Voice of Democracy Winner

On December 13, at the monthly meeting of Veterans of Foreign Wars (VFW) Bill Carroll Post 9040, Post Commander, Steve Esquibel, presented a Certificate of Commendation and a check for \$100 to Hailey Powell, winner of this year's Voice of Democracy competition at the local level. Hailey's essay and speech was on the topic Democracy in the United States. Her entry was judged, as were all other entries, on originality, content, and the delivery of her speaking voice. Hailey gave her speech to VFW Post members in attendance at the meeting prior to the presentation of the awards. Hailey's entry has been forwarded to the VFW District level where she will compete with winning entries from other Posts all around Southwestern Montana. Commander Esquibel thanked Hailey for her efforts in preparing her winning presentation and wished her luck at the next level of the competition.

UPCOMING EVENTS

- **Beaverhead Food Pantry:** open Tuesday
Nights 5:30 - 7:30 & Wednesday 12-2:30

The museum is financed in approximate terms 40% by the county two-mill levy, 40 % to 50 % by donations to the Friends of the Museum, and the remainder by gate receipts, gift store receipts, research fees and bequest and memorial donations. The Museum thrift Store, managed by volunteer Judy Carlson, has been a strong and important contributor to the Friends of the Museum group. Maintenance, utilities, and salaries are the main cost components.

Going forward, the museum has begun to bring in both local and outside speakers to give talks the third Thursday of each month during the year on interesting historical subjects. The research room materials are continually updated, and the museum has one of the most extensive archives and photo collections in Montana.

The museum is officially closed during the winter, with office hours from 10 am to 4 pm Monday through Friday and the research room hours Tuesday and Wednesday 11 am to 4 pm or by appointment. If you would like to visit the museum during the winter the museum director can organize a tour of the exhibits.

Sincerely,

Candi Whitworth,
Executive Director on behalf of the
Beaverhead County Museum Board of Trustees.

Veteran's Corner Update #235
 By Mike Lawson

Greetings to those of you who read my SW MT Veteran update articles. Our weather has been warmer than I have ever remembered it being, for this time of year. It's concerning to say the least, especially if our forests are dry from the lack of snow and rain. The smoke from the fires, because of these conditions, is hard on our health. I did hear there might be snow in SW Mt's valleys by Christmas. I'm starting this article on Thursday night, as we're leaving for Reno, NV., on Friday afternoon, for Christmas and will return on the 27th. Our Toys For Tots Campaign is about wrapped up and our volunteers are ready for a well deserved break. Getting all the donation boxes, with toys, picked up, is always busy work. The last of the toy application requests were filled today and we feel good that we had a part in making many children's Christmas, a joyous one. All of you who made donations of toys/money, are part of that also and to be thanked.

"Oh No" was my verbal expression, yesterday morning (Saturday), when I came back to our motel room in Wells, Nevada and my wife informed me that she had tested positive for Covid. This was 400 miles plus from our Butte home, about 8 hours, so we turned around and came back home. It was sad and very disappointing, but exposing family to Covid wasn't an option. The drive back had Google Maps take us up US 93 to Dubois, Idaho, where we got on to I-15, not too far from Monida Pass. This was a fairly short distance, before crossing into Montana. The roads were good until we got into Montana, where they were somewhat snow-packed in some stretches, until we got to Dillon. They were then good until we went over the Continental Divide at Feeley Hill, where we were met with snow covered ground and snow packed roads. What a difference the Divide can make and in our case, we now have snow for Christmas. It was 8 degrees below zero this morning. We'll be house-bound for a few more days of isolation, but we'll have a quiet but good Christmas.

Veteran News:

- I talked to General Foreman John Kotka about the Covered Walkways, now called "Connecters", between the SW MT Veteran Home Cottages. Connector #1, between Cottages #1 & #2, is waiting for material to arrive so the framing can begin as the structural steel framing is in place.

Connector #2 has the foundation walls completed and completely filled/compacted inside them, with dirt. The plan is to have the concrete slab floor poured this week. Hawke Steel will then do the steel framing part of this Connector's construction. Connector #3, between Cottages #4 & #5, has seen the inspection deficiencies corrected and will be reinspected within the first or second week in January. John Kotka is wanting to take the two blocking walls on each end of this connector and each Cottage entrance, down. This will allow Enduro to immediately start using Cottage #5, once the inspection is complete and passed.

I also visited with Wayne Paffhausen who is the owner/contractor of our VA CBOC Medical Center building. Things are coming quickly together. The Audio Sound Booth is bigger than I thought it would be and is state of the art. The different exam rooms off the big central Physical Therapy treatment area have the drop suspended ceiling in, now that the duct-work, electrical/communication wiring is in place. Lights are now being installed in those ceilings. Floor tile is also in the process of being laid, connected to the older building tile and out into the new floor areas. The structural steel, for the physical therapy chairlifts to be connected to, is being constructed by Hawke Steel and will be installed once they get it done. Once installed the ceiling duct-work can be finished in that big area with the suspended ceiling than being installed. Exciting stuff and what a great benefit for our SW MT Veterans needing Physical Therapy.

Time to wind this up. Happy Holidays, stay warm and let these happy days make you glow.

Until next time, take care.
