Beaverhead Search and Rescue News

Submitted by: Mel Rice-Public Relations Officer

The Beaverhead Search and Rescue was called out for a second night in a row on Tuesday October 11, 2023. Initially the fire department had been paged for a vehicle fire on Gallagher Mountain, southwest of Dillon. When the fire department could not reach the incident because of road conditions, the BVHD SAR unit was paged to go rescue the individual whose vehicle was burning. The page was received at 8:44 PM for members with all-terrain vehicles to go up on Gallagher Mountain to retrieve the young man. The weather was very inclement with rain in the lower elevations and snow at the elevation of the vehicle. The owner of the vehicle was from Billings and was out scouting for elk when he saw his jeep had caught on fire. He called 911 for help. The young man indicated he would stay with the vehicle until help arrived. After the fire had burned itself out and because of the cold wet weather and because all of his clothes had just been destroyed, the cold wet individual decided to walk down the road to stay warm and meet the rescue teams.

Hasty team 1, comprised of Zane Woods and Trevor Hyland, was dispatched to the fire location at 9:28 PM. Approximately 20 minutes later a second hasty team, made up of John Helle and Shawn Ishler, was sent to the same location to aide in bringing the burned vehicle's owner off the mountain. When team 1 arrived at the vehicle at 10:14 PM there was no one to be found. They started trying to figure out which direction the

man had gone. The owner who had started walking out took a wrong turn and watched his rescuers drive by at a distance. At that time he started walking cross country to the right road and reached it just as team two made it to his location at 10:48 PM. All parties left the vehicle on the mountain and returned to town at 11:50 PM. Incident commanders on the rescue were Lawrence Morrisroe and Taylor Grover. Other members working the command center were Joe Reyes and Jamie Trivette.

After each incident that your S&R is involved with we like to remind people to be prepared both physically and equipment wise. This is a great example of an individual being completely prepared and yet lost everything he had and was consequently caught out in the elements without necessary clothing for the weather conditions by no fault of his own. It is assumed that the young man stopped his vehicle in an area with heavy long grasses which were against the catalytic converter of the jeep. Because of the dryness of the grass and the heat from the converter, it all ignited burning the vehicle completely. The grasses in Beaverhead County are very healthy and dry at this point. Please recognize this potential for fire ignition and park your vehicles in responsible locations. With hunting season opening this weekend, do take care, be prepared, and stay aware. Last year we had the same weather leading into open day and ended the day with multiple inches and in some cases feet of snow. Please be vigilant in what you are doing. "In the Business of Saving Lives", your Beaverhead Search and Rescue.

Beaverhead FFA at NILE in Billings

Just wanted to report on another productive FFA contest outing this week at the Northern International Livestock Exposition (NILE) in Billings.

This was a huge year for the NILE, maybe one of the best-attended events I've ever seen. Over 1100 4H & FFA members representing 124 FFA chapters and 4H clubs from 9 western states competed Monday and Tuesday in the Livestock Judging, Veterinary Science, Ag Sales & Service, and Horse Judging events. This really was the best of the best from our part of the country.

Vet Science - 2nd place team, consisting of Maddy Brooksle, Taylor Yecny, Clancy Setzer, and Katie Johnson all placing in the top 20 individually.

Jr FFA Livestock - 7th place team consisting of Kenndyl Meine (1st individual), Bridget Lovaas, Ashlyn Burk, Eli Johnson, & Madison Ward

Sr FFA Livestock - 13th place team consisting of Katie Johnson (4th individual), Savanna Freitas, Parker Dixon, & Rowdy Mattison

Ag Sales - 17th place team consisting of Ryleigh Plovanic (3rd individual), Josi Ward, Asher Burch, & Tucker Sitz

Horse Judging - 19th place team consisting of Katie Johnson (2nd individual), Scarlett Garrison, Nona Wagoner, and Madison Ward.

