## Ronald Dean Kipp

1959-2023

Ronald "Ron" Dean Kipp peacefully passed away in the comfort of his home, surrounded by his loved ones, on Sept. 14, 2023, at the age of 64. Ron's unwavering resilience in the face of ongoing medical challenges over the past few years was a testament to his strength and courage. Throughout the pain, Ron remained a pillar of strength until the very end.

Ron was born on April 17, 1959, in Townsend, Montana. His family later moved to Dillon, Montana, in the early 1960s. On Jan. 30, 1982, he married his soulmate, Anena Kipp (Crane), and together, they embarked on a journey of love and family. In 1999, Ron and his family relocated to Tonopah, Nevada, where he dedicated himself to his role as an Executive Legal Secretary for the District Attorney until his retirement in September 2021.

Ron's life was marked by a relentless dedication to his community. His philanthropic efforts and unwavering commitment were evident through his service in various capacities. Ron served as a devoted firefighter for the Dillon Volunteer Fire Department where he took joy in educating local elementary students about fire safety through a puppet program, making a significant impact on his community's safety. He was a previous member of the Rocky Mountain Elk Foundation and served on the Tonopah Town Board. His dedication extended to the Tonopah Elks Lodge, where he served as Chaplain, Exalted Ruler, and grant writer where he made a meaningful impact.

In recent years, Ron's accomplishments included fundraising for Tonopah Schools, supporting veterans, enriching the Tonopah Elks Lodge, assisting senior citizens, and aiding EMTs in their crucial work. However, his most cherished accomplishment was his boundless love for his family, including his beloved wife, children, and treasured grandchildren.

Ron is preceded in death by his mother Bonnie Kipp; father Glenn Kipp; and brother Robert "Bobby" Kipp.

He is survived by his devoted wife, Anena Kipp (Crane); his loving children Kara Kipp, Kristine Kipp, and Kimberly Wilson; as well as his adoring grandchildren Jacob Rice, Madison Rice, Glenn Kipp-Cook, Declan Wilson, and Kiera Wilson and his brothers, Russel Kipp and Rodney Kipp.

**A graveside service to honor Ron's memory will take place at the Tonopah Cemetery in Tonopah, Nevada on**

### Arlene Cecile Hull

Arlene Cecile Hull died peacefully at home in Boise, Idaho, on September 16 after a 10-month journey with pancreatic cancer. Our beloved mother, daughter, sister, and friend was 62 years young.

Born January 16, 1961 in Dillon, Montana, Arlene was the third of six children of Yvonne and Frank Hull. She grew up camping and fishing with her grandparents, siblings, and friends. She enjoyed and excelled at teaching, so as a teen she worked as a ski and swim instructor. She loved

challenges and found joy in athletics, especially team sports. She carried her love of the great outdoors and the bond with close childhood friends her entire life.

Arlene graduated from Beaverhead County High School in 1979. A bright student and hard worker, she put herself through college working multiple jobs, including waiting tables. She remembered fondly all the friends and family who went out of their way to support her in those tough, formative years. She earned her Bachelor's degree in Health

and Physical Education from Montana State University, and a master's in Exercise Physiology from the University of Wyoming.

Arlene welcomed a daughter, Megan, in 1991, and a son, Eric, in 1994, while living in Cheyenne, Wyoming. Arlene considered her children to be her greatest joy. She shared her love of the outdoors and athletics with her kids, giving them many lifetime sports including biking, hiking, camping, and skiing. The family moved back to Dillon in 1995, which allowed Arlene to help care for her Grandma Leonne and provided her kids with the opportunity to grow up close to their grandparents too. Arlene was a fantastic mother, her kids' strongest advocate and a true fan of their dearest interests.

Arlene's impressive professional career began with teaching physical education in rural Montana public schools. After her masters and becoming a Certified Clinical Exercise Physiologist, she worked in cardiac rehab at the Cheyenne Regional Medical Center. While teaching at the University of Montana-Western in Dillon, Arlene saw a need in her community for rural cardiac rehab and succeeded in developing the first rural cardiac rehab program in the area - which still serves patients to this day. In 2004, the family moved to Caldwell, Idaho, where Arlene returned to her love of teaching in public education in the Vallivue School District. In 2012, Arlene joined the team at Healthwise in Boise as a medical content specialist and quickly became a leader and mentor. During her 10-year career there, she was recognized with many awards and made many lifelong friends, a common theme in every stage of her life. Arlene brought joy, laughter, fun, and a reminder to keep things in perspective to all those around her.

Arlene fostered a passion for service to her community, especially in education, social justice, and well-being of women and children, after surviving an abusive marriage herself. Arlene was a Women's and Children's Alliance Ambassador, a tutor for the Learning Lab, and a Big Sister for the Big Brothers-Big Sisters program. She was always learning, sharing, and empowering others.

