose minds are steadfast, because they trust in you." Laurie knew the power of peace, and learned to radiate God's peace to infuse the atmosphere around her.

Laurie was a true friend who sought to love others well, to recognize the gifting and talent in others and draw it out of them, and gave Jesus the glory for the victories in her life. She was a Special Education teacher, rock hound, dear friend, and Child of God.

Special thanks to Dr. John Madany and Stacy Regan, PT; the staff at Barrett Hospital, St. Patrick Hospital, and the rehabilitation team at Pioneer Care (Natalie, Charis, and Alison) who helped her so much over the past few months.

Alexa Welch Named Women's Basketball Assistant Coach

Head Women's Basketball Coach Britt Cooper has announced the hiring of UMW alumni Alexa Welch as the new Assistant Women's Basketball Coach. Welch joins the Bulldogs from Helena, Mont.

Welch previously served under Coach Lindsay Woolley and Coach Tony Nakashima as a student-coach during the NAIA National Championship run in 2018-19.

"I am beyond thankful for the opportunity to work alongside Coach Cooper and give back to the program that did so much for me." Welch said. "The times spent as a Lady Bulldog are some of my best memories, and I want to play a part in making sure these student-athletes get that and more out of their experience here."

Welch was a member of the Montana Western women's basketball program from 2014-2018, though playing only two seasons due to a redshirt season and an injury. Welch averaged 11.1 minutes per game, totaled 93 points and shot 32.3 percent from the field during her senior campaign. She was a member of the 2016-17 and 2017-18 Bulldog teams that saw deep runs in the NAIA National Tournament.

"I have known Coach Welch since my freshman year and was fortunate enough to be able to play with her for two seasons." Head Coach Britt Cooper said. "She knows what it takes to win and understands the culture that we want to continue to instill in our program."

Originally from Helena, Mont., Welch was a 2014 graduate of Capital High School where she averaged nine points, two steals, and 3.4 rebounds per game her senior year.

Wheatland County enters Stage 1 fire restrictions

Wheatland County entered Stage 1 fire restrictions last week. Montana Fish, Wildlife & Parks follows the county's lead in placing fire restrictions on its properties within the county.

Under Stage 1 restrictions, building, maintaining, attending or using a fire or campfire at FWP sites is not allowed. People also may not smoke except within an enclosed vehicle or building, a developed recreation site, or while stopped in an area at least three feet in diameter that is cleared of flammable materials. Recreationists may cook on a liquid petroleum gas or propane stove that can be turned on and off.

These restrictions at FWP sites will be in place until further notice. FWP urges people to use caution while they are out recreating due to dry conditions and fire dangers.

Q&A with Shawn Hayes: 7PM

Falconer Shawn Hayes leads a life of devotion — to both his falcons and the mountains and prairies beneath their wings. For Shawn, the ancient practice of falconry is more than a deep partnership with raptors, it's a lifeline. Through his skill and finesse with these birds of prey, he carved space for himself in a tradition that hasn't often been one for people of color. Shawn's role as an ambassador of American falconry has taken him to far reaches of the globe and into strongholds of the tradition and conservation. This film is about more than just what humans can teach birds but what those birds can give back.

Katrina Lewis — July 31

Building

This month, we gave a tour of our building to Governor Greg Gianforte. He is visiting all 56 Montana counties and we were selected to be one of his two stops at small businesses in Beaverhead County. Governor Gianforte was interested in what we've done and where we're headed. He even offered to come down for our future ribbon cutting!

Work is progressing with our architect. He's incredibly knowledgeable about renovating old buildings and the requirements that apply to us as a distillery. We're currently mapping out an efficient and up-to-code manufacturing space. Tasting room plans will follow.

Speaking of old buildings, it turns out that the warehouse appears on the Sanborn Fire Insurance Maps in 1912, meaning it was built sometime between then and 1905. This is earlier than the Montana Cadastral lists (it says 1920) but aligns with the artifacts Derek has been finding under the floors (see the 1913 Poor Tax receipt in our February newsletter). Here is a selection from a report we received from the Montana State Historic Preservation Office:

However, buildings are depicted on the parcel as early as 1884 according to Sanborn maps; the same buildings are on the 1888 Sanborn map as well, labeled as XXXX. By 1897, the previously depicted buildings are gone and a new building labeled "Chive Laundry" is located on the property. In 1905, the building remains but is no longer labeled as a laundry business. By 1912, a building has been constructed that takes over most of the parcel-it is labeled "hardware and implement warehouse". The warehouse remains through the 1940 Sanborn; by that time it is indicated on the map that at least part of the warehouse was used for feed and grain storage.
