Carl Eugene Kluesner

Lima, Montana - September 16, 2023

Carl Eugene Kluesner, a long-time resident of Lima, Montana, passed away peacefully on September 16, 2023 in his favorite chair. He was 85 years old.

Born on June 29, 1938, in Blackfoot, Idaho, Carl was the son of William Louis and Cora May (Daffin) Kluesner. His family moved to Lima, Montana when he was young. He grew up in Lima, graduated from Lima High School, and spent his entire life there.

Carl was an active participant in the community, serving as a Scoutmaster, a member of the Lima Rural Fire Department, and a member of the Lima City Council. Those who knew him best remember his smile and unassuming demeanor. He worked briefly in the construction industry and then became a Section Man for the Union Pacific Railroad. He was a man of few words but spoke volumes through his actions. Carl's work ethic was unmatched, and he spent a lifetime helping family and friends in Lima.

Carl married Karen Gleason on June 20, 1959. Together they had 6 children. He married Carol Gregory on November 26, 1982 and Carl helped raise 2 more children. Carl supported his children in their activities and could be found at almost all of the Lima school sports events throughout his life. Carl and Carol enjoyed retirement life hosting at several local campgrounds. He loved to fish, hunt, camp and tell stories around the campfire. Later in life, his stories were enjoyed by his posterity on the back patio in Lima. Carl enjoyed working in his shop and going on car rides with Carol to explore the land throughout the area.

Carl is survived by his wife, Carol, his children Mary Jane (Lee), Linda (King), Russell, Robert, Steven Gregory, and Dianna Slater (Gregory). He also leaves behind 19 grandchildren, and 42 great-grandchildren. He was preceded in death by his parents; siblings Bernita, Margaret, Joseph, Josephine, Ed, Frank, and Gertrude; and two daughters, Karolyn and Kathleen.

His humility, kindness, and sense of humor endeared him to all who knew him. He will be deeply missed by his family, friends, and the entire Lima community.

No services are planned at this time. Memorials may be sent to the Lima Rural Fire Department in his name.

Thank you so much to the Lima Volunteer EMS for all their kindness and support these past weeks.

Off-Highway Vehicle Advisory Committee to meet

The Montana Off-Highway Vehicle Advisory Committee (OHVAC) will meet from 1 to 4 p.m. via Zoom. The committee will review and discuss updates to the Off Highway Vehicle Grant Program (OHV) and the Summer Motorized Trail Pass Grant Program (SMTP) for the 2024 grant cycle.

For information on how to join the Zoom meeting, go to fwp.mt.gov/aboutfwp/commission-councils-committees/ohv-advisory-committee.

OHVAC advises FWP on trail issues in Montana relating to the funding, provision of, development, renovation, maintenance, management, usage and promotion of motorized recreational trails in an environmentally responsible manner on city, county, state, federal and private lands.

FWP game wardens swear in girl as honorary warden

On Sept. 15, 9-year-old Sarah Simons of Texas was sworn in as Montana's first ever honorary game warden. The ceremony occurred at the community center in West Yellowstone during a vacation to Yellowstone National Park with her family.

Montana Fish, Wildlife & Parks Chief of Law Enforcement Ron Howell presided over the ceremony and administered the oath of office to Sarah in front of her family and several other Montana game wardens. Upon completing the oath of office, Sarah was immediately promoted to the rank of sergeant.

According to her website, www.sarahswarriors.com, Sarah has been interested in law enforcement since she was very young. She also has battled severe life-threatening, incurable diseases since birth. While undergoing treatment police officers from New Jersey sent her a "battle box" of gifts and items to encourage her to keep fighting. After receiving this box, Sarah's mission became clear, to pay it forward and to send battle boxes to other kids fighting life-threatening diseases. Her mission has grown into a 501(c)(3) nonprofit public charity dedicated to sending packages to other children.

"Sarah's courage in the face of life-threatening adversity and her selfless dedication to helping others are in keeping with the highest traditions of law enforcement and exemplify the values that Montana game wardens live by," said Howell. "Sarah is an inspiration to us all and we are honored to have her join our ranks."

For more information about Sarah and her mission, go to www.sarahswarriors.com or visit her Facebook page.

UMW Ranked Among Best Colleges by U.S. News & World Report

The University of Montana Western has been ranked #7 in Top Public Schools, #8 in Best Value Schools, #23 in Best Regional Colleges, and #46 in Top Performers on Social Mobility in the Western region by U.S. News & World Report in their 2023-24 rankings.

Now in its 39th year, the rankings evaluate more than 1500 colleges and universities on up to 19 measures of academic quality.

"For 40 years, students and their families have come to count on Best Colleges as a vital resource as they navigate one of the most important decisions of their lives," says Eric Gertler, executive chairman and CEO of U.S. News. "The significant changes in this year's methodology are part of the ongoing evolution to make sure our rankings capture what is most important for students as they compare colleges and select the school that is right for them."

The Western region is comprised of 15 states including Washington, Oregon, California, Idaho, Nevada, Utah, Colorado, Wyoming, New Mexico, Montana, Arizona, Texas, Oklahoma, Alaska, and Hawaii. U.S. News calculates each ranking based on a specific methodology, using factors including overall graduation rates, academic quality, Pell grant graduation rates and social mobility, first generation graduation rates, student support services, financial support, and academic resources for faculty.

The fields of academic study at Montana Western include Biology, Business and Technology, Environmental Sciences, Education, English, Equine Studies, Health and Human Performance, Fine Arts, Mathematics, and History, Philosophy, and Social Sciences.

Students at the University of Montana Western enjoy a tight-knit community atmosphere and small class sizes where they work closely with peers and professors alike. The 20-acre campus is an excellent choice for students to take advantage of the experiential learning offered by the Experience One program, where they can build on critical and creative thinking skills to prepare for real-world job and graduate school opportunities. Montana Western's commitment to engagement and support offer an incredible experience for students while maintaining a high standard of academic excellence and low tuition costs.

For more information about Experience One and the University of Montana Western, or to schedule a tour, visit www.umwestern.edu or call 877-683-7331.

Planning is well underway for another terrific Beaverhead County HS/JH Rodeo Team annual rodeo this fall.

We are scheduled for September 22nd-24th, 2023 at the Beaverhead County Fairgrounds.

We are targeting to have over 150 junior high and high school youth competing in barrel racing, pole bending, tie-down and team roping, steer wrestling, rough stock events and more.

In addition to the rodeo events, there is a shooting sports competition Friday, September 22nd at 1:00 pm at the Dillon Trap Club & Rifle Range where junior high and high school students compete in light rifle and trap shooting competitions.

Again, this year, we are also hosting a breakaway roping jackpot for our junior high and high school athletes Friday, September 22nd at 7:00 pm at the Fairgrounds.

We are so appreciative of the support the community provides to the Beaverhead County HS/JH Rodeo Team and would not be able to host one of the largest attended MHSRA events in the state without it. With over 150 contestants and their families from all over Montana expected to attend, it will be a great opportunity to promote your business and be recognized throughout the weekend and afterwards. We are still looking for some sponsors for this great annual event. If you are interested in sponsoring or learning more about the weekend, please contact Stacy Setzer by texting or calling at (406) 570-2739.