Arlene will be dearly missed by countless friends and family, and her memory will live on forever in our hearts. She is survived by her mother, Yvonne Hull; daughter, Megan Simenc (husband, Tom Simenc); son, Eric Hull (partner, Sierra Starkey); sisters, Jeanette Hood and Joyce Tonner (partner, Diane Bialek); and brothers Vince Hull (wife, Anne Hull) and David Hull (fiancé, Julie Shumaker).

A private celebration will be held in Boise for local family and friends. Arlene's Celebration of Life will be held on Saturday, October

## ARE YOU OBSESSED WITH SPICY FOODS?

Tyrades! by Danny Tyree

Hot peppers bring tears to my eyes, but so does a family anecdote from my young adulthood.

I was living with my parents and slept during the day because I worked graveyard shift. One day my mother and brother brought home some pork barbecue for lunch. They pounced on the delicacy, chortling because I was missing out. (We're a quasi-functional family, okay?)

They should not have accepted the "hot" version of the sauce.

Bypassing "4 alarm," my mother's mouth went straight to DEFCON 1. Her tongue was so enflamed she didn't have time to warn my brother before he bit into his own sandwich.

Mom soon had her head under the kitchen faucet, vainly trying to dilute the inferno. My brother couldn't get a turn at the faucet, so he rushed to the garden hose at breakneck speed for relief.

Revenge is a dish best served while Tyree is awake to witness it, but I settled for a leftover confession.

My mother and brother tortured their taste buds unwittingly, but many people nowadays intentionally bombard their mouth with ever-larger doses of capsaicin, the chemical irritant and neurotoxin that gives chili peppers their kick.

(Surely you remember the old Quaker Oats motto: "Nothing is better for thee than me ... although chemical irritants and neurotoxins come in a close second.")

Restaurants and community festivals have long taunted guests into consuming more and hotter peppers, but now challenges on social media have kicked the competition into overdrive.

Well, overdrive with a hint of idling. A trendy tortilla chip has been pulled from the shelves since the parents of a Massachusetts teenager claimed that he died from the product. (This beat the manufacturer's initial response of "You say tomato, we say Carolina Reaper Chile...")

Consumers are exposed to heaps of glamorization of pepper challenges, but precious few negative consequences. ("The girl gagging, coughing, begging for water and curling into a fetal position? She's ...um...producing a science video called 'Our Friend the Third Trimester'. Yeah, that's the ticket.")

My wife and son are decidedly on the wimpy, non-adventurous side of the pepper spectrum. For them, chili con carne is nice, but chili con Mentho-Lyptus would be even better.

You know how warning labels indicate that peanuts may or may not have been on the same equipment as the food you're paying for? My wife and son check for labels indicating whether peppers have been used on the same CONTINENT as the food they're paying for.

For me, no trip to Subway is complete without a liberal dollop of jalapenos. They invariably clean out my sinuses. Too well, perhaps. One time I was exposed to repressed smells from the 7th-grade locker room!

So, yes, I'm in the spicy food camp, but I'm not a fanatic about it. Even I recognize that the whole macho "double dog dare you" attitude is hazardous. I've heard my share of "Come on, this'll put hair on your chest" challenges about various concoctions, but this is more like "Come on, this'll put defibrillators on your chest."

I'm sad that my mother now complains about the blandness of the nursing home food. Even after nearly 40 years, I could probably track down the secret formula for resurrecting her taste buds.

But only if the oxygen tanks are out of the room. Only if the oxygen tanks are out of the room.

## Town Pump Cash Match

To benefit the Beaverhead Community Food Pantry, the Town Pump Cash Match has begun again. All cash donations we receive from September 1, 2023, through November 30, 2023, Town Pump will match dollar for dollar up to \$15,000 through their "Be a Friend in Deed, Help Those in Need" campaign. This match program that Town Pump offers is always one of our largest donations which helps us with purchasing groceries and pay operational expenses. Our numbers of households we serve has jumped over the last year from an average of 60 to over 110 weekly. The Food Pantry is a 501(c)(3) non-profit organization. We run entirely on volunteers. Please help us reach our goal by sending your donations to the Beaverhead Community Food Pantry at P.O. Box 1356, Dillon, MT 59725.

**FWP seeking public comment on some environmental assessments**

Montana Fish, Wildlife & Parks is seeking public comment on two environmental assessments (EAs). For more information, including how to submit comments, click on the link provided or visit [fwp.mt.gov/public-notice](http://fwp.mt.gov/public-notice).

**White Bear Fishing Access Site EA**

FWP is proposing a project to provide security features and develop additional recreational amenities to mitigate undesirable and illegal public behavior at White Bear FAS near Great Falls.

