JOSH FISHER SELECTED AS FRONTIER'S NEW DIRECTOR OF ATHLETIC COMMUNICATIONS

Frontier Conference Commissioner Dr. Scott Crawford announced the addition of Josh Fisher as the new Director of Athletic Communications for the conference. Fisher is a familiar name around the Frontier and the NAIA, having spent much of his career working at member institutions of the two organizations.

Fisher will return to the Frontier Conference, where he spent nine years as Sports Information & Events Coordinator at Westminster (Utah), a former Frontier member, and one year as sports information director at Rocky Mountain College. Montanans: Plan for a Sober Ride This Labor Day Holiday

Montana Law Enforcement planning increased patrols in Dillon/Beaverhead County over the holiday weekend.

Residents encouraged to plan for a sober ride home.

- + Local law enforcement and the Montana Highway Patrol are increasing their presence and patrols during the Labor Day weekend
- + Montana has the highest share of alcohol-related traffic deaths in the U.S. at 45%. In 2021, 63% of all fatalities were the result of impaired driving
- + To ensure the safety of communities across Montana, law enforcement encourages residents to make a plan to get a sober ride home before they start drinking and celebrating during the Labor Day weekend
- + Labor Day marks the end of the "100 Deadliest Days," the period where most traffic fatalities occur in Montana and nationwide

August 29, 2023, Dillon, Mont. — As Labor Day weekend approaches, Dillon/Beaverhead County law enforcement agencies and the Montana Highway Patrol (MHP) are encouraging Montanans to plan a sober ride home before they celebrate. Labor Day weekend is the final three days of the "100 Deadliest Days," the period where most traffic fatalities occur. MHP will be increasing patrols across the state and making DUI arrests to ensure every Montanan gets home safely this holiday weekend. MHP and the Montana Department of Transportation (MDT) are committed to reducing fatalities and severe injuries on Montana's roadways.

According to MDT, if drivers have a blood alcohol content (BAC) of .08 or higher, they could receive a DUI charge and other serious consequences, including having their driver's license revoked, being required to take mandatory classes, and receiving possible jail time, as well as up to \$10,000 in fines and legal fees.

"We want everyone to enjoy the holiday weekend, so make sure you plan for a sober ride home," said Jeremy Alvarez, Chief of Police, Dillon Police Department. "Labor Day weekend is full of travel and end-of-summer get-togethers. To make sure we're all able to have fun safely, start your weekend by making a plan. Whether you're hanging by the river or going to a BBQ, always use a sober ride."

Pheasants Forever, FWP hosting youth hunt September 9

Free hunting event for licensed youth hunters aged 15 and younger

The Yellowstone Valley Chapter of Pheasants Forever is hosting a free youth pheasant hunt on Saturday, Sept. 9, at a private shooting preserve near Billings. Montana Fish, Wildlife & Parks will be at the event with hunting and access information and giveaways. The event is open to hunters aged 15 and younger who have successfully completed hunter education and have a valid Montana upland bird license.

This is the 29th annual youth pheasant hunt sponsored by the local Pheasants Forever chapter.

"This event is a great, safe way to introduce young people to the lifelong sport of hunting, especially upland bird hunting," said Chad Hanson, president of the Yellowstone Valley Chapter of Pheasants Forever.

Youth hunters will split into groups of two hunters for each time slot, beginning at 9 a.m. Each youth hunter will be accompanied in the field by a mentor to ensure safe hunting practices, a trained bird dog and dog handler. A free lunch will be provided to participants after the hunt.

Youth hunters will have another opportunity to waterfowl and pheasant hunt on public lands during the Youth Waterfowl and Pheasant Weekend, Sept. 23-24, before the season opens for all hunters.

For more information and to sign up for the event, contact Chad Hanson at 406-860-5145.

For more information on special youth hunting opportunities in Montana, visit: fwp.mt.gov/hunt/youth.

Veteran's Corner Update #218

By Mike Lawson

Greetings to those of you who read my SW Montana Veteran update articles. The big event I always hear about and have at times attended, is the "Fair and Rodeo" in Dillon, MT. If you have never gone, it's well worth attending. This small rural town is very welcoming with their old-time-western-hospitality-spirit. The rodeo is always top-notch. You might consider checking it out. After this week-end it will be time for our students to return to school. Veteran news:

- In Dillon, the VFW, American Legion members, along with the Challenge Program kids, will carry the Colors in the parade which starts this big Labor Day week-end off. They will also be selling tickets for their Scholarship Fundraiser, with the drawing to be on Sunday, probably at the rodeo. Note: The Challenge Program gives troubled kids a second chance in life. It's a well run positive program, with these kids volunteering for many community projects in not only Dillon but in other SW MT communities.

- All veterans are eligible for a lifetime pass providing free entrance to all national parks. You can check out store.usgs.gov/militarypass or ups.gov/planyourvisit/pickup-pass-locations.htm for more information.

- The new Transcranial Magnetic Stimulation (TMS) Mobile Unit (MMU) will soon be able to travel the entire state to provide TMS treatment to Veterans. TMS therapy is an alternative treatment for patients living with Major Depressive disorder (MDD) that have not achieved a satisfactory response to antidepressant medication. TMS uses magnetic fields to stimulate nerve cells in the brain to improve symptoms of depression. TMS is safe, non-invasive and effective.

- If a Veteran has internet and have a computer, or mobile device, you can use an app called VA Video Connect (VVC) to see your provider through a Telehealth appointment. Its easy to use and can be used for appointments that do not require an in-person exam. Learn more about VA Video Connect at www.mobile.va.gov/app/va-video-connect.

- If you know a Veteran who deployed to a combat zone but never signed up for VA health care, there's a special enrollment period going on right now. They need to act quickly as the deadline is September 30. Call a Veteran's Representative and talk to them about enrolling. The Enrollment Application for Health Benefits is VA Form 10-10EZ.

WONDERFUL HEALTHCARE

On August 17 I ruptured my appendix and was also diagnosed with sepsis. Because I had a VP brain shunt which goes from my brain to my stomach I had to be life flighted to Idaho Falls Community Hospital in order for my neurosurgeon to be involved (Brent Greenwald). I don't even remember waiting to be cared for, it just happened, and it happened quickly. I was in excruciating pain from August 14 until I finally had my husband take me to the hospital on the 17th. Before I knew it, I was in an ambulance heading out to the airport for the helicopter ride to Idaho. I actually enjoyed the helicopter ride (pain managed by excellent health care). I want to thank Colin (the pilot), Matt (paramedic), and James (the nurse) that accompanied me on the ride. I want to thank Dr. Moore, Nissa, and Shelly for their wonderful and quick care at the hospital, prior to the transfer to Idaho.

A few months ago my husband had an injury where he broke one rib and fractured another. The impact caused his lung to collapse and was putting pressure on his heart. We went to the walk-in clinic, he got an x-ray quickly and went home. As soon as the x-ray results came back, the clinic called and told us to get him to the emergency room immediately. We did. There was a nurse waiting for him with the door open. NO WAIT. I wish I had the names of all the people that helped him but I don't. What I can say is within 10 minutes there were 6 people in his room working on him along with Dr. Maunu who installed a tube to install Mike's lung to re-expand. Mike spent a couple of days in Barrett Hospital and received excellent care from the nursing staff and Dr. Maunu.

These are just two excellent examples of the wonderful healthcare we have here in Dillon, MT. Both of these situations were critical, and we received immediate and wonderful care. Have to give a shout out to our PCP, Kelly Smith, who has been a wonderful doctor for us for a number of years. We are TRULY blessed to have this type of healthcare available to us.
