Junior Dillon Beaver Club Spirit Pack

Junior Dillon Beaver Club members, if you signed up by the deadline of September 5th your T-shirt and spirit pack will be ready to pick up from 6:15 to 7 on Friday the 15th before the Beaver football game near the southwest entrance by the little league field. Join our facebook page for updates and be checking your emails also.

Beaverhead County HS/JH Rodeo Team Annual Rodeo this Fall

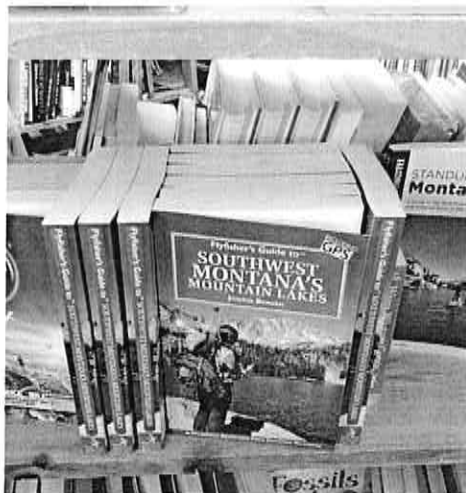

We are scheduled for September 22nd-24th, 2023 at the Beaverhead County Fairgrounds.

We are targeting to have over 150 junior high and high school youth competing in barrel racing, pole bending, tie-down and team roping, steer wrestling, rough stock events and more.

In addition to the rodeo events, there is a shooting sports competition Friday, September 22nd at 1:00 pm at the Dillon Trap Club & Rifle Range where junior high and high school students compete in light rifle and trap shooting competitions. Again, this year, we are also hosting a breakaway roping jackpot for our junior high and high school athletes Friday, September 22nd at 7:00 pm at the Fairgrounds.

We are so appreciative of the support the community provides to the Beaverhead County HS/JH Rodeo Team and would not be able to host one of the largest attended MHSRA events in the state without it. With over 150 contestants and their families from all over Montana expected to attend, it will be a great opportunity to promote your business and be recognized throughout the weekend and afterwards. We are still looking for some sponsors for this great annual event. If you are interested in sponsoring or learning more about the weekend, please contact Stacy Setzer by texting or calling at (406) 570-2739.

BRANDING AXE
By "Swede" Troedsson

During the 1980s I was employed as a Forester on the Beaverhead National Forest in Montana.

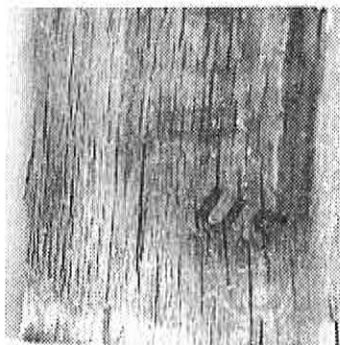

One day I was attempting to locate a section corner east of Winkley Camp, located in Gorge Creek, in the East Pioneer Mountains. Winkley Camp had been the location of a sawmill.

In the course of my search, I discovered a lodgepole pine tree that had been marked for cutting, but left. I suspect the tree was bypassed in favor of harvesting the larger spruce trees. The lodgepole was marked for cutting by stamping it with a US brand, using a branding axe. The brand was stamped on an axe blaze. This was a common method of designating trees for cutting before the use of tree marking paint became common. A brand would also be applied below stump height which would serve as proof that the harvested tree had been designated for cutting.

With help from game wardens in other states, Montana FWP enforcement seizes several game animals killed illegally

Montana game wardens from around the state, including Kalispell, Billings and Miles City, recently traveled to Michigan, West Virginia, Pennsylvania, Wyoming and Kentucky to follow up on long-term investigations of violations committed in Montana. Violations included license fraud, hunting without licenses, hunting during a closed season, over-limits of game animals, waste of game animals, tag transfer and unlawful possession of game animals.

"These cases involve complex, long-term investigations of the most serious type of violations of hunting laws in Montana," said Montana Fish, Wildlife & Parks Chief of Law Enforcement Ron Howell.

With the assistance of game wardens in the other states, Montana wardens seized seven elk, six mule deer, three white tail deer and two antelope. Charges are pending on all cases.

"Without the assistance of officers from the states involved, these cases would likely not be successfully investigated and prosecuted," Howell said. "These investigations highlight the hard work and tenacity of our wardens to ensure that serious violations are investigated, and suspects are held accountable for those violations."

Hunter shoots and injures grizzly bear near Fairfield FWP staff continue to search for the bear

A hunter shot and wounded a grizzly bear on Tuesday near Freezout Lake Wildlife Management Area near Fairfield.

The surprise encounter happened on the morning of Sept. 12. The hunter was walking along a shelter belt hunting for upland birds on private land when he was charged by the bear, which based on evidence of the animal found at the scene is believed to be an adult male. The hunter fired twice with his shotgun at less than 15 feet, hitting the bear at least once and causing it to run off. The hunter was not injured in the encounter, which is still under investigation.

FWP bear management and law enforcement staff searched for the bear on foot and using drones on Tuesday and continued their search today with a helicopter, thoroughly covering more than 4 square miles. Although they found evidence that it was wounded, they have been unable to locate the bear and believe that it is likely it has left the immediate area. Hunters and nearby residents are still advised to be cautious as the bear is likely to seek hiding cover in and around abandoned buildings and in areas of thick brush and heavy cover. FWP is also placing signs around the area advising hunters of the incident and to be vigilant for bears.

With pheasant hunting season approaching and other upland bird seasons already open, FWP reminds all hunters to be extra cautious when afield.

**Planning is well underway for
another terrific Beaverhead
County HS/JH Rodeo Team
annual rodeo this fall.**

*We are scheduled for September 22nd-24th, 2023 at the
BeaverheadCounty Fairgrounds.*

*We are targeting to have over 150 junior high and high school
youth competing in barrel racing, pole bending, tie-down and team roping, steer wrestling, rough stock
events and more.*

*In addition to the rodeo events, there is a shooting sports competition Friday, September 22nd at 1:00
pm at the Dillon Trap Club & Rifle Range where junior high and high school students compete in light
rifle and trap shooting competitions.*

*Again, this year, we are also hosting a breakaway roping jackpot for our junior high and high school
athletes Friday, September 22nd at 7:00 pm at the Fairgrounds.*

*We are so appreciative of the support the community provides to the Beaverhead County HS/JH
Rodeo Team and would not be able to host one of the largest attended MHSRA events in the state
without it. With over 150 contestants and their families from all over Montana expected to attend, it will
be a great opportunity to promote your business and be recognized throughout the weekend and
afterwards. We are still looking for some sponsors for this great annual event. If you are interested in
sponsoring or learning more about the weekend, please contact Stacy Setzer by texting or calling at
(406) 570-2739.*
