Many of you may know Darrin Morast as the Fire Chief, woodwork craftsman, rat-rod builder, and landscape design technician, but here is the rest of the story: Darrin Morast

He was famous right from the get-go and honored as the "First Baby of the Year!" He was born January 7, 1969 in Hazen, ND.

He was raised in Sidney, MT and graduated from Sidney Senior High School in 1987. He participated in football and basketball, was the prom king, and even spent a year in the symphonic band playing the trumpet. Nobody knows if he really played, or just moved his fingers and faked it! He soon traded the musical instrument for power tools and devoted any free time to the Industrial Arts department honing his carpentry skills. Evidence of those skills can still be found in both his childhood and his current home.

He attended North Dakota State College of Science in Wahpeton, ND and played football for the Wildcats before graduating with an Associate of Arts Degree in 1989.

He then transferred to Western Montana College in Dillon where he played one year of football before an injury prevented him from returning to the field. He graduated with a B.S. in Secondary Education in 1994. While in college he started working for Allen Landscape. And after graduation continued working for Bill Allen for 25 years. Through his work he became friends with many people in the community and embraced the "Dillon Way".

Community Activities

He has been a member of the Dillon Volunteer Fire Dept. since 2000. He has served as Treasurer, Captain, and Assistant Chief and is currently the Fire Chief. He and BJ Klose came up with the idea for a training center for the DVFD. He has helped the Jaycees with the Demolition Derby as a participant, Judge, set-up, and fire crew. Also worked concert security. Has worked the Chain Gang at Western football games. Also works on the snow removal crew for Beaver and Western football games. He has assisted with the Dillon Football League, the Western Basketball League and a coach for youth travel basketball. He is a current member and past elder of the First Presbyterian Church in Dillon. He has donated several custom woodcraft items to the many local organizations. HisMorast Originals typically one of the high grossing items in the auctions.

Instrumental in helping build the new Dillon Cubs Field. At the first planning meeting for the field, his comment was "It has to be done right or we'll be fixing it forever!" Darrin volunteered many hours designing the field layout, installing sprinkler systems, installing the berm on third base side for spectators and arranging for equipment use. Helps keep the field mowed and trimmed up. When the Cubs hosted the District Tournament everyone commented on the facility. Darrin is

not someone to take credit for what was accomplished but always chalks it up as a team effort. …. He serves as the team bus driver, scoreboard operator, cook and overall worker bee for the Dillon Cubs

He is an original member of Engine 18 Foundation: Darrin did some horse trading and acquired a fire truck in 2017. And with the help of some friends, to honor the memory of MJ Simkins, the Engine 18 tailgate truck was created. In 2018 another fire truck was acquired and Darrin and his friends created "Smoker 1". You can see these trucks at all Western home football games, Dillon Cubs Baseball games and Beaver Football games. In the fall of 2017 the Engine 18 Foundation was established. As a former football player at Western, Darrin understands the demands placed on student athletes. "Being a student athlete is A FULL TIME JOB." Darrin was influential in identifying the foundation's purpose, "To raise funds and provide support for student athletes at UM Western." Last year the Engine 18 Firetruck has hosted various Bulldog team groups for dinner. And as the players are thanking Darrin and the members of the cooking crew, Darrin reminds them to remember this moment and "Pay it Forward" in the future.

One community member had this to say, "When things seemed overwhelming for my family, Darrin asked what needs to be done and I'll take care of it. 'You go take care of yourself and your family and I'll take care of this!'"

Hobbies/Interests

Rat rods, cars, firetrucks, ….do you see a pattern here? Nobody really knows how many automobiles he has in his possession. He won't give you a number and he certainly won't tell his wife.

Montana Western Recognized Among Best Colleges in Montana

Bestcolleges.com has recently named the University of Montana Western as the best college in Montana in its 2023 rankings.

BestColleges.com, a leading online resource for students, and leading authority in higher education research and college planning, is pleased to announce that the University of Montana Western has secured the top spot as #1 in "Best Colleges in Montana" for 2023. UMW stands out in the state based on affordability, enrollment, retention, and graduation rates.

"Since 2014, our mission has been to provide an objective assessment of relative quality in higher education, taking into account factors such as academic outcomes, affordability, and the breadth and depth of learning opportunities," said Eden Glass, Best Colleges Communication Associate.

Best Colleges evaluate academic quality by examining the number of students graduating in specific majors, indicating a school's commitment to those programs. Their affordability score considers program cost, student loan rates, and post-graduation loan repayment ability.

The fields of academic study at Montana Western include Biology, Business and Technology, Environmental Sciences, Education, English, Equine Studies, Health and Human Performance, Fine Arts, Mathematics, and History, Philosophy, and Social Sciences. Montana Western's commitment to student engagement and support cultivates a meaningful educational experience, characterized by high academic standards and affordable tuition.

Enjoying a strong sense of community, students at the University of Montana Western experience small class sizes and dedicated professors. The 20-acre campus, surrounded by the mountains, rivers, and trails of southwest Montana, provides an immersive environment for the Experience One program, enabling students to refine critical and creative thinking skills essential for success.

For more information about Experience One and the University of Montana Western, or to schedule a tour, visit www.umwestern.edu or call 877-683-7331.

Dillon Middle School News

Here' s the Dillon Middle School News for the week of November 13-17, 2023.

The lunch menu for the week is as follows: today, Monday, we will have spaghetti with garlic bread. Tuesday we will have burritos served with bean salads. On Wednesday, we will enjoy pulled pork sandwiches served with coleslaw. Thursday, we will have another taste test day with gnocchi, served with mushroom sauce and a dinner roll. On Friday, we will enjoy grilled cheese sandwiches served with tomato soup.

This week in girls' cross-training, the participants will be learning how to properly lift weights. The eighth grade will be working out on Monday and Thursday, while seventh grade will participate on Tuesday and Friday. The workouts will be at DMS and so parents should pick up their children there at 5 PM Monday-Thursday, and 4PM on Friday.

Last week in boys' basketball, the "A" teams faced Butte Central. Unfortunately, both teams came up short. On the same day the "B" teams faced Deer Lodge. 7B came up with a win while 8B came up short. Then on Tuesday last week, all teams hosted Butte East. The teams all learned a lot from their losses the day before. Each team pulled off a win. Great job guys!

In boys' basketball this week, the teams will host Anaconda today, Monday, November 13th. The seventh grade will play in the DMS gym and the eighth grade will play in the Parkview gym. "B" teams play at 4:30 followed by "A" teams at 5:30. Then on Tuesday, the teams will travel to Montana City and East Helena. The bus leaves at 1:30 PM. Great job to our three-on-three basketball winners. Noah Fenstra, Oden Barret, Garret Tacket, and Aason Munday beat Brody Curnow, Gage Curnow, Jed Petersen, and Layne Burk. Thank you, Mr. Williams, for the fun lunch time competitions.
