Richard Williams

February 21, 1938 — December 1, 2023

Richard Williams was born on February 21, 1938 in Fort Bragg, CA to Glenn and Marge (Breen) Williams.

He was married two times, first to Bonnie Blair of Fortuna, CA, and later to Linda McKenzie (Day) of Ukiah, CA. Richard also spent decades of his life in relationships with Penny Graham until her passing, and Marlene Hughes until her passing. He is survived by his 4 daughters; Mona

Williams of Mendocino, CA, Donna Williams of Kentucky, Cindy Bower of Willits, CA and Holly Williams of Lakeport, CA along with his son, Geoff Williams of Dillon, MT. He had two step sons he assisted in raising, John Graham of Palm Desert, CA and David Day of Durham, CA. He is further survived by his brother, Gary Breen of Willits, CA.

Richard owned and operated a logging business on the north coast of California for 35 years. Falling timber and cutting wood was his passion until his final years. He always enjoyed eating sweets and was known to say he'd eat anything that tasted like ice-cream. He enjoyed classic cars, gambling, mining, old western movies and putting together puzzles.

He spent the first 83 years of his life in Northern California where he spent his time logging, racing boats and dune buggies, and raising his family. He later moved with his son and family to Montana. He enjoyed the open space of MT and spent an entire season splitting wood at the age of 84. He was a man of large stature, but with that came a kind heart.

Services for Richard Williams will be held in Willits, CA

Martin Named Honorable Mention All-American

The American Volleyball Coaches Association (AVCA) announced the 2023 NAIA All-America Teams today. Redshirt junior middle blocker Danyel Martin was named an Honorable Mention All-American.

Martin earned her spot on the list after she was previously named AVCA All-Region first team. Martin, a 6-2 junior middle blocker from McAllister, Mont., was selected after she proved to be an offensive powerhouse this season, totaling 258 kills for 2.26 kills per set with a .344 hitting percentage. After finishing 20th in the NAIA for hitting percentage, Martin broke the UMW season record with her impressive hitting percentage.

Not only an offensive powerhouse; she was excellent on defense for the Red and Black. Throughout her 114 sets played, Martin was a strong presence at the net. She totaled 113 blocks this season for 0.99 blocks per set and ranked at 21st in the NAIA for solo blocks with 32 on the season. She also became the UMW all-time career block leader with a total of 279 total and counting.

This year's selection is her first career All-American nod.

RMEF Allots \$250,000 for Wildlife Migration Corridor Mapping

The Rocky Mountain Elk Foundation allocated \$250,000 to advance research associated with mapping more western wildlife migration routes for elk, mule deer, moose, pronghorn antelope and other wildlife.

"By working with state and tribal wildlife agencies, we are producing detailed maps of where animals migrate across large landscapes, which will benefit the health of these herds and aid the conservation of their corridors" said Matt Kauffman, wildlife biologist and researcher with the U.S. Geological Survey (USGS) and University of Wyoming, who leads the Corridor Mapping Team. "RMEF has been a steadfast supporter of this work and a key NGO partner in our collaborative vision to map ungulate migrations across the West."

Migration maps help guide development, determine the need for roadway crossing structures, target problematic fencing and identify critical private lands that support migratory herds.

Over the last five years, researchers mapped nearly 200 corridors across Arizona, California, Colorado, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington and Wyoming in line with Secretarial Order 3362.

RMEF supplied grant funding to catalog 150 corridors in Volume 1, Volume 2 and Volume 3 of the USGS mapping series "Ungulate Migrations of the Western United States." Volume 4, due to be published in January 2024, documents the movements of 40 more herds.

"Advancing science to enhance the conservation and successful management of elk and other wildlife is key to who we are and our strategic priorities as a hunter-based conservation organization," said Fred Lekse, RMEF Board of Directors chair. "Migration is required for abundant and healthy herds, which sustains hunting."

This latest commitment boosts RMEF's financial support to identify and conserve migration corridors over the last six years alone to more than \$3.5 million, which leveraged \$29.5 million in partner funding. Just last month, RMEF and the Western Association of Fish and Wildlife Agencies committed \$1.2 million to accelerate the conservation of western big game migration corridors.

Bulldog Football Picks Up Two NAIA All-Americans

After what proved to be an impressive season and posting their first outright conference championship since the 1995 season, the Montana Western football team had two players named as NAIA All-Americans.

UMW quarterback Michael Palandri and UMW offensive lineman Marcus Lombard each earned a selection on the NAIA Coaches' All America Third-Team.

Palandri, a 6-1, 215lb quarterback from Maple Valley, Wash., earns his first career All-American nod following a breakout season for the young quarterback. Palandri was also chosen as the Frontier Conference Offensive Player of the Year after he led the conference with 269.0 passing yards per game (eighth in the NAIA). His pass efficiency rating of 165.5 also ranked him at sixth in the country. He found himself in the top 15 for total completions, completion percentage, total passing yards, yards per game, and total touchdowns.

