Michael Richard Thomas

Michael Richard Thomas was born on April 8, 1940 in Fairfield, Connecticut, sharing a birthday with the legendary Thoroughbred, Three Bars.

In February, 1947, Mike saw his first rodeo, the famed La Fiesta De Los Vaqueros in Tucson, Arizona. At the age of seven, he decided that was the life he wanted to pursue: to explore all aspects of horses and livestock. The famed Pete Martinez of Tucson, Arizona, was his first teacher of horsemanship.

In 1957, he was hired to work at the famed Boquillas Cattle Company of Seligman, Arizona. During the next ten years, Mike was involved with Arizona State University and University of Arizona. This included the rodeo teams. He became the Regional Director of the West Coast Region of the NIRA and was awarded a Gold Card for life. He did graduate work in Reproductive Physiology and Animal Nutrition and spent a summer at Purdue University learning techniques in Plasma Progesterone Qualitative Analysis.

The next ten years saw Mike and wife Sharon Rose (Christopher) Thomas moving to Brush, Colorado, after the premature death of their son, Sean Michael Thomas.

In 1970, Mike and famed cattleman L.A. "Buzz" Coakley developed, with the Ceres Land Company, an Artificial Insemination Program for 12,500 cows, the largest to date.

In the early '70s, Mike created Livestock Management Services, Inc. The company managed several ranches for absentee owners. During the early '70s, two daughters, Michelle and Shannon, were born after ten years of marriage and Mike considered them to be the most important thing to happen in his life.

Mike first met the late Ray Hunt (Legendary Horseman) in the mid 1970's, which left Mike shocked, speechless and very humble. During this period, Mike took over the now-infamous Madison River Cattle Company of Three Forks, Montana.

Mike would get to know his beloved partner, Anna Strickland. Anna has been by Mike's side every step of the way and together they have touched the lives of others by sharing their love for the horse.

In lieu of flowers, donations can be made to Mike's GoFundMe page https://gofund.me/ce6b7b6b

Accident Involving a Single Motorcycle

Jeremy Crawford, Southwestern Montana News

First responders were called out Monday afternoon to MM52 Northbound I-15 for an accident involving a single motorcycle. The driver of the motorcycle lost control in the first turn going into the canyon and crashed.

The driver had injuries but was alert and talking with first responders as he was being loaded into the ambulance.

New Businesses were Registered in the State

Montana Secretary of State Christi Jacobsen announced this week that roughly 4,600 new businesses were registered in the state in July, continuing the trend of record business growth in Montana. This number compares to approximately 4,000 new businesses filed in Montana in July 2022.

Through the first seven months of 2023, Montana is on pace to set another record of new businesses created.

Montana Western Hires Taylor Grove as Bulldogs Next Cross Country and Track and Field Coach

The University of Montana Western has announced the hiring of Taylor Grove as the next Men's and Women's Cross Country and Track and Field head coach.

"I am extremely excited to welcome Taylor to the Bulldog family and the city of Dillon. She has made a name for herself with her hard work and dedication to her student-athletes and the results speak for themselves." Director of Athletics Michael Feuling said. "I have no doubt that she will strengthen our programs and help current and future Bulldogs achieve their goals."

Grove joins the Bulldogs from Campbellsville, Ky. where she served as the assistant coach for both the men's and women's cross country teams and the track and field teams at Campbellsville University. Grove assisted in bringing the distance program back to a competitive level, finishing as a receiving votes team by the end of last season. Grove also earned Mid-South Conference Assistant Coach of the Year honors twice during her tenure with the Tigers as a distance and mid-distance coach.

"I feel blessed by the opportunity to be back in Montana coaching cross country and track and field." Head Coach Taylor Grove said. Prior to Campbellsville, Grove completed a two-year stint as a graduate assistant at Whitworth University where she completed her masters with a degree in administration and non-profit leadership. During her time with the Pirates, she oversaw working with the distance athletes and constructing workouts for the team. Grove is a 2019 graduate of Concordia University Nebraska, on the track, Grove was a two-time conference champion. Grove still holds a school record at Concordia with the record in the half marathon which stands at 1:25.04. She was named USTFCCCA Academic All-American in 2018 as well as earning NAIA Scholar Athlete honors in 2017, 2018, and 2019.

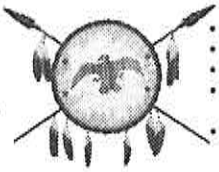

Grove continued. A native of Billings, Mont., Grove earned a bachelor of science in exercise science with a minor in sport psychology from Concordia University Nebraska in 2019. She has since continued her success in running with qualifying for the 2022 Boston Marathon. She ran her Boston qualifier at the Governor's Cup Marathon running a time of 3:11.

