Montana Western Invites Community to "Trunk or Treat" on October 25

The University of Montana Western's Residence Life team is excited to host this year's "Trunk or Treat" event on Wednesday, October 25, from 6:00 to 8:00 p.m. in the BARC parking lot on campus.

During this family friendly event that is fun for all ages, Montana Western students, staff, and faculty decorate their vehicles with different themes while handing out candy. Families in the community are invited to wear costumes and bring their children and grandchildren to walk through the "Trunk or Treat" event and enjoy the festivities.

For more information, please contact UMW Director of Residence Life, Bonita Bontrager: bonita.bontrager@umwestern.edu or 406-683-7520.

Winter Preparedness

Winter Preparedness Cold temperatures are headed our way which means snow and ice will be here soon. R.E. Miller & Sons provides snow removal for many of our local businesses and here are a few helpful reminders for the public while entering a business parking lot where we are removing snow:

- * Please do not park behind or close to any heavy equipment. There are blind spots and it can be challenging for our drivers to see you, especially during heavy winter events.

- * When pulling into a business parking lot that we are currently plowing, please park in an area that has already been plowed if possible.

- * Make eye contact with the operator when walking through the parking lot. That way the operator sees you and can watch for you.

- * When walking across a parking lot, do not feel the need to rush or run. We are more than happy to stop and wait for you to cross. It's slick and icy after we plow, so please take your time.

- * The bigger parking lots are easier to avoid the equipment working. However, in the smaller parking lots it can be very difficult to maneuver the equipment. If possible, come back in a few minutes when the lot is done to avoid a collision.

- * If there is a collision with a piece of equipment. Pull out of the way and safely approach the operator to exchange information.

- * Watch for our guys on the ground shoveling, especially when it is dark.

- * Do not park in snow piles that are made in the parking lots. As always, we appreciate your patience!

Sincerely,
R.E. Miller & Sons

Hunter kills grizzly bear in close encounter in Gravelly Range

A hunter killed a grizzly bear Saturday during a close encounter in the Gravelly Range.

The hunter was reportedly charged by the bear before shooting and killing the bear at close range in self-defense. The hunter was not injured.

Staff from Montana Fish, Wildlife & Parks visited the scene the next day and confirmed the bear mortality. The bear was an adult female grizzly with no known conflict history. The bear was in good body condition and appeared to be digging a den near where the encounter took place.

This incident is still under investigation by the U.S. Fish & Wildlife Service.

Mears Earns Special Teams Player of the Week Honors for Second Time This Season

After an impressive weekend, Montana Western kicker John Mears was voted the ERCK Hotels Frontier Conference Special Teams Player of the Week. Mears was solid for the Bulldogs in their 34-30 win at Arizona Christian. He connected on both of his field goal attempts, including one from 50 yards which is the longest in the conference and one of seven makes from 50-plus in the NAIA this season. Mears also converted his four PAT chances for his first 10 point game of the season. This is the third weekly honor of Mears' career.

Veteran's Corner Update #226

By Mike Lawson

Veteran's news updates:

- The Marine Toys for Tots kickoff on Wednesday was well attended, with pizza and salad donated by Mackenzie River Pizza. The people who attended were from many facets of our communities and are appreciated for what they do to get needy children toys for Christmas. This is our Butte Marine Corps League Detachment #724's biggest event of the year and with the help/efforts from the folks in Butte, Dillon, Twin Bridges/Ruby Valley, Harrison and Whitehall, it is amazing. These communities can be proud because they are helping the kids and that's what it's all about and has been for 75 years. Many establishments in the our communities have generously allowed Toy Collection Boxes and TFT Money Collection Boxes, to be put in their places of business. Any toys or money you would like to donate for the kids, please drop your donations in one of these boxes. Anything is appreciated.

- Again a reminder that no-cost flu shots are now available to eligible Veterans at your local VA medical center, in-network community pharmacies or urgent care locations. Keep you and your loved ones safe.

- I mentioned before, the importance of support for the caregivers of our veterans who need that care. Many times it is a wife or family member and it can seem to be overwhelming. The VA Caregiver Support Mentoring program is there for those of you who are caregivers for your loved veteran. Some of the benefits in getting connected are: Decreased loneliness and isolation. Improved access to support and resources for caregivers. Enhanced connection for participants in remote or rural communities. Believe me when I say that the veteran world appreciate what those of you who are caregivers, are doing for our veterans. Go to www.caregiver.va.gov and get some guidance in your journey of caring for your veteran.

It's Sunday at our Hunting Camp. The weather has been warm and we haven't seen but a couple of elk. We still have 4 days before we break camp, so I'm optimistic we'll get more game. There's a special place on the north side of the Centennial Valley, that looks at the shimmering Red Rock Lakes, a haven for the Trumpeter Swans and the beautiful Centennial Mountains on the south-side of the valley. This special place was one of the favorite places in the world, for my Dad.

There's No Place Like Home

But we're a close second

When a loved one has had a stay in the hospital, they no doubt can't wait to get home. Sometimes, however, home is not always the best option. A patient may need a bit more recovery time or additional skills to be safe at home. That's where Transitional Care at Barrett Hospital & HealthCare comes in. Skilled medical professionals are available 24/7 to help with recovery. You or your loved one can enjoy the comforts of home in a private, spacious room, have visitors, and breathe easier with peace of mind that comes with a care team that's here for you. Even if the original stay was at another hospital, patients are welcome to receive Transitional Care here, closer to home. Recover in comfort and safety knowing that there's no place like home, but that Barrett Hospital & HealthCare is a close second.

Learn about Transitional Care at Barrett Hospital & HealthCare and see if it's right for you or a loved one by visiting www.barrethospital.org/transitional-care or calling **406-683-3140**.