The proposed project would provide the following benefits:

- Provide additional security features to increase the safety and security of the public who visit the FAS;
- Provide additional recreational amenities to attract desirable use of the FAS and provide opportunities for nature viewing, fishing, walking, biking, dog walking and learning about the natural, cultural and historical resources unique to the area;
- Reduce the undesirable and illegal use of the FAS;
- Eliminate commission-imposed seasonal closures, keeping the FAS open year around.

FWP's objective would be to begin work in early 2024 and complete the project by the fall of 2024.  
 Comments due Sept. 26.

**Peters Pond EA**

A private landowner is applying for a Private Fish Pond License and proposes to stock largemouth bass, crappie (black or white) and bluegill in an unnamed private pond. Bluegill are not authorized to stock in private ponds in Region 4 per Montana FWP Fisheries Division policy and are therefore not considered in this analysis and will not be permitted. The pond is located on an unnamed tributary of Box Elder Creek near the town of Roy with no documented fish presence. The project is sponsored by the private landowner and the license would be active for a period of 10 years from the year of issuance (2023). The license can be renewed for additional 10-year intervals at the end of each term and the license is transferable.  
 Comments due Sept. 28.

## Planning is well underway for another terrific Beaverhead County HS/JH Rodeo Team annual rodeo this fall.

*We are scheduled for September 22nd-24th, 2023 at the BeaverheadCounty Fairgrounds.*

We are targeting to have over 150 junior high and high school youth competing in barrel racing, pole bending, tie-down and team roping, steer wrestling, rough stock events and more.

In addition to the rodeo events, there is a shooting sports competition Friday, September 22nd at 1:00 pm at the Dillon Trap Club & Rifle Range where junior high and high school students compete in light rifle and trap shooting competitions.

Again, this year, we are also hosting a breakaway roping jackpot for our junior high and high school athletes Friday, September 22nd at 7:00 pm at the Fairgrounds.

We are so appreciative of the support the community provides to the Beaverhead County HS/JH Rodeo Team and would not be able to host one of the largest attended MHSRA events in the state without it. With over 150 contestants and their families from all over Montana expected to attend, it will be a great opportunity to promote your business and be recognized throughout the weekend and afterwards. We are still looking for some sponsors for this great annual event. If you are interested in sponsoring or learning more about the weekend, please contact Stacy Setzer by texting or calling at (406) 570-2739.

## CDL Driver:

Lakeland Feed & Supply is looking for a CDL driver who is motivated, hardworking individual to join our crew. We are a locally owned agriculture-based business, providing quality products and superior service. Seeking an individual who can multi-task to complete a variety of tasks in an outdoor work environment. Primary duties will include loading and unloading trucks with grain, fertilizer, and palletted goods, operating forklifts, and other equipment such as augers, mixers, and conveyors. Class A CDL is required or the ability and desire to obtain one within 60 days minimum. Pay is dependent on experience.

To apply please email resume and cover letter to [wyattu@lakelandfeeds.com](mailto:wyattu@lakelandfeeds.com) or call Wyatt (406) 850-1512.

## Store Clerk:

Lakeland Feed & Supply seeking a store clerk. Your duties would include but are not limited to working in our retail store ringing up and loading customers, cash register reconciliation, assisting customers over the phone, assisting in inventory counts, keeping records of sent materials, and requisitions & storing materials to maintain stock. Applicants will be working in a feed and farm environment with daily exposure to hay, straw, and dust as well as the handling of various herbicides and insecticides so allergies are a consideration of employment. Applicants must also be able to repeatedly lift and move 50 to 80-pound feed bags on a regular basis. Strong agriculture background preferred.

Willing to work with college schedules!

## Tired of Planning Your Life Around Your Period?

### Gain Control of Your Life with New Treatment Option at Barrett Hospital & HealthCare

Unfortunately, 1 in 5 women suffer from heavy periods, including excessive blood loss and severe cramping, which can mean missing social activities, work, exercise, and more.

Regain control of your life and achieve pain relief with Cerene® cooling technology (cryotherapy). With Cerene® cryotherapy, the lining of the uterus (the endometrium) is removed, alleviating discomfort and minimizing bleeding.

Cryotherapy provides natural, pain-relieving effects during treatment, so no general anesthesia is required. This simple procedure can be performed in the comfort of our clinic setting.

Cryotherapy is designed for premenopausal women finished with childbearing and experiencing heavy menstrual bleeding (due to benign causes).

#### **WITH CERENE® CRYOTHERAPY:**

- Achieve period pain relief and reduced bleeding. 90% of women had normal, light, or non-existent periods afterward.
- Receive the treatment in our convenient clinic setting.
- Get back to your life! 9 out of 10 women return to daily activities within 24 hours.
