BINGO AT THE ELKS CANCELLED AUGUST 31

Bingo at the Elks & the Lounge will be closed on Thursday, August 31. Because many of our volunteers who normally work on Bingo nights will also be working throughout Labor Day weekend, it was decided to cancel Bingo this week. We hope everyone takes this time to visit our 4H fair and enjoy one of the final days of summer. Bingo will return on Thursday, September 7. Community Dinners will return on Thursday, September 14 with Buffalo Burgers, and fresh cut fries. We look forward to seeing you at the Elks and appreciate your support.

Real Workers!

These ladies from the City took on the weeds next to the city's paintings and the alley behind the City Shop. The weeds were chopped, swept, and removed to make a great improvement for everyone visiting Dillon. Thanks Deb, Megan & Virginia.

Attorney General's Office secures guilty plea from man who shot at Belgrade police officers

A Butte man pleaded guilty in Gallatin County District Court to multiple charges after he shot at law enforcement who arrived at the scene where he was breaking windows and setting his apartment on fire, Attorney General Austin Knudsen announced today.

David Jackson, 42, pleaded guilty to two counts of assault on a peace officer, arson, and criminal endangerment on Monday. Jackson admitted to shooting at law enforcement in 2020 when they arrived on scene following complaints of Jackson breaking windows and throwing items out of his second-floor apartment before lighting his apartment on fire —during a mental health event. A Belgrade Police Department sergeant and officer took cover behind a patrol vehicle while Jackson fired multiple rounds directly toward the officers. One of the shots struck the patrol vehicle.

The sentencing hearing is scheduled for October 10, 2023, at 1:30 p.m. The State and Jackson will jointly recommend 50 years to the Montana State Prison, none of that time suspended, which is supported by the sergeant and officer who were on-scene.

AG Knudsen's Anti-Human Trafficking Round Up

"Human trafficking takes place on a daily basis in Montana and most often it rears its ugly head as sex trafficking, but sometimes labor trafficking. Odds are most of us have seen it, we just didn't know it.

As Attorney General, I've made it a priority to eliminate human trafficking. Across the Montana Department of Justice, we are committed to finding these dangerous predators, holding them accountable, and fighting for the people who are targeted because of their vulnerabilities."

- Attorney General Austin Knudsen

Attorney General Knudsen's Anti-Human Trafficking Law Getting Results HB 112

Attorney General Austin Knudsen helped write and pass House Bill 112 during the 2023 Legislative Session which strengthened Montana's human trafficking laws by increasing penalties for people who participate in human trafficking and providing more tools for prosecutors to hold criminals accountable. The bill was sponsored by Rep. Jodee Etchart of Billings.

Since becoming law, it has already helped law enforcement find and charge perpetrators of human trafficking.

AG Knudsen Announces Record Amount of Fentanyl Seized On Fentanyl Prevention and Awareness Day

Montana Attorney General Austin Knudsen announced today anti-drug task forces in Montana have already seized more fentanyl in the first half of the year than they did in 2022, which blasted previous records. He also marked Fentanyl Prevention and Awareness Day with a warning to Montanans about the dangers of the illicit drug.

Through June 30, Rocky Mountain High Intensity Drug Trafficking Area task forces seized a total of 286,897 dosage units of fentanyl in Montana – an increase of 52 percent over the total amount seized in 2022 when they seized 188,823 dosage units. In 2021, they seized 60,557 dosage units.

These quantities are from the six RMHIDTA Montana task forces and are not all inclusive of drugs seized by all law enforcement in the state.

Fentanyl-linked deaths have also been on the rise in Montana. Last year, the State Crime Lab reported 77 overdose deaths involving fentanyl.

Attorney General Knudsen has called on the Biden administration to designate drug cartels as terrorist organizations, take a tougher stance toward China and Mexico against the influx of fentanyl, and classify fentanyl as a weapon of mass destruction.

Bulldog Volleyball Shakes Slow Start, Sweeps Firestorm to Start OUAZ Invitational

The Bulldog Women's Volleyball team continued their hot start with a 3-0 sweep of the Arizona Christian Firestorm (25-23, 25-20, 25-18) this evening.

Though trailing to start the match, the Bulldogs sprang to life and overpowered the Firestorm in three straight sets. Sophomore right-side hitter Jordan Olson dominated through the match with 10 kills, four blocks, and a team high .714 hitting percentage.

"We went into the game really focusing on our side of the net and had a really good ball mentality," Olson said. "We are really confident in the level of play our team has and we are excited for the challenge."

How It Happened

The Bulldogs got off to a sluggish start, trailing 18-9 to start the match. Following three aces from the Firestorm's Kaeleigh Gibson, the Bulldogs jumped back into it with a pair of kills from Olson. A 6-0 run brought the Bulldogs back within three and UMW continued on to outlast ACU 25-23.

The second frame started out much like the first, with the Bulldogs trailing four. A kill from KayLee Kopp paired with a solo block from Danyel Martin helped give the Bulldogs a push to tie the game at 7. Though the Firestorm grabbed a narrow lead, the Bulldogs took back the lead with back-to-back kills from Jazi Smith and Martin and held on for the remainder of the set.

Set three saw the Bulldogs hit .323 across the set, while holding ACU to a mere .053 hitting percentage. UMW held much of the momentum and finished the set 25-18.