The picture below is from the Livestock Judging contest on Monday, where we had just over 600 contestants alone!

Fence pull at Yellowstone Wildlife Management Area October 27

Hunters and others passionate about wildlife conservation have an opportunity to actively participate in a stewardship project next week. Pheasants Forever, in conjunction with Montana Fish, Wildlife & Parks and Montana Backcountry Hunters & Anglers, is hosting a fence pull at Yellowstone Wildlife Management Area (WMA) on Friday, Oct. 27, to improve habitat connectivity. All equipment will be provided, but participants are asked to bring lunch and water. Participants should meet at the large shop building located at the WMA. The event will run from 9 a.m. to 4 p.m.

According to a 2021 National Geographic report, 600,000 miles of rural fencing run throughout the American west. Fencing is an essential aspect of livestock and property management. However, fencing—especially unnecessary barbed wire fencing—can become hazardous to wildlife and create barriers for their daily and seasonal movement.

Participants at the Yellowstone WMA fence pull will work to remove unnecessary and abandoned fencing on the property to improve habitat connectivity at this popular hunting location. For more information on the event, contact Crystallina White with Pheasants Forever at clwhite@pheasantsforever.org

For more information on Yellowstone WMA, including location, visit: myfwp.mt.gov/fwpPub/landsMgmt/siteDetail.action?lmsId=39754640&fbclid=IwAR3-XIp71E7_gLzjPB-1-YJjYLZh7thpj0A-7QrqmxqFeKwpIbvuImY128.

Veteran's Corner Update #225

By Mike Lawson

The DAV has a new program to provide support and resources to the friends, family members and loved ones who provide care for those who served. It will help improve the quality of life for veterans and their caregivers while extending the time that they can live outside of healthcare facilities. Sometimes caregivers have more questions than answers and feel helpless. This will be a wonderful resource and here are just a few of the benefits:

Online resources and risk screening to better understand their role as a caregiver.

Digital tools to support their caregiving responsibilities.

Personalized care plans and one-on-one support from a trained caregiver specialist with experience supporting veterans and their loved ones.

You can find information at www.davcaregiver.org or call the DAV Caregivers Support help desk at 800-421-5137.

The National Pact Act that was introduced in a Bipartisan Bill, in Congress, by our own Sen Tester and supported by our Montana Congressional Delegation, on August 10, 2022, has been a great success in helping those veterans exposed to toxic exposures while serving in the military. These are some of the latest statistics:

1. Over 1 million claims have been filed by veterans
2. 95% of these claims have been granted.
3. 2.3 billion dollars retro active benefits have been paid.
4. Montana VA has processed 2,639 claims with a Grant rate of 94% and have paid out over 1 million dollars.

Considered one of the best Veteran Bills ever passed in Congress, our rural state of Montana can take credit for leading the way to it's passage.

With the Israeli/Hamas/Palestinian and the Ukraine/Russian conflicts seeing heavy duty combat with many of the innocent being victims, it's hard to know what role the US military might be forced to become involved, in either of these conflicts. Many of our military folks are being sent to locations, close to these areas, to support our allies, which very easily could forced them into combat situations. If your a praying person, like I am, pray not only for those who serve to be kept safe and out of harms way, but for those country's soldiers who are fighting to preserve freedom and the safety of their people. I'm praying for peace and that this insanity of war will end and be resolved. We can never take anything for granted and our military forces are what keep the tyrants of the world, like Putin and the Hamas, from attacking the US and taking our freedoms from us. Remember the brave men and women who serve and keep them in you prayers. Until next time, take care.

Local author releases new book

Local author, Cherie Lewis will be signing copies of her debut book, *Never Say Uncle: A Novel based on a True Story* from 1:00-3:00 on Saturday, October 21st.

