Marshall William Prindle

Marshall William Prindle, 67, of Dillon Montana passed away on August 27, 2023 from a heart attack. He was a beloved father to his children, the soul mate of his wife Kathleen, and a dear friend to all who had the privilege of knowing him.

Marshall was born to Frazer and Gladys Prindle on March 27, 1956. He spent his childhood on his family's farm in Sunburst, MT before moving to Lakeside when Frazer retired. Marshall attended broadcasting school and later took classes at Flathead Valley Community College where he met Kathleen.

Marshall worked in the radio and television industry for several years before going back to school at the University of Montana. After graduating he became a school psychologist with the Belgrade School District, a position he held for more than two decades.

At the time of his passing, Marshall was happily retired in Dillon, MT where he devoted his time to his family and his community. In retirement he was a frequent vendor at the Dillon farmer's market where he sold beautiful handcrafted leather goods. He also enjoyed cooking, as well as riding and restoring vintage motorcycles.

Marshall will be remembered for his kind and generous soul. He was always willing to help anyone who may have needed it, even perfect strangers. He will forever be remembered by his family for the love and laughter he brought to their lives every day.

Marshall is preceded in death by his parents Frazer Jerome Prindle and Gladys Bertha (Hannon) Prindle, his daughter Elizabeth Grace Prindle, and his nephew Kim Prindle. He is survived by his wife of 44 years Kathleen Anne (Sheldon) Prindle, his son Casey Allan Prindle, and his siblings Bill Baker, Leone Sharp, Lee Prindle, and Leslie Rogers as well as their spouses. He will also be dearly missed by his brother-in-law David Sheldon.

In accordance with his final wishes he will be cremated before returning to Dillon. A small, private ceremony will be held in the spring of 2024 when his ashes are interred.

fully accredited by the BBB (A+ rating), which is a rarity among Book Review and Book Award Contest companies. We receive thousands of entries from all over the world. Because of these large submission numbers, we are able to break down our contest into 140+ genres, and each genre is judged separately, ensuring that books only compete against books of their same genre for a fairer and more accurate competition. We receive submissions from independent authors, small publishers, and publishing giants such as Random House, HarperCollins and Simon & Schuster, with contestants that range from the first-time, self-published author to New York Times bestsellers like J.A. Jance, James Rollins, and #1 best-selling author Daniel Silva, as well as celebrity authors like Jim Carrey (Bruce Almighty), Henry Winkler (Happy Days), and Eriq La Salle (E.R., Coming to America).

"When the right books are picked as winners we pay attention. We will be spreading the word about Readers' Favorite." --Karen A., Editor for Penguin Random House Readers' Favorite is proud to announce that "He Is!" by Mark R Worden won the Silver Medal in the Christian - Devotion/Study category.

Veteran's Corner Update #219

By Mike Lawson

Greeting to those of you who read my SW MT Veteran update articles. We had church services with 4 other churches at Clark's Park, here in Butte, with a potluck afterwards, this morning. The skies were overcast but with no rain until after the potluck and then it came down in buckets.

The Labor Day Weekend is now over and our fall/winter/spring is ahead of us, with all the events we do as a community and nation to embrace and get ready for these times. This fall will see Halloween for the kids, and Thanksgiving following a few weeks later. As adults we can look back into our childhood and know they were special times for us and are now for our kids also.

Veteran Updates:

- VA helped house more than 26,000 Homeless Vets since the start of 2023. This is on pace for the VA goal of 38,000 homeless vets being housed for 2023.

- Toys For Tots Coordinator Training in the DC area will be this Thursday through Sunday morning. I attend this every year and it's always a good learning/refreshers experience. A neat statistic to share is that since 1947, the TFT Campaigns across the country have distributed 652 million toys and have served 291 million children to date. I'll report more as we get closer to our kick-off in the middle of October.

- The Butte VA Medical CBOC building is progressing well. More personal are in the process of being hired for the Audio and Physical Therapy programs that will be in this part of the building.

- The SW MT Veteran's Home is seeing the Fire-Lane's cement pavers being laid. The inspections on the Covered Walkway connectors will hopefully be inspected before the middle of the month, depending on the inspector's schedule. It really looking nice.

- The Veteran's Court in Butte is exploring the possibility of expanding the court to include the surrounding areas of Anaconda, Deer Lodge, Dillon, Ruby Valley and Whitehall. The program in the Butte Court has been very successful with Veterans completing the program requirements and having their criminal record being cleared. Great program.

9/11 is coming up and Memorial Ceremonies will be happening all over the country in memory of the many who lost their lives when the planes hit the Twin Towers in New York City, on that tragic day. Fireman/Police/Veterans as well as the people in those Towers, who lost their lives, will hopefully be forever remembered. Butte usually has a Memorial Ceremony at Stodden Park. Look for the news media reporting on this.

Grizzly bear euthanized near West Yellowstone following multiple conflicts with people

Bear linked to human fatality near West Yellowstone

A grizzly bear with a history of conflict with people was euthanized Saturday after breaking into a house near West Yellowstone.

Early Saturday morning, a homeowner reported a bear with a cub broke through a kitchen window of an occupied home and removed a container of dog food from inside the house.

Later that evening, staff from Montana Fish, Wildlife & Parks and local law enforcement captured the cub, and, with authorization from the U.S. Fish & Wildlife Service, shot the adult grizzly due to an immediate public safety threat from the bear's food-conditioned behavior.

The adult grizzly was a 10-year-old female that had been captured in 2017 for research purposes. Through genetic analysis and other identifying factors, the bear was confirmed to be involved in a fatal attack on a woman near West Yellowstone in July. The bear was also involved in an encounter in Idaho that injured a person near Henrys Lake State Park in 2020. While both incidents were assessed to be defensive responses by the bear, multiple efforts to trap and remove the bear were made after the fatal attack in July due to the incident's proximity to residences, campgrounds and a high-use OHV trail system. These efforts were unsuccessful.

The cub, a 46-pound male, is being held at FWP's wildlife rehabilitation center in Helena while arrangements are made to transfer the cub to a zoo in the coming weeks.

KENNEL CLUB QUILT RAFFLE

Kennel Club is sponsoring a community spay/neuter clinic this fall. Could you help us by purchasing a raffle ticket for a beautiful queen-sized quilt? The quilt is displayed in the window at the corner of Bannack and Idaho Streets. Tickets are available at the Kennel Club booth at Farmers' Market, The Bookstore, Womack's Printing, Taylor Realty, Dillon Liquor Store, Pioneer Furniture, 3-D Store and Beaverhead Brewing. Tickets are \$5.00 each or 5/\$20.00. Drawing for the quilt will be held on September 16, 2023 at the Farmers' Market Kennel Club booth.
