Kathryn "Kathy" Louise (Green) Ball

Kathryn "Kathy" Louise (Green) Ball passed away September 20, 2023, at Ruby Valley Hospital in Sheridan, Montana.

Kathy was born on March 26, 1945. She grew up on a small family ranch on the Wisconsin Creek. She attended school in Sheridan and graduated in 1963. On November 1, 1968, she married Clarence Ball and their family become a "yours mine and ours".

Kathy worked as a ranch hand on several local ranches including Jenkins, Bayers, Seidensticker and Mehlhoff. Then in later years she worked at the Williams Feed store in Sheridan. There wasn't anything Kathy couldn't do

from the back of a horse.

Kathy was a member/leader and actively involved in all aspects of 4-H for 42 years. She was also a member of the Madison County Saddle Tramps and Omoksee Club. Some of Kathy's fondest memories are of the 4-H members and families, and the many lifelong friendships that developed throughout the years. One of her proudest memories came in 1999. The Friends Show and Sales Arena was built with donations from businesses, individuals, and families for the 4-H and FFA members.

Kathy is survived by her daughter Betty Ball, sons John Ball and Robert Ball, grandchildren Nathan Paty, John Ball Junior, Bianca O'Sheaf, Cassie Brown and Tara Beskoon, sister Tena Knobeloch, nephew Jarod Knobeloch, and several great grandchildren. She was preceded in death by her parents Maxine Duncan and Bud Green, husband Clarence Ball and son Howard Ball.

In remembrance of Kathy, the family invites you to join them for a Story Telling Potluck on October 14, 2023 at 1:00 pm in the square building at the Madison County Fair Grounds in Twin Bridges, Montana.

Memorials can be sent in her honor to: The Madison County Fair Livestock Sales:

THANK YOU!

I just wanted to express my gratitude to Brundage Funeral Home for hosting a get together for me during my short visit to Dillon a few weeks ago. It was so nice to see everyone. I am sorry I don't have addresses so I can't do this personally. It was a whirlwind trip and then it has been a whirlwind adventure since getting home. Montana doesn't have the flea problem that they do in more humid areas. My mistake. But live and learn. Anyways I have been knee deep in fleas so to speak so a bit negligent in getting this out to you. I think I have things under control now though. But, thank you from the bottom of my heart for your love and support. It means a lot.

Sincerely, Julie Briggs

**Attorney General Knudsen calls on Supreme Court to
overrule restrictions on homeless camp bans**

Montana Attorney General Austin Knudsen, in a petition filed today, led a coalition of 20 attorneys general in asking the Supreme Court of the United States (SCOTUS) to reverse a lower court's decision that prohibits states and local governments from enforcing laws that prevent public spaces from becoming homeless encampments.

In the petition for a writ of certiorari submitted Monday in the case of Johnson v. City of Grants Pass, the attorneys general argue that the circuit's 2018 decision leaves the states powerless to help relieve the problem, constitutionally the states have criminal law and land-use policy authority, and that the decision is an outgrowth of the "evolving standards of decency" jurisprudence.

"The Ninth Circuit's holdings are wrong on at least two levels. First, the Constitution nowhere strips States of the power to regulate use of public spaces. It empowers States and guarantees an inviolable sovereignty meant to address local issues like homelessness," the attorneys general wrote in the. "Second, the Ninth Circuit relied on this Court's 'evolving standards of decency' jurisprudence, which lacks textual, historical, or structural support. The Court should put that troublesome jurisprudence to bed once and for all."

In 2018, the Ninth Circuit wrongly found that the Eighth Amendment provided the right to "sleep, camp, and defecate in public spaces." Then in 2023, the court went even further to hold that the Eighth Amendment prevents civil fines for "engaging in involuntary, unavoidable life sustaining acts." Meanwhile, cities in Montana and across the western United States are struggling to combat homelessness in their communities with their hands tied by the Ninth Circuit ruling.

For example, in Montana, Missoula had 60 separate encampments across its 400 acres of public parks as of August 2023. However, the city is restricted in its ability to combat the issue following the 2018 decision that said jurisdictions must have bed space that outnumbers homeless persons before enforcing an anti-camping ordinance. Since the city cannot meet that requirement, residents are forced to deal with dirty and unsafe parks, vehicles "full of human waste," and debris clogging the city's irrigation and waterways. Similar problems are occurring in other Montana cities including Billings, Bozeman, and Kalispell.

"When it comes to public encampments, States have significant land interests. States regulate public encampments to protect natural resources, prevent wildfires, preserve the value of recreation, and maintain an area's dignity and public value," the attorneys general wrote. "The Ninth Circuit's decision leaves States unable to protect those interests."

Attorneys general from Alabama, Alaska, Arkansas, Florida, Indiana, Kansas, Louisiana, Mississippi, Missouri, Nebraska, North Dakota, Oklahoma, South Carolina, South Dakota, Texas, Utah, Virginia, and West Virginia also joined the brief led by Montana and Idaho.

