All Star Band Students

All Star Band students from this weekend and share the link to the recorded concert with you! I am so proud of their hard work, cumulatively about 15 hours of practice over 2 and a half days and they presented the most beautiful concert featuring three bands, all of which performed a number of works by guest composer and conductor, Julie Giroux. We all enjoyed working with Julie, who none of us realized was as cool as she is until we got to listen to her talk- kids were totally star struck when she listed off a million video games she's worked on (Skyrim being the most recent), and about a dozen big name composers she's collaborated with (one of her first jobs was as an orchestrator for Alan Menken of The Little Mermaid and Beauty and the Beast fame in the 90s, not to mention John Williams). She's also won several Emmys and been nominated for a number of Oscars- pretty cool! Thank you so much for your flexibility in their absence last Friday, I so appreciate your support and I know they do too! If you have a minute to enjoy some cool tunes, the concert link is below! You might recognize the accordion player a little more than halfway through- BCHS grad Kristen Cottom (now Guidoni) was featured as a soloist!

The Giving Tree

The Giving Tree is a community outreach in Dillon that provides Christmas gifts for under privileged children in Beaverhead County. Parents can turn in an application with their children's gift request/clothing size. The request is put on a tag on the Tree and community members or organizations buy the requested gift. The gifts are sorted, tagged, and organized by family, and will be delivered December 16.

Applications are now available to be picked up at the Rattlesnake Creek Alpaca store, 23 S. Idaho St., Dillon. The Tree will go up the week of Thanksgiving, and will be at the Rattlesnake Creek Alpaca store. Please note, the way Christmas falls this year, we will be delivering early - December 16, so gifts need to be returned to the Tree by December 13. If you have any questions, call or text Gail at 406-660-2528. May the blessings of Christmas surround you this season.

Letter to the Editor

Accolades due to the Dillon Middle School Staff and Montana Youth Challenge for Veterans Day Program.

If you are a veteran and missed the OMS Veteran's Day Program, you missed something special. I was impressed from the beginning to the end. It started with the welcoming by the school staff at the front door. Then the Presentation of the Colors by the Youth Challenge was so crisp and correct. The music by the OMS Choir and Band was over the top appropriate and well done, from the National Anthem, through the songs from each branch of the military and patriotic medleys to Yankee Doodle Dandy. The students transitioned to their positions quietly and confidently. The speakers inspired, showed dedication, discipline, and perseverance to duty and justice for all.

Dillon should be proud of these educational programs.

Missing Headstone

The Mountain View Cemetery is missing an old headstone that we are trying to get returned to the Cemetery. The headstone originally came from the old Poindexter Cemetery and is well over 100 years old. It was sitting with other headstones at the Mountain View Cemetery. Below is an image of the headstone. If you have any information please call 660 - 4246 or if you have the headstone, please leave it at the entryway to the cemetery.

3D Mammography detects threats like no other

When it comes to breast cancer, early detection is essential. In fact, early detection saves lives.

That's why we are so passionate about our 3D mammography capabilities at Barrett. And while it might be tempting to choose thermography instead of a mammogram, the FDA warns that thermography should be used only as an adjunct to mammography. The American Cancer Society has stated that thermography is not an effective screening tool for finding breast cancer early.

3D mammography has been proven to detect breast cancer sooner and better. With 3D mammography, callbacks are reduced by 40% and detection is improved up to 50%. Trust the experts at Barrett Hospital & HealthCare. We are here for you and your health.

Talk to your provider about scheduling your mammogram at Barrett Hospital & HealthCare, call **406-683-1188**.
