Bulldogs Remain Undefeated After Arizona

The Montana Western volleyball squad continued their unbeaten run as they faced off with the Park-Gilbert (Ariz.) Buccaneers in the final matchup of the OUAZ Invitational.

"I am really proud of how this team has stepped up early in this season," Head Coach Katie Lovett said. "We played some really solid teams this weekend and were able to come out on top."

"This weekend, we really played together as a team and saw success in all aspects of the game, from the very first point to the last," redshirt sophomore Taylor Petersen commented. "We are celebrating what we accomplished this weekend, but are heading back ready to work even harder and keep improving."

How It Happened

The Bulldogs surged to a quick lead in set one. With junior outside hitter Jazi Smith and redshirt-junior middle Danyel Martin's precision attacks, UMW rallied to win the first set 25-18. Park-Gilbert's final push was stunted when the Bulldogs capitalized on a serving misstep to claim the set. Set two saw the Buccaneers match the Bulldogs step for step tying the game at 14. Despite the even start, the Bulldogs outscore Park-Gilbert 12-1 down the stretch. Trailing initially in the third set at 4-1, the Bulldogs stormed back and showcased their resilience. A service ace for Petersen gave the Bulldogs an edge early at 6-5. The Bulldog's response ensured an end to the set on top at 25-16. The final nail was hammered in by a kill from Smith.

Notables

- All 18 Bulldogs contributed today's win, racking up 51 digs and 31 kills as a team.
- The Bulldogs capitalized on Park-Gilbert's 21 hitting errors, recording just 10 hitting errors of their own.
- UMW was led by Martin with eight kills and four blocks.
- Rylee Nickodemus, Kelsey Goddard, and Petersen each recorded two key aces in the match.

Whack the Steering Wheel

Bryce Angell

I drive two Chevy Silverados. Both have been well used.
You could almost say my Chevy trucks appear to be abused.
But they're not abused, just older. And they've driven out their worth.
Combined the mileage adds to fifteen times around the earth.
I shopped the local dealerships to purchase a new truck.
The price tag is a hair width shy of 80,000 bucks.
So I can't afford to buy a Silverado off the lot.
I guess I'll keep on driving the old Chevys that I've got.
Each rig is used as backup for the other Chevy truck.
A breakdown always happens right along with my bad luck.
And now the older Chevy isn't holding up its part.
Sometimes when you turn the key the blasted truck won't start.
It's not every time, while cranking, that my Chevy won't kick in.
I think it has an evil mind, just like the devil's kin.
We drove the other Chevy and so glad we had two trucks.
'Cuz if we didn't have both trucks, we'd be like sitting ducks.
But just as luck would have it I misplaced the good truck keys.
They disappeared about as fast as mice who stole the cheese.
The locksmith ordered keys. He said it takes a week or so.
Then hopefully we'd get our Chevy truck back on the go.
So now we had no choice. The older Chevy was a must.
You don't drive from hell to breakfast with a truck you cannot trust.
That night while eating tuna fish with peas and cream style corn,
I heard the Chevy cranking then a blaring on the horn.
Well sure enough the clunker wouldn't start for my good wife.
I darn near grabbed the twelve-gauge. End the worthless Chevy's life.
With both trucks broken down we were in dire straits for real.
I must have lost my temper 'cuz I whacked the steering wheel.
Then I witnessed a small miracle. My Chevy came alive.
Beating on the steering wheel gave me a truck to drive.
Well since that day and when my Chevy doesn't do its part,
I whack the steering wheel two times. My Silverado starts.

This Week in Bulldog Athletics – Aug. 28 – Sept. 3

— Montana Western Football kicks off the 2023 season this week with a road game against Eastern Oregon University. Last season, the Bulldogs defeated the Mounties 48-14 in the home opener when the Bulldog offense racked up 419 total yards, scored six touchdowns, and made two field goals. The defense also held the Eastern Oregon offense to just 11 first downs and forced five takeaways. The Bulldogs have a lot to prove as they were picked to finish fourth in conference play following a preseason poll of Frontier Conference football coaches.

Letter to the Editor

Taking On Big Pharma One Step at a Time

There's no question that Big Pharma needs to be exposed and taken down—even if it must be done one small step at a time. This is why I am urging our Senators in D.C. to pass the bipartisan Affordable Prescriptions for Patients Act of 2023. This bill does incredible work to expose Big Pharma tactics that manipulate consumers and have led to skyrocketing prices.

Big Pharma has continuously spent more on fancy, targeted advertising campaigns on already available medication and prescriptions than they have on research and development. The lack of effort they have put forth to develop alternative and natural remedies has led to a 200% price increase on prescriptions in the past decade. That's an estimated $40.7 billion that is being charged to consumers, all while Big Pharma continues to block out their competitors and take advantage of those who are just trying to afford their medications.

Montanans deserve better and the Prescriptions for Patients Act is a definitive first step to bringing down Big Pharma monopolies and freeing the pharmaceutical markets. I urge Senator Daines and Senator Tester to vote in favor of the Prescriptions for Patients Act to expose Big Pharma's egregious tactics and protect Montana consumers.

Dillon Rotary Celebrates 101 years

Twenty-five civic minded businessmen including first officers Frank Hazelbaker, Frank Eilel and J.H. Gilbert started Dillon's Rotary Club on July 1, 1922. These men firmly believed in following the club's moto of "Service Above Self", which is also reflected today in our added 5-way test:

- Is it the TRUTH?
- Is it FAIR to all Concerned?
- Will it build GOOD WILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?
- And IS IT FUN?

Congratulations, July 2023 marked our 101st Anniversary. Rotary International has expanded significantly since those days with Rotary Clubs currently active in over 200 countries world-wide, including 1.4 million members. The intent of Rotary includes promoting peace, fighting disease, providing clean water and sanitation, improving education, and growing local economies. Rotary International's hallmark acclaim has been their Partnership in the eradication of Polio worldwide.

We have made a lot of progress for Dillon as well as contributing to our surrounding community, state, country, and world since those early businessmen established the Dillon Club. Keeping it local is our most rewarding effort. Currently our energy and services to the Dillon Community include:

- Hosting our Dillon Rotary Annual Ice Melt Contest fund raiser.
- 14 metal benches to the Friends of Jaycee Park.
- Trees for the Dillon walking and bike trails.
- Several annual college scholarships to local High School graduates.
- House number signs in support of our local Emergency Services.
- Facilitators of the Craig Rehm Memorial Fund in support to UMW Business Students.
- BBQ food service in support of local Veteran and Concert events.
- Corn Dog service to the local kids Halloween Fall Fest.

In 2022 & 2023, added efforts are being steered toward developing younger membership growth, and a local presence
