Velda "Lee" Jones, 84

Velda "Lee" Jones, 84, of Dillon, Montana, passed away Thursday, August 31st, 2023 in the company of her loving family.

Lee was born August 14, 1940, to Don and Jeanne (LeClair) Robinette in Ballentine, MT. She was raised on a ranch in the Huntley area and graduated from high school in 1958. She met Bruce, the love of her life in 1954. The couple was married on June 6, 1959. Shortly after marriage Bruce and Lee moved to Dillon to start their family. They had three Adonis like sons between the years of 1960 and 1971. Michael Scott, Robert Brett and Brady Jay respectively.

Lee lived her entire life as a fierce and loving wife, mother, grandmother and friend. Anyone who knew her can attest to this. She had a wonderful sense of humor and an infectious laugh that would make everyone in the room smile.

Lee worked many jobs in Dillon such as with Dr. English, The Printing Place, Kings/Gambles and others. Lee was well known for her dedicated work ethic and her infectious sense of humor.

In her free time she enjoyed camping and searching for artifacts and purple glass in the Horse Prairie. She loved going to the Crow Agency fair outside of Hardin. She also loved traveling to the southwest to see the native American sites.

She is survived by her husband, Bruce, sons Scott (Sue) Jones of Dillon, Rob (Karolee) Jones of Dillon and Brady (Chantel) Jones of Boise, ID and grandchildren, Coley Jones, Brooke Jones, Jennifer Oxley, Taylor Jones, Piper Jones and Quinn Jones, along with several great-grandchildren. She is also survived by her sister Susan (Gary) Brewington and brother, Doug (Anna) Jones as well as numerous cousins, aunts, uncles, nieces, nephews and dear friends.

In lieu of flowers the family requests that any donations be made to The Beaverhead Animal Shelter or to the Renaissance Senior Care center .

No services are scheduled at this time as Lee was not a big fan of the winter. Instead, there will be a celebration of life scheduled in the warm, bright sunny spring (just as she liked it). Notification and invitations will be sent prior.

Wyatt Smith

Wyatt Smith was a student rodeo athlete at the University of Montana Western from 2007 to 2010. During his time at Montana Western, he earned the title of Big Sky Region saddle bronc champion and all-around champion. He went on to qualify for the CNFR four times in bronc riding and steer wrestling. In 2009, Wyatt clinched the National Steer Wrestling title and all-around title at the CNFR, a testament to his versatility and dedication. After graduation, Wyatt went on to compete professionally as a steer wrestler and qualified for the National Finals Rodeo in 2014. Today, Wyatt has turned his passion into a purpose and currently serves as the women's head rodeo coach and the assistant men's coach at Clarendon College in Clarendon, Texas.

1966-67 Men's Track Team

The Western Montana College Track teams of 1966 and 1967 won two consecutive Frontier Conference Championships led by head coach, Cecil Kent. At the District Five NAIA track and field meet, Western placed first in 9 of the 16 events. New records were set by standout athletes Wayne McEwen in the shot put and Ken Walt in the discus. The "Salmon Whiz," Fred Snook, rewrote the school, conference, and NAIA record books with his impressive performance in the 330-yard hurdles. The mile relay team consisting of Fred Snook, Jack Filcher, Gary Youngquist, and Bill Hiner went undefeated all season. Montana Western thanks this team for their contributions to the college and is proud to recognize their accomplishments and enduring legacy.

Moderna Covid Vaccine is now available at Public Health

Beaverhead County Public Health is ready to vaccinate the public with the new updated 2023-2024 Moderna Covid-19 vaccine for people 12 years and older. Protection from previous vaccination or infection weakens over time. This updated vaccine is a better match to protect against the most common variants circulating now. Everyone aged 5 years and older should get 1 dose of the updated vaccine to protect against serious illness from Covid-19. People who are moderately or severely immunocompromised may get additional doses of this vaccine. For more information, please see cdc.gov/coronavirus.

Public health does not have the vaccine for children under the age of 12 years at this time but hope to acquire it in the near future. The number of doses for children 6 months – 4 years of age will need depends on the number of doses of Covid-19 vaccine they received in the past.

Covid vaccine will be billed to insurance so please make sure you bring your insurance card. For those that do not have insurance, the state has a supply of vaccine we can provide to uninsured children and adults at no cost. We will update your current Covid-19 vaccination card if you bring it to your appointment but it is not necessary. This supply of vaccine should be available in the next 1-2 weeks.

Public health has expanded their vaccine clinic hours to 9am – 4pm every Wednesday. Appointments are strongly encouraged but walk-ins are welcome. For appointments and questions, please call 683-4771.

Veteran's Corner Update #223

By Mike Lawson

Veteran News:

- The SW MT Veteran's Home has seen residents in Cottage #3 & #4 come down with Covid. Endro, who operate this facility, took an aggressive approach by isolating those affected residents to their room and required everyone to wear masks, among other measures. Thanks to Endro for taking measures to containing this outbreak so quickly. The Walkway/Connector, between Cottages #4 & #5, is just waiting for the inspection by the state. The landscaping, that got tore up for the construction, is repaired and looking good. The other two Walkways are in the beginning process of construction and will be updated on as they progress in being built.
- We've all seen the fatality markers representing highway deaths across our state. The American Legion Posts in Silver Bow, Deer Lodge, and Beaverhead Counties are part of the American Legion White Cross Highway Fatality Marker program. This was started 1953 by Floyd Eaheart out of Missoula Hellgate Post 27. It was the practice of placing metal white crosses where people have been killed and was legally recognized in 2007, when the Montana Department of Transportation included the program in the 2007-2008 Official Montana Highway Map and began constructing signs across the highways, informing drivers that the white markers are maintained by the American Legion. Talking with Roger Knoell from Post #1, here in Butte, he said the different Posts will help each other to cover areas on both the Interstate and Secondary Highways. He also said that putting flowers at the base of these markers are ok , but to please, not hang anything on the markers themselves.
- A lot is heard of the shootings taking place across our country, in fact, we have more civilian gun fatality deaths in America than in any other nation on earth. With that said, our lawmakers are looking for answers to find solutions to address this catastrophe. It's a touchy subject, especially with 2nd Amendment rights. President Biden has tried a couple of approaches, one is to stop the funding for hunter safety classes in our public schools. In Montana especially, this is against what our culture of using guns for hunting and sporting events is all about. Once again Sen Tester, with the backing of Sen Daines and our other congressional representatives, has introduced a bipartisan bill to restore funding for these hunter safety classes in our schools. Passing both the Senate and House, it is now on the President's desk to be signed.
