TRIO Accelerator Program Welcomes New Students to Montana Western

TRIO Student Support Services (SSS) welcomed 30 incoming first-year students to campus for the annual Accelerator Program to kick off the start of the 2023 fall semester.

TRIO programs are federal outreach and student services programs designed to identify and provide services for eligible students. Students qualify for the TRIO program if they are first-generation college students, have a disability, or fall below a certain income level. TRIO helps students overcome economic, social, and academic boundaries to higher education by assisting with basic college requirements and providing students with needed support.

The fifth annual Accelerator Program allowed new TRIO students to move in two days earlier than most freshmen, giving these students the chance to learn about the expectations of the TRIO program. It also allowed students to meet their TRIO advisors, mentors, pick up their books and locate their classrooms before the first day of classes. This year, the TRIO SSS Accelerator Program ran from Monday, August 21, until Wednesday, August 23.

On Tuesday, students learned the vocabulary of the university and were introduced to all the academic opportunities that UMW offers. This year featured a faculty Q&A as well as a presentation from the Provost and the Registrar about what a college degree is and how academics at a university work.

On Wednesday, students focused on the academic support available at Montana Western. Students toured the Library and the Learning Center as well as met with Counseling Services and Student Wellness to learn strategies to support their mental health. In a workshop on college economics, students learned how to manage loans and budgets. By the end of the three day program, TRIO students had made new friends and had developed successful strategies to succeed in the upcoming academic year.

The staff and students would like to thank Pioneer Federal Savings and Loan for sponsoring the Accelerator Program and making this opportunity possible.

For more information about the University of Montana Western's TRIO Student Support Services office and provided services, please visit www.umwestern.edu/info/trio-student-support-services/.

Terminus Distilling Company Updates

Katrina & Derek Lewis

Building

As we look ahead to the fall and winter, we're prioritizing bids for insulation and HVAC. While the planning process continues to move slowly, it IS moving. On one hand, it is frustrating to still be in this phase, but we know it's the right way to do things in the long run.

Do you know anyone who wants a seed plant? In the 'new part' of the building (constructed in 1980), there is a Clipper Cleaner Super X298D, a Carter Disc Separator ADR2, a Gustafson S600SS seed treater, and a Clipper EML81 debearder. There are also several bucket elevators and more three-phase motors than you can shake a stick at. Everything looks like it's in good shape, but we can't test any of it since there is no power to the building right now. Because we won't put this equipment to use in the way it was intended, we are hoping to find a new home for it. We've had a few people interested, but nothing firm yet. Reach out if you - or someone you know - might want to take a look.

Business

We made our Farmers Market debut! A wonderful day talking with people, selling merchandise, and serving up homemade ginger beer. We currently have hats, unisex tshirts, and ¾ length baseball shirts, all ordered through Big Tyme Sportswear & Design. The four sticker designs have also been a hot commodity. We'll be at the Dillon Farmers Market again on Labor Day weekend as well as the weekend after. Locals, stop by and say hi! To see what merch we still have available, check our website.

Meeting Canceled

The September 5, 2023 Local Emergency Planning Committee (LEPC) meeting has been Canceled. We are tentatively scheduled to have the next meeting on October 2, 2023. I hope you all have a safe and fun Labor Day weekend!

Beaverhead GOP to Hold Candidate Meet and Greet After Labor Day Parade

The Beaverhead Republicans will hold a Candidate Meet and Greet after the Labor Day Parade on Sept. 4th at the Frontier Event Center. Everyone is invited to come and meet State and Local Candidates. Light refreshments will be served.
