October was fire safety month. Our members read to
children at the public library, visited local daycares as well as
had the first-grade students tour the firehall.

Our focus on training for the month was vehicle extrication.
We also had firefighters complete the ICS-300 class as well
as Haz-Mat classes. Our drill night was spent focusing on
various hose lays on our apparatus. Thank you for your
continued support of the Dillon Volunteer Fire Department.

Please be safe & take extra time while traveling this time
of year as the road conditions can become dangerous without
warning.

On Tuesday, October 24th, an error was discovered on the 2023 City of Dillon General Election ballot.

The term for the city judge is only a two (2) year un-expired term and not a four (4) year term as it states on the ballot.

Voters are allowed to use the ballots they were initially issued or they may request a replacement ballot with the correct terminology.

Replacement ballots will be available in the Election Office on Friday, October 27, 2023.

All votes tallied for the city judge position will be for a two (2) year un-expired term regardless of what ballot the voter submitted to the Election Office.

If voters have any questions or concerns, please feel free to contact the Election Administrator at 683-3720.

Signed this 24th day of October, 2023.

Trail Stewardship Grant Program 2024 application cycle opens November 1

Montana Fish, Wildlife & Parks is accepting applications for the Trail Stewardship Grant Program from Nov. 1 to Jan. 15.

TSP grants can fund the development, renovation, and maintenance of motorized and nonmotorized recreational trails and trailside facilities. This state-funded program will award approximately \$2 million during the 2024 funding cycle.

Applicants may request up to \$100,000 with a 10 percent required match. Grant applicants can be federal, tribal, state, county or municipal agencies (including school districts), and private corporations, including nonprofits. An organization can submit only one grant application per grant cycle.

A webinar training and a question-and-answer session will be held on Wednesday, Nov. 8, at 2:30 p.m. This session is highly recommended for new and returning applicants. The training will provide helpful information on program requirements and tips on writing a competitive application and using the grant management software. The training will be held via Zoom. For login information, visit fwp.mt.gov/aboutfwp/grant-programs/trail-stewardship

For more information about the program, visit the TSP webpage at fwp.mt.gov/aboutfwp/grant-programs/trail-stewardship or contact TSP Program Manager Tom Lang at Thomas.Lang@mt.gov.

Letter to the Editor

My name is Stephanie Davis, and I am an Official Court Reporter for the Sixth Judicial District of the State of Idaho. This year I enter my 42nd year working in the state court system as a court reporter. While working in my profession, I've had the opportunity to work with and observe many, many judges, lawyers, litigants, witnesses, and personnel over the years. After working with Marla Martinell for several years, it is with great pleasure that I highly recommend and endorse Marla for the position of Dillon City Judge.

During our time working together, Marla was an exceptional employee of the courts. I've been very impressed by her integrity and leadership. Being a lifelong resident of Montana, Marla also brought her straight shooting, no-nonsense style approach to her work here in Idaho, which was greatly appreciated and integral to the success of smoothly run proceedings in the courts. Her word and her strong work ethic were beyond reproach and were highly relied on by the judges within our district.

I am confident, without reservation, that Marla Martinell would be a tremendous asset to the position of Dillon City Judge.

Respectfully,
Stephanie Davis

Bulldogs Stumble Against No. 10 Orediggers

The Montana Western volleyball team (18-5, 5-4) fell in a three-set loss to the no. 10 ranked Montana Tech Orediggers (20-4, 6-2) by scores of 25-10, 25-22, and 27-25.

How It Happened

The first set got off to a back and forth start, with Montana Tech claiming a 7-6 lead. A kill from Danyel Martin was the lone point in an 8-1 Oredigger run than set Montana Tech up with a 15-7 lead. The Bulldogs would grab just three more points in the 25-10 first set loss.

Montana Western fell early again in the second frame and worked to get back from an 8-4 deficit. A kill from Jaiden Perez and an ace from Rylee Nickodemus got the Bulldogs back in the right and down just one at 8-7. Down 14-12, the Bulldogs went on their own 5-0 run that was capped by back to back aces from Sophie Worden. With a slight edge at 19-16, the Bulldogs were unable to overcome MT's serve as the Orediggers posted seven straight points and claimed the final win at 25-22.

Set three proved to be a battle, seeing neither team take more than a three-point lead until the Bulldogs took a 20-16 lead following a block from Peyton Vogl and Jazi Smith.