Lewis has created a captivating read that is a page-turner and a book that will be hard to put down. Being as intensely private as she is talented, she shares her inspiring story like no one else can, giving the reader the ride of a lifetime as she desperately searches for her life's purpose. This is a story told with bravery, insight, integrity, and the unwavering desire to survive. *Never Say Uncle* is a story of never giving up and never giving in and never surrendering to the enemy within. The author takes you to the dark side, revealing how the main character, a barefooted little girl in pigtails, escapes the wrath of childhood abuse, becoming a mighty warrior battling to keep control of her life after love, loss, and heartache. The author takes you on a journey from overcoming obstacles of being victimized to becoming a survivor from the enemy that had taken a solemn oath to keep her from harm's way. From the very beginning, the writer shares the tale of a family of tortured souls and the brave young girl who must fight against the disloyal protector and untrustworthy guardians of her childhood, only to escape into the arms of a self-proclaimed mountain man, falling into a world of bitterness, anger, and despair as she jumps out of the frying pan and into the fire. From the first page to the last, the author does not disappoint.

This book is an inspiration to women all over the world fighting to defend against child abuse. Please call 683-6807 if you have any questions or would like to reserve a copy of the book

ELECT BILL KNOX FOR DILLON CITY JUDGE

My name is Bill Knox, and I am running to be the next Dillon City Judge. My background and experience listed below will confirm why I am the most qualified candidate.

Born in Dillon and raised on a ranch northeast of Dell, my Elementary and High School education was in Lima. I graduated Salutatorian in 1975, attended Montana State University and earned an Animal Science Degree.

My wife Cathy taught at Parkview Elementary for 38 years until retirement. Our two boys were born and raised in Dillon and are BCHS graduates.

Involved in the operation of our family ranch until we sold it in 2001, I have held other positions along with my ranch responsibilities. I was a Licensed Outfitter for over 20 years and have been a Certified General Real Estate Appraiser since 1994.

My involvement in Law Enforcement and the Criminal Justice system began in 1990, when I was hired as a dispatcher with the Beaverhead County Sheriff's Office. Until my retirement in 2022, I was employed with that department, part time and/or full time, for over 31 years as a Dispatcher, Reserve Deputy, Full Time Deputy, Deputy Coroner, and was appointed Undersheriff under two different Sheriffs.

COMMUNITY SERVICE:

- Member of the First Presbyterian Church.
- Active in Dillon Jaycees and Beaverhead Search & Rescue.
- Coached Little League Baseball and 4-H Shooting Sports.
- Volunteer Firefighter in Lima and EMT in Dillon.
- Founding member of Beaverhead Outdoors Association and Beaverhead Chapter of Rocky Mountain Elk Foundation.

EXPERIENCE:

- Served as bailiff during trials, gave testimony under oath, attended comprehensive court security training, and assisted prosecutors in preparation for trial.
- Extensive experience in the Civil Process, and litigation for non-criminal cases.
- Evidence Management and processing.
- Supervised the Detention Center as part of the Undersheriff duties.
- Worked closely with the County Attorney, and City Attorney when there was overlap between city and county cases.
- Transported detainees to District and City Court.
- Experience working with the Department of Criminal Investigation, Crisis Intervention Team, DUI Accountability Court, Southwest Montana Drug Task Force, and other agencies throughout the state.
- Extensive knowledge of Montana Criminal Justice Information Network, the Federal NCIC network, Municipal, Justice, District and Federal court systems.

I believe that a Judge must have comprehensive knowledge of the Montana and U.S. Constitutions, Montana Code, City and County Ordinances, and functions of the Criminal Justice System.

Above all else, a judge must remain impartial, unbiased, weigh all the evidence and facts, then render a decision.

I humbly ask for your vote to be Dillon City Judge. This is a mail in only election, so be sure to mail in or return your ballot to the Clerk and Recorder's Office located in the courthouse by 5:00 p.m. November 7, 2023.

Thank you.

Paid for by William Knox for City Judge, William Knox Treasurer, 305 S Arizona St Dillon, MT 59725