"I would like to thank the incoming and returning cross country, track and field student-athletes for their patience and commitment to the program throughout this process, the future is bright." Feuling added.

Grizzly Bear Euthanized in Big Sky

A grizzly bear was captured and euthanized earlier this month after repeatedly seeking and accessing unsecured attractants in Big Sky.

Over the course of several weeks, the bear became accustomed to accessing garbage stored in bear-resistant containers that were not secured. The bear also found unsecured food in a vehicle. Attempts to haze the bear after attractants were stored properly and secured with electric fencing were unsuccessful.

Montana Fish, Wildlife & Parks staff captured the bear on Aug. 4. In consultation with the U.S. Fish & Wildlife Service, FWP euthanized the bear on Aug. 6 because it had become conditioned to seeking food from unnatural sources, which creates human safety risks.

Antelope quota ranges allow for biologists to tailor license numbers to herd health

Populations looking healthy in most areas

Two weeks ago, Montana Fish, Wildlife & Parks' biologists were busy flying over Montana's prairies counting pronghorn, or antelope. This week antelope licenses were drawn for the upcoming hunting season. These two circumstances are directly related and demonstrate how work on the ground directly affects hunters and the opportunities they have each fall.

Most quota adjustments were small, Wakeling said. The adjustments were made so that the number of hunters would be commensurate with the number of pronghorn on the landscape. In general, though, most hunting districts will have slightly fewer licenses issued than last year because of recent severe winters and prolonged drought.

Astronomy event at Pictograph Cave State Park

The press release sent yesterday included inaccurate information on state park entrance fees.

Pictograph Cave State Park is hosting a night sky viewing event at the park this Saturday, Aug. 19, from 8:30 to around 11 p.m. The event is open to the public and free to attend, but the regular $8 state park entrance fee will apply for nonresident vehicles. Montana residents who pay the $9 state parks fee with their annual vehicle registration have no daily entrance fees at state parks.

Grizzly bear euthanized due to cattle depredation in southern Park County

A grizzly bear was euthanized Friday after a cattle depredation on private land in the Tom Miner Basin.

Following the depredation, Wildlife Services with the U.S. Department of Agriculture captured the bear on Aug. 10. The bear—a 20-year-old male—was identified as having been captured and relocated previously due to cattle depredations. It also had significant tooth decay. Bears in this condition will sometimes prey on cattle as an obtainable food source, especially if they have a history of conflicts with livestock.

Considering these factors, and in consultation with the U.S. Fish & Wildlife Service, Montana Fish, Wildlife & Parks euthanized the bear on Aug. 11.

Patagonia Presents: Game Hawker

Patagonia Outlet Dillon | 16 S Idaho Street, Dillon, MT
Thursday, August 24
Doors Open: 6PM
Film Starts: 6:30PM Run-time: 25-minutes
Q&A with Shawn Hayes: 7PM

Falconer Shawn Hayes leads a life of devotion — to both his falcons and the mountains and prairies beneath their wings. For Shawn, the ancient practice of falconry is more than a deep partnership with raptors, it's a lifeline. Through his skill and finesse with these birds of prey, he carved space for himself in a tradition that hasn't often been one for people of color. Shawn's role as an ambassador of American falconry has taken him to far reaches of the globe and into strongholds of the tradition and conservation. This film is about more than just what humans can teach birds but what those birds can give back.

This Week in Bulldog Athletics - Aug. 14-20

Montana Western Volleyball opens up the season on Friday, August 17 with a scrimmage at North Idaho College. Following the scrimmage, they will take on Walla Walla University and Lewis-Clark State College in a tri-match hosted by Lewis-Clark State College in Lewiston, Idaho from Aug. 18 through Aug. 19.

The Bulldogs return 12 players from last season's squad, including all four 2022 all-conference players and all-freshman team honoree. "We are excited to start this year with a lot of experienced athletes and pick up this season where we left off." Head Coach Katie Lovett said.

Put the Worry of Colon Cancer Behind You

Schedule your colonoscopy screening today.

Colon cancer can be a life altering disease. However, early screening can help to significantly increase the survival rate. A colonoscopy is still the best tool to help you detect, treat, beat, and even prevent colon cancer entirely. Schedule an appointment with your primary care provider to start the conversation about this potentially life-saving screening. It could be the best decision you'll ever make.

Call **406-683-1188** to schedule a pre-colonoscopy appointment with your Barrett Hospital & HealthCare provider, or visit **barretthospital.org** for more information.