Elks Lodge Makes Changes to Bingo

The Dillon Elks approved changes to our Thursday night bingo games starting in October. We hope the changes will help those who can't make it right at 7pm, those who don't want to play so many games, allow our players a chance to take breaks, make it more affordable, and give our volunteer callers a few breaks.

Bingo will start promptly at 7pm. Single bingo cards (not the 3/sheet) will be sold at the beginning of each game for \$1 per card. Midway Blackout and the Final Blackout games will start at 8 and 8:45, respectfully, with cards being the same price as usual.

Town Pump Cash Match

To benefit the Beaverhead Community Food Pantry, the Town Pump Cash Match has begun again. All cash donations we receive from September 1, 2023, through November 30, 2023, Town Pump will match dollar for dollar up to \$15,000 through their "Be a Friend in Deed, Help Those in Need" campaign. This match program that Town Pump offers is always one of our largest donations which helps us with purchasing groceries and pay operational expenses. Our numbers of households we serve has jumped over the last year from an average of 60 to over 110 weekly. The Food Pantry is a 501©3 non-profit organization. We run entirely on volunteers. Please help us reach our goal by sending your donations to the Beaverhead Community Food Pantry at P.O. Box 1356, Dillon, MT 59725.

Bulldogs Snag Second Straight Sweep in Conference Play

The Montana Western volleyball team (15-1, 2-0) rolled to a 3-0 (25-18, 25-22, 25-22) sweep of the Carroll College Saints (5-13, 0-2) tonight. "I think that the team did great tonight. Obviously with Peyton going down, we had to have someone really step up. I think Jaiden did a great job with that," Head Coach Katie Lovett said. "We had a lot of different opportunities for freshman to step into some different roles out on the court. I feel that they did a really good job so it is exciting for not only this game here but for the future of our program." How it Happened

The Bulldogs hit .250 in the first set and held Carroll to a .068 mark led by four early kills from sophomore right-side Jordan Olson to take the one set lead at 15-12. A kill from Jazi Smith and a block from the pair of Jaiden Perez and KayLee Kopp pushed the Bulldogs over to take set one 25-18.

Unlike the first set, Carroll jumped out to an 8-3 lead. Kills from Danyel Martin and Kaitlyn Van Well closed the gap to just a point. An ace from Kaylee Fritz pushed UMW back out in front and the Bulldogs never turned back. Western went on to take set two 25-22.

The third frame saw the Bulldogs surge to a massive 14-3 lead early on. Carroll followed with their own 10-1 scoring run to bring the game within just two points. Despite the comeback, the Saints struggled to hang on and the Bulldogs ended the game at 25-22.

Notables

- The last time the Bulldogs swept the Saints was back on September 23, 2005 when the Bulldogs downed Carroll on the road. The last home sweep over the Saints was back in 2002.
- As a team, UMW served their way to five aces.
- Fritz led the Bulldogs on the night, putting up 25 assists, 15 digs, and an ace.
- Smith led the Bulldogs on offense, totaling 11 kills with a .308 hitting percentage. She also added 13 digs.
- Freshman middle Perez stepped up in the matchup, recording her first two blocks of her career at UMW.

Up Next The Bulldogs hit the road for the next three matchups. They first travel to Billings this Friday, September 29 to take on (RV) Rocky Mountain College (12-6, 1-0). The last time the two teams faced, the Bulldogs won 3-1.

UMW Named Hidden Gem College of the Rockies

The University of Montana Western has been selected as a 2024 Hidden Gem College in a recent announcement by College Raptor, a leading college planning platform.

College Raptor is a website designed to help students, parents, counselors, and colleges resolve significant challenges in college planning. College Raptor is the only college search platform that enables students and families to discover quality, affordable college options based on personalized estimates of financial aid, scholarships, academic match, and acceptance odds at every four-year college in the country.

This selection recognizes UMW as one of the best colleges in the country, based on a combination of factors, including retention rates, graduation rates, student-to-faculty ratio, endowment per student, selectivity, and other key metrics as reported via the National Center for Education Statistics (NCES) for the most recently available enrollment year.

"For students seeking the enriching experience of a smaller college with exceptional programs, institutions like UMW emerge as prime options, and we are honored to spotlight them with the recognition they genuinely deserve," said William Staib, co-founder and CEO, College Raptor.

UMW offers the lowest tuition cost of any four year university in Montana, with an in-state tuition of \$2,423 per semester, WUE tuition of \$3,634 per semester, and out-of-state tuition of \$8,687 per semester. The fields of academic study at Montana Western include Biology, Business and Technology, Environmental Sciences, Education, English, Equine Studies, Health and Human Performance, Fine Arts, Mathematics, and History, Philosophy, and Social Sciences.

Students at the University of Montana Western enjoy a tight-knit community atmosphere and small class sizes where they work closely with peers and professors alike. Montana Western focuses on serving students, achieving academic excellence, and promoting experiential education.

UMW and the community of Dillon are an excellent choice for students to take advantage of the immersive learning opportunities offered by the Experience One program, where they will build critical and creative thinking skills to prepare for real-world job and graduate school opportunities.

For more information about Experience One and the University of Montana Western, or to schedule a visit, call 877-683-7331 or visit www.umwestern.edu.
