Bureau of Land Management seeks nominations to Missouri Basin and Western Montana Resource Advisory Councils

The Bureau of Land Management is seeking public nominations for its Missouri Basin and Western Montana Resource Advisory Councils for existing and upcoming member vacancies.

All resource advisory councils consist of 15 citizens with diverse interests in public land management, including conservationists, ranchers, outdoor recreationists, state and local government officials, and energy industry representatives. The councils provide advice to the Bureau of Land Management on public land issues.

"We're looking for members who are passionate about their public lands and want to play a direct role in the development of public lands policy," said Bureau of Land Management Montana/Dakotas State Director Sonya Germann. "Diverse representation on our resource advisory councils helps us make well-informed decisions that represent the broad variety of public lands wants and needs of our constituencies."

The Bureau of Land Management, which manages more land than any other federal agency, works with resource advisory councils across the West. The diverse membership of each resource advisory council aims to achieve a balanced outlook that the Bureau of Land Management needs for its mission, which is to manage public lands for multiple uses and sustained yield.

Resource advisory councils are critical in assisting the Bureau of Land Management continue to be a good neighbor in communities served by the Bureau, providing advice and recommendations on issues including land use planning, fire management, off-highway vehicle use, recreation, oil and gas exploration, noxious weed management, grazing issues, and wild horse and burro herd management issues.

The resource advisory councils seek nominations positions in three categories, as follows:

- Category One – Public land ranchers and representatives of organizations associated with energy and mineral development, the timber industry, transportation or rights-of-way, off-highway vehicle use, and commercial recreation.
- Category Two – Representatives of nationally or regionally recognized environmental organizations, archaeological and

Veteran's Corner. Update #215

By Mike Lawson

Greetings to those of you who read my SW MT Veteran update articles. Veteran News Updates:

- An F-350 Ford, 9 passenger DAV Van that was taken out of service was bought by the SW MT Veteran's Foundation and donated to our SW MT Veteran's Home, this past week. Chris Cotton who manages our Vet Home, said they are all very excited as this will allow more Veteran Residents to go to special events. They didn't have the ability to take but a few Vets at a time, before this. The money from the sale of the DAV Van will go toward the purchase of a new replacement DAV Van. This is again an example of Veterans helping Veterans with the support of our SW Montana Communities.
- The "Meet and Greet" for the USS Montana Submarine crew on August 14th has been canceled but will be re-scheduled at a later date, possibly in October.
- The local "Wall that Heals" project, being headed up by MCL member Michael Taapkin, has received a substantial grant from TBID (Tourism Business Improvement District). Once a date from the VVMF, concerning the Wall coming to Butte is received, the TBID will issue a grant of $5,500 toward the $11,000.00 needed to get it here. The date should be received by October of this year. This Viet Nam wall is a replica of the wall in Washington DC and travels to different places throughout the US and for those of us who are Vietnam Veterans it is always a surreal heartfelt experience to visit and pay tribute to our fallen buddies who didn't make it home. For any of you who would like to make a donation toward the $11,000 dollars to get it here, the Southwest Montana MCL Detachment has set up a Saving Account under Montana MCL Detachment 724 Vietnam Wall. It's : Citizens Alliance Bank, Post Office Box 4899, 605 Dewey Blvd, Butte, Mt 59701 Hopefully folks will feel this is a good cause for healing of the memories of long ago, in a place called Viet Nam.
- An update at the VA CBOC is the floor of the unfinished north-end of the building had the long awaited cement pour completed on Friday. I was told that it took many many cement trucks to supply the cement to complete the pour. The wall framing can now be started. All around good news.
- Shannon Ray, the Vet Rep at the Butte Job Service, shared some information on the Honorably Discharged Veterans

This Friday , the 18th, myself and two other Marine Corp League members are going to drive from Butte to Oklahoma City, Oklahoma to attend the National Marine Corps League 100 year Convention. We'll be gone about 10 days and hope the weather is cooler than what it's been. Rubbing shoulders with Marines from all over the country is always a great experience.

Everyone have a good week. Until next time, take care.