Lombard, a 6-1, 300lb offensive lineman from Laie, Hawaii, earns his first All-American honor after another impressive season on the offensive line. He was also previously named Frontier first team all-conference offense. This season, the Bulldog offense led the conference and was fifth in the NAIA with 455.5 yards of offense per game. UMW also led the Frontier after they averaged 176.9 rushing yards per game (22nd in NAIA) and averaged 36.8 points per game (2nd in FC, 15th in NAIA).

Veteran's Corner Update #233

By Mike Lawson

Greetings to those of you who read my SW MT Veteran Articles. It's Sunday, Dec 10th here on the East Ridge and a beautiful falling of a steady light snow surrounds us. It's peaceful and much needed. It sounds like the ski-hills have snow and are crowded with the skiers. What a beautiful great part of the country we live in. The Christmas season is becoming more evident in all our communities, with the outside decorations of lights/etc. sparkling in the dark at night. Some folks have serious money invested in these holiday displays. This season is full of happy, light hearted enjoyment and is a time for families/friends to come together for special times. I really enjoy the Christmas Music and Christmas Specials on TV. Butte, being from many different ethnic backgrounds, experiences many of the old country special foods, like Povitica (special nut/honey/raisin/etc. sweet-bread from the Slavic countries) that is a favorite across SW Montana. It's especially hard for folks on a diet or who are diabetics, to resist all the tasty sugar-laden foods, that a person would die for. Being a diabetic and having just gone through Thanksgiving, I pick and choose when to indulge and than get back on the straight and narrow of eating sugar free foods. In moderation is a good rule to follow.

Veteran news updates:

- The great massive meat giveaway, for any veteran who showed up, that was supposed to happen at the American Legion Hall in Butte, was canceled. The Veterans Meat Locker in Billings was supposed to bring 8,000 pounds of fresh meat, including beef, chicken, pork and wild meat. Two days before, notification was sent that it wasn't going to happen. Veterans from all over SW MT were planning to come to this well advertised event. No one knows why, it was called off. The silver-lining that somewhat saved the day, was the SW MT Food Pantry, from Deerlodge, brought a lot of give away food to Veterans who came and requested it. They not only give food away in Deerlodge but travel around outlying communities to do Veteran Food give aways. A big "Hand Salute" to them.
- The Toy's For Tot's Campaigns in both Anaconda and Butte will be coming to and end, in another week or so. For those families who need toys for their kids, its crucial that they get their applications in, ASAP. Besides covering Butte, the Butte TFT Campaign covers Dillon, Twin Bridges/Ruby Valley, Whitehall, Cardwell and Harrison. From the time this column hits the streets, Christmas Day will be less

than two weeks away.

• Anaconda Marine Corps League member, Dave Fenchak, reports that longtime member and Anaconda resident, Woody Driver, has passed away. Condolences to his family. The Anaconda MCL has also taken the responsibility of refurbishing a Veterans monument by the Courthouse, there. It was set up on that site, before WWII. They've put a lot of work into restoring it and are to be thanked. I'll be sure to check it out, next time I'm there.

• John Kotka, from Markovich Construction, reports that the Walkway Connector between Cottages #1 & #2, has seen Hawke Steel erect 12 steel-columns (posts) and 8 - I-beam connectors that tie everything together. The framers can now frame the walls and the framework for the roofs. This week will see the cement step forms put in place and poured with cement. The Walkway Connector between Cottages #3 & #4, has the foundation wall cement pour completed and the cement forms are now being stripped (removed). The Dirt Contractor, Hoffman Construction, will now fill the cavity and compact the dirt in preparation for the floor slab to be poured. Progress is on the move.

The snow has stopped, leaving a light covering on my porch. The week ahead is busy with Veteran's Court, DAV Van trip for an older Veteran and his caretakers, and delivering many bags of toys to Dillon and Twin Bridges/Ruby Valley, in my big converted Stock Trailer turned Hunting Trailer. The joy of giving doesn't get any better.

Until next time, take care.

Kathy Hilton receives award

Kathy Hilton, Court Reporter for the 5th Judicial District, was recently recognized for her 35+ years of Distinguished Service to the Montana Judiciary during a special ceremony at the Supreme Court Building in Helena. Chief Justice McGrath presented Kathy with her award.

Kathy began her career as a Court Reporter working for Judge Frank Davis in 1985. She also worked as a Court Reporter under Judge Loren Tucker, as well as current Judge Luke Berger, who nominated Kathy for the award. Kathy travels the circuit, which includes Dillon and both Virginia City and Boulder, as well as filling in for

other court reporters in other Montana locations.

Additionally, Kathy devotes her time and energy outside the courtroom to the Beaverhead EMS as a licensed EMT. Since joining the Beaverhead EMS in 1982, Kathy has held multiple board positions, served as a CPR instructor, and continues to play a valuable role in facilitating training through coordinating refreshers and continuing education. She currently serves as the secretary of the Beaverhead Ambulance District Board. Kathy previously served on the Beaverhead Search and Rescue and Maverick Mountain Ski Patrol. She also served as an elected school board member for the Dillon elementary and middle schools for 15 years.

Congratulations, Kathy! Thank you for all of your service!
