Congratulations to our FFA

Advisor Caleb Igo and his students received the highest 3 Star National Rating and being selected as a Premier Chapter National Finalist for the 2023 National Chapter award by the National FFA Organization. We are very proud of our FFA program and the hard work and dedication shown by Mr. Igo and all of his students!

Beaverhead FFA chapter of Dillon, Montana, receives highest 3-Star National Rating and selected as a Premier Chapter National Finalist for 2023 National Chapter award by National FFA Organization

The Beaverhead FFA chapter of Dillon, Montana, has been once again been recognized as one of the top FFA chapters in the nation through the 2023 National Chapter Award Program from the National FFA Organization.

The program recognizes outstanding FFA chapters from throughout the country that actively implement the mission and strategies of the organization. These chapters improve chapter operations using the National Quality FFA Chapter Standards and a Program of Activities that emphasizes growing leaders, building communities, and strengthening agriculture. Chapters are rewarded for providing educational experiences that benefit the entire membership, their community, and the agricultural industry.

Only the top ten percent of chapters from each state may apply to be ranked nationally, where they will receive a rating of one, two, or three stars. The Beaverhead FFA has received the highest three-star rating for the last five years in a row, and will be recognized on stage at the 96th National FFA Convention & Expo, November 1-4, 2023.

Additionally, the Beaverhead FFA was selected as one of ten national finalists in the category of Strengthening Agriculture to recognize the long-running 'Super Kids in Ag' radio segment hosted by FFA members. Beaverhead FFA students will present to a panel of judges this fall to potentially advance to the top 3 chapters in this category.

The Beaverhead FFA is the first Montana FFA chapter selected as a National Chapter Award Area Finalist in over a decade. Full award results will be announced this fall at the 96th National FFA Convention & Expo, November 1-4, 2023.

The National FFA Organization's National Chapter Awards Program is made possible by corporate sponsor John Deere.

Fishing closures and restrictions lifted on most Montana rivers

All fishing restrictions and closure on rivers in Montana are lifted, with the exception of hoot owl restrictions on the Madison River and Sun River.

Hoot owl fishing restrictions prohibit fishing each day between 2 p.m. and midnight. On the Madison River, hoot owl restrictions are in effect from the confluence with the Jefferson River to the Warm Springs Fishing Access Site.

On the Sun River, hoot owl restrictions are in effect from the mouth of Muddy Creek to the Highway 287 Bridge.

Angling restrictions are implemented based on several considerations: stream flow, water temperatures, angling pressure and other angling restrictions in the area that may divert use to waterways where circumstances are increasing stress on the fishery.

For current information on restrictions and closures, go to fwp.mt.gov/news/current-closures-restrictions/waterbody-closures.

Veteran's Corner Up Date #217

By Mike Lawson

Veteran News:

• John Kotka, Markovich Construction General Foreman for the SW MT Veteran's Home "Connector Covered Walkways", gave me a good update on that project. With the exception of a few last minute details, it is very close to being completed.

The carpet and baseboard were to be installed on Monday. Hawe Steel will than bolt the steel handrails to the previously installed bases on the walls. They will than install the metal fence around the outside patio located outside this Covered Walkway Connector's door. The pressure tests on the ceiling sprinkler heads will than be conducted by the Fire Marshal. This might take a week or two to happen, depending on the Fire Marshal's schedule. The other important outside project is the Fire Lane Roads, that Hoffman Construction have done the main dirt-work on. These roads enable the fire department to get a fire-engine behind the cottages in case of fire. These roads are very different and unique in that a special soil mix is spread on top of the graded road-way. It will than have concrete pavers laid in spaced intervals on top of this mixed soil. The soil will than be seeded with grass seed. This will be done by Becker Landscaping and once the grass grows up between these pavers, it will have to be maintained by mowing it in the summer and snow plowing it in the winter. John said that they are starting to work on the other two Covered Walkway Connectors between Cottages #1&#2, #3&#4, this week. He hopes to get the concrete ground portion completed, before the winter weather prevents that from happening. It's a tremendous amount of work so hopefully he can achieve that goal.

• I had a good visit with Wayne Paffhausen, Who is the owner/contractor of the building that the VA is leasing for our Butte VA CBOC Medical Facility, located across the street from 3 Bears. They are busy framing the offices/treatment booths/Physical Therapy areas/Audiology/etc.. This additional area is just a bit shy of 6,000 square feet. It is exciting to see different treatment options coming to this veteran treatment facility. Wayne hopes to have it completed and turned over to the VA, sometime in December.

• For all Veterans in Montana, it's important to know the short, easy to use Veterans Crisis Line phone number, which is monitored 24 hrs a day/7 days a week. Suicide Is a real issue for the Veteran community and getting help for some veteran you know, who is even thinking about it, is nothing to take lightly. If you know someone who needs help, please call 988 and Press 1. Saving a life is what it's all about.

Hurricane Hilary is now a tropical storm hitting southern California with a vengeance. Many prayers for them. It looks like we'll be getting rain from it here in SW Montana. If it helps keep the fires down and out, that would be of a great benefit in our part of the world. I'll close for now, so until next time, take care.
