Beaverhead Search and Rescue News

Submitted by Mel Rice: Public Relations Officer

On the evening of October 10, 2023, the Beaverhead Search and Rescue was paged to search for two 72 year old gentlemen. The page for search managers went out at approximately 9:15 PM. The two elderly men left town the morning of the 10th with the intent of walking off the Black Mountain road and hiking to the summit of Baldy Mountain. After spending the day on the mountain, their energy and stamina had run out. The two men sat down and rested waiting for assistance to show up and help them get off Baldy.

Beaverhead Search and Rescue deployed 5 teams to the field to assist in the search for the two assumed lost individuals. The 5 teams were sent to different areas around Black Mountain and Baldy Mountain. Areas that were identified as possible find locations were the Black Mountain road, Dyce Creek, Estler Creek above Kelly Reservoir, Argenta area, and the Baldy Mountain Trailhead.

At 10:35 a Deputy Sheriff located the individuals' truck as well as foot prints heading up the trail in the direction of Baldy Mountain. At 11: 59 PM, search teams met up with the deputy and formulated a plan to search the mountain for the two missing individuals. At approximately 1:48 AM the missing subjects were located by Team 2 made up of Nathan Freeman and Dusty Crowe. They made assessments of the individuals' health and physical condition. It was determined one of the individuals would walk off the mountain and the second individual would need assistance to get down. Around 2:00 AM Dusty started the decent off the mountain. Nathan built a fire and stayed with the other party member who was experiencing extreme knee and leg pain. Teams 2 and 5, Julia Clark, Adam Norlander, Alex Dunn, and Trent Cottom headed up the trail with the rescue mule and chain saws to cut open the trail to bring the second member off the mountain.

All rescue teams and the two overdue gentlemen arrived back in town at approximately 6:30 AM.

Other individuals participating in the search were: Team 3 Mark Smith and James Matthews, Team 4 Clint Rouse and Parke Scott and Jason Erickson who served as incident commander for the search and eventual rescue of the two men.

At this time the BVHD SAR unit would like to remind everyone going out to enjoy our beautiful country to be prepared for any and all possible situations. Have proper clothing with you, proper equipment, and be in your best physical condition possible. Weather this time of year is at best very unpredictable. Please be careful out there and take care of yourselves.

"In the Business of Saving Lives", your Beaverhead Search and Rescue.

AG Knudsen issues statement on condemning the Hamas terrorist attacks on Israel

Montana Attorney General Austin Knudsen joined attorneys general from 25 other states in issuing the following statement in response to the Hamas terrorist attacks against Israel:

"We are outraged by the terrorist attack perpetrated by Hamas against Israel. Hamas, a genocidal terrorist organization, decided to violate the laws of nations and nature in its bloody, pre-planned massacre of civilians.

Hamas murderers slaughtered hundreds of innocents — homebodies and concertgoers, Holocaust survivors and newborns. The dead are not just Israelis, but Americans and citizens of countries around the world. The images, videos, and stories still coming out since that raid are heartbreaking. Many of those videos and images were released by the perpetrators themselves. Kidnapping, torture, and rape violate the laws of all societies, of civilized states, and of war. Innocents both in Israel and in territory occupied by Hamas continue to pay the price for Hamas's terrorist operations in Gaza and invaded Israeli territory. No sovereign nation can tolerate such terrorist operations within its borders.

We stand with Israel as it defends itself from this inexplicable and obscene violence. Israel's remarkable resilience and restraint are exemplified by its longstanding commitment to minimizing civilian casualties while defending its people. We regret that Israel's pursuit of justice and self-defense will cost lives. But responsibility for every life lost in this conflict can be laid at the feet of the cowardly Hamas leadership, residing in comfort in Doha, and their murderous servants. We pray for peace and safety for Israel and the rest of the Middle East."
