Robert Norman McLeod, 87

Robert Norman McLeod, 87, of Bozeman, MT passed away surrounded by family on Friday, July 21, 2023.

Robert (aka Bob) touched the lives of many and was known by endearing nicknames, including "Governor," "Coach," and "Boom." He was affectionately referred to by his grandchildren as "Dad-Bob."

Bob was born on November 25, 1935, in Belt, MT to Albert and Norma (Nelson) McLeod. He attended Fairfield High School, where he went to Boys State his senior year and was elected governor. He was also selected to play in the Montana East-West Shrine game. Bob then went on to attend Western Montana College in Dillon on academic and athletic scholarships, where he played baseball, basketball and football, and was known as "Big Bad Bullet Bob."

June 1, 1958, Bob was drafted into the U.S. Army during the Eisenhower Peacetime Draft and stationed at the Ordnance Guided Missile School at Redstone Arsenal in Huntsville, AL. Shortly after, on August 31, he married Rita Mozer of Dupuyer.

After Bob left the military, he and Rita settled in Whitefish where he worked for many years at Whitefish High School (WHS) teaching biology, math, science, and driver education.

Bob loved his family and sports, and coaching and socializing. He also enjoyed a good joke and laughing. His students know this well. Bob touched countless lives of family, friends, and students, and he leaves behind a legacy that will forever be cherished by those who had the privilege of knowing him.

Bob was preceded in death by wife, Rita, his parents, and his sister, Karen Volkman and brother, Jim McLeod.

He is survived by his daughters, Sheri Rose (Frank), Sandi Cooper (Tim), and Julie Cowan (Ron). He is also survived by his son, Doug McLeod (Jennifer); brothers, Jack (Dawn) McLeod, Gene (Tena) McLeod; 7 grandchildren; and 3 great-grandchildren.

A celebration of Bob's Life will be held in the Spring of 2024 in Whitefish. Date to be announced.

In lieu of flowers, please consider donating in Bob's honor to the Whitefish Food Bank or your favorite charity, www.northvalleyfoodbank.org.

SSGT William "Bill" B. Francis

Bill was born Dec. 23, 1957 in California and received his final duty station orders July 8, 2023.

Memorial Service will be held in Dillon, MT on August 12, 2023 at 12:30 at the Veterans Memorial on Montana St. across from Big Sky Cinema. At his request, internment will be held in Angel Fire, New Mexico at a later date.

AIR QUALITY MONITORING FLAG

The Village Playspace has installed an air quality flag on the south side of the Mary Innes building. This flag is to create a visual to help the people of the community see the levels of particulate matter in the air.

The community is encouraged to watch for the flag daily in the fire season, especially for families with young kids. On the bad air quality days The Village Playspace wants to encourage children to play inside, or come to the playspace. The playspace will be handing out free passes to the playspace on August 9th for the community Just Serve day at a table at Jaycee Park. Stop by and get passes and keep an eye on the flag to help children stay safe.

Air Quality Monitoring

Wildfire smoke creates
tiny particles in
the air that can affect
your health.

Smoke can also cause problems for sensitive groups like children, pregnant women, and the elderly. Children breathe more air per pound of body weight, and their lungs are still developing.

- Check the air quality before you go outside
- Limit time outdoors on poor air quality days
- Keep windows and doors closed
- Check The Village Playspace Air Quality Flag!

So, How Important is the Fishing Industry in Beaverhead County?

News from the Beaverhead Chamber Newsletter Montana Fish Wildlife & Parks has begun fishing restrictions on the rivers in Beaverhead County and did you know that trout populations have declined from 2,000/mile to 500/mile? Now, MT FWP will engage in studies to understand why the fish numbers are declining so drastically in our streams.

Wade Fellin of Big Hole Lodge in Wise River has partnered with The New Fly Fisher and Orvis to draw attention to this issue and to determine the root cause of the fish decline and save our Wild Trout! Check out the video at www.savewildtrout.org

The fly fishing industry is a major economic driver for Beaverhead County, more needs to be done to help our local guides/outfitters during this historic decline!

Veteran's Corner. Update #214

By Mike Lawson

Greetings to those of you who read my SW MT Veteran update articles.

The SB County Fair was at the Original Mine Yard and from the sounds of it, was a great Fair.

The Civic Center will now be open for events that we the public can go see. The movie folks are in a quandary because of the Writer/Actors strike, so the County Commissioners released them from their contract of renting this facility. The road beside the Civic Center, going from Harrison Ave to Texas Ave, has been paved and it looks like it will soon be open. What a welcome change after two years of not having it.

The tourists are many who come through SW MT as can be seen by the traffic congestion we don't normally see. We who drive the DAV Vans need to pick-up our Veteran riders earlier than usual, due to the road work that has single lane traffic going for miles at a time. It's aggravating but we know this is critical in keeping our roads repaired/replaced/updated and it can only happen at this time of year because of our long winters. Patience

On the Veteran side of things:

- Our SW Montana Veteran's Home is seeing quite a bit of activity. The "Covered Walkway Connector" between Cottage #4 & #5, is scheduled to be turned over to the state in about 3 weeks after being inspected. The plan is for Markovich Construction to then begin working on the two new Walkways/Connectors between Cottages #1 & #2 and between Cottages #3 & #4. There will not be a walkway between Cottages #2 & #3 as a stone paved fire-lane access road has to go through there for firetruck access to the back of the Cottages. Another fire access road is being built by Hoffman Construction at the top of the property above and around Cottage #5 and Cottage #4. Becker Landscaping will then lay paving stones on top of the finished dirt road surface. Other improvements have also taken place with some added sidewalks and parking places.

- The VA CBOC, located across from Three Bears in Butte, is seeing construction in the inside of the north-end of this facility, taking place. In talking to the building owner Wayne Paffhausen, he said the plumbing has been inspected and passed. A small amount of wiring needs to be installed before the cement slab floor can be poured. He hopes to have it poured this week. The cement has to set/cure for a few days before the wall framing can take place. His target date is to have it finished and turned over to the VA at the end

of December. Physical Therapy and Audio services will be part of the added treatment for Veterans that will be located in this area. Things are looking up for SW MT Veteran's treatment options.

• Once again Montana is in the forefront of offering treatment to Montana veterans suffering from severe depression that has caused suicide more times than any of us want to think about. The Montana VA has a new TMS Mobile Medical Unit that is the first of it's kind in the US. The MMU is designed as a high-tech vehicle that will travel across Montana to treat rural veterans who are suffering from Major Depressive Disorder. The treatment is called TMS therapy and for patients who have not had much luck with antidepressant medication and/or psychotherapy, this can be a great option. With the advances in this treatment, results are being seen in five days compared to six to eight weeks in the past. Rural Veterans can get this cutting edge treatment in their home areas because of this being a mobile TMS medical unit. It's all about saving and improving veteran's lives. The TMS is a safe and non-invasive effective therapy. Electromagnetic fields are used to stimulate nerve cells in the brain to improve symptoms of depression. What a long way we have come in treating mental depression since the Viet Nam War Era, when they called it shell shock for combat veterans and didn't have the means to recognize or treat it. If you know or are a depressed Veteran, please contact the Montana VA who are at the forefront of this type of treatment. Information concerning the Montana TMS Program can be found at: <https://www.gov/montana-health-care/programs/transcranial-magnetic-stimulation-tms-treatment-for-depression/>

I'll close for now, take care until next time.
