Name Change for the Pickleball Court Group

BWSWMT-Pickleball has changed its name to Beaverhead Pickleball Association (BPA). The BPA has formed a 501(c)3 non-profit corporation under IRS rules. Originally, the association was a subcommittee of Bike Walk Southwest Montana which is also a 501(c)3 organization. The reason for this name change has to do with the inability of both organizations to obtain insurance while working together. Dave Cowardin, Chair of the BPA said "We wish we could have continued our relationship with Bike Walk but apparently insurance companies do not insure both bike camps and sports facilities together, thus the need to separate."

BPA and Bike Walk Southwest Montana will retain a good working relationship as they will be next door neighbors. The land upon which the courts are being built is currently part of the bike camp. It will be separated from the bike camp holdings and returned to Beaverhead County. The county will then lease the land to BPA as it does with other organizations involved with the Chris Kraft Beaverhead County Park.

The court project was to be completed this year, but due to the unavailability of contractors, higher-than-projected costs, and a need to raise more funding the date has been pushed back to the Spring of 2024. The BPA would like to thank the many individuals, organizations, and businesses from throughout Beaverhead County for their generous donations to date. There still is a need for donations to complete these free-to-use public courts. Donations can be mailed to Beaverhead Pickleball Association, PO Box 683, Dillon, MT 59725. Should you have a group that would be interested in hearing a short program on pickleball and/or demonstrate support for the efforts to build the courts, you can contact the BPA through their website: www.pickleballbcmontana.com

Local author releases new book

Local author, Cherie Lewis will be signing copies of her debut book, Never Say Uncle: A Novel based on a True Story from 1:00-3:00 on Saturday, October 21st.

Lewis has created a captivating read that is a page-turner and a book that will be hard to put down. Being as intensely private as she is talented, she shares her inspiring story like no one else can, giving the reader the ride of a lifetime as she desperately searches for her life's purpose. This is a story told with bravery, insight, integrity, and the unwavering desire to survive. Never Say Uncle is a story of never giving up and never giving in and never surrendering to the enemy within. The author takes you to the dark side, revealing how the main character, a barefooted little girl in pigtails, escapes the wrath of childhood abuse, becoming a mighty warrior battling to keep control of her life after love, loss, and heartache. The author takes you on a journey from overcoming obstacles of being victimized to becoming a survivor from the enemy that had taken a solemn oath to keep her from harm's way. From the very beginning, the writer shares the tale of a family of tortured souls and the brave young girl who must fight against the disloyal protector and untrustworthy guardians of her childhood, only to escape into the arms of a self-proclaimed mountain man, falling into a world of bitterness, anger, and despair as she jumps out of the frying pan and into the fire. From the first page to the last, the author does not disappoint.

This book is an inspiration to women all over the world fighting to defend against child abuse. Please call 683-6807 if you have any questions or would like to reserve a copy of the book

Grey Bear Fishing Access Site to be used as construction staging area

Public access remains open, temporary changes to parking

Grey Bear Fishing Access Site (FAS), located on the Yellowstone River west of Big Timber, will be used as a staging area for a riprap construction project on the Yellowstone Trail bridge. The work is anticipated to last from mid-October to early November. Heavy equipment and materials will be present at the FAS during this time, but the site will remain open for public use.

Public users will have access to launch and retrieve boats at the FAS during the project but are advised to use caution while on the river near the active construction site. Parking will be limited in the boat ramp area. Additional parking is available south of the boat ramp area.

This project will reinforce and repair riprap along the bridge following impacts from the 2022 flood.
