## Carol Ann Farmer

Carol Ann Farmer, 86, of Missoula, passed away on Thursday, December 28, 2023, at the Bee Hive Homes of Missoula with her family by her side. Carol was born December 18, 1937, in Dillon, MT to William and Elsie (Nee: Ashworth) McMannis.

Carol grew up in the Dillon area, but had been residing primarily in Missoula for the last 50 years. Carol had two children who she adored, Jim and Patty, and they blessed her with several grandchildren and great-grandchildren.

Carol was devout Christian and active member of the First Presbyterian Church of Missoula, where she was part of the Presbyterian Women and assisted with several bazars over the years. She loved to be out in the community assisting where she could. Carol retired from the University of Montana maintenance department where she made many friends in her colleagues and worked along side her husband Joe. Prior to her time there she also worked as a nursing assistant and in the cafeteria at Hellgate High School.

Carol and Joe were a truly compatible pair. They built a cabin in Seeley Lake together and were able to enjoy their time there, the peace allowed her to read many books. She could often be found sewing or quilting when not busy with community activities. Carol was a lover of animals and pets, but most especially dogs, she knew they were wonderful companions.

Carol was preceded in death by her husband Joseph Farmer in December 2005; her parents William and Elsie as well as her siblings: Wallace "Wally" McMannis, William "Bill" McMannis, Bonnie Burton and Winibel "Wini" Hildreth.

Left to cherish her memory are her children: James "Jim" (Marilyn) Williamson and Patty (Jim Stone) Williamson; grandchildren: Nicole Williams, Bradley (Rachel) Williamson, Jamie (Jake) Ewing, and Corinne (Michael) Purvis; 13 great-grandchildren and numerous extended family.

A graveside service will take place at Missoula City Cemetery on Wednesday, January 3, 2024, at 1:00 pm. A reception is planned at the First Presbyterian Church following.

## THANK YOU FROM THE BEAVERHEAD SKI PATROL

The Festival of Trees Event that you present every year is a special gathering for the children of Dillon, the families and the community.

Your ability to consistently represent the best of Dillon is showcased every Christmas season.

As volunteer First Responders for the Beaverhead community we are always faced with the challenges of funding our program. Equipment for what we do as Ski Patrollers is expensive but nonetheless a really important part of our success in helping people who are having a difficult day.

Your donation towards that equipment, in particular radio communication and transportation equipment, is critical to our success. We can't thank you enough for what you have done to support our operations.

We look forward to supporting your yearly event. What you do is so important for the community.

## Attorney General Knudsen leads opposition to Biden's latest attack on gun rights

Montana Attorney General Austin Knudsen led a coalition of 26 attorneys general in opposition to the Biden administration's shocking and unconstitutional attack on American's right to keep and bear arms that could criminalize law-abiding citizens for selling a single firearm for profit unless the seller obtains a federal license.

The attorneys general submitted a formal comment letter Thursday to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) regarding its proposed rulemaking, "Definition of 'Engaged in the Business' as a Dealer in Firearms." The proposed rule is unconstitutional, violating the Second Amendment by making any individual who sells a firearm without a federal license liable to civil, administrative, or even criminal penalties.

"This proposed rule is a flagrant violation of every American's rights guaranteed by the Second Amendment, ignoring the very concerns our founders had when they ratified it," Attorney General Knudsen said. "Rather than meaningfully addressing the rise in violent crime occurring around the country, the Biden administration is once again criminalizing law-abiding citizens. I will always fight federal overreach and attempts to erode Montanans' gun rights."

The rule defines "dealer" as anyone who "sells or offers for sale firearms, and also represents to potential buyers or otherwise demonstrates a willingness and ability to purchase and sell additional firearms." It also expands the definition of earning a profit to be determined by something other than money to include personal property, a service, another medium of exchange, or valuable consideration and would not even require a firearm to be sold, just an offer would engage in a transaction.

The Biden administration made no attempt to comply with the Second Amendment in the rule. While longstanding regulations of large commercial enterprises that sell firearms might be consistent with the Second Amendment, that is not what this rule does as it seeks to require a license of every individual who sells a firearm for anything the ATF sees as a profit.

The Supreme Court of the United States made it clear in their recent ruling on New York State Rifle & Pistole Ass'n Inc. v. Bruen that if the Second Amendment "covers an individual's conduct," any burden on that conduct is presumptively unconstitutional and only showing historical tradition, which the Biden administration cannot show in this

case, can overcome that presumption.

Additionally, many courts have held the ability to buy a firearm is encompassed in the right to keep a firearm, which is guaranteed to Americans in the Second Amendment. Therefore, the ability to sell a firearm, which also necessarily implicates the right to buy one, to someone else is also a protected by the Second Amendment.

Not only is the rule unconstitutional, but it is also arbitrary and capricious and is unlawful under the Administrative Procedures Act (APA). While the ATF claims the rule builds on the Gun Control Act of 1968, it violates the GCA's "letter and spirit" as it "renders anyone that the Department identifies to be selling a firearm for profit a firearms dealer." And while there are a few exceptions (like sales of firearms to family members), they can still lead to absurd implications.

"In America, it should be legal for a family member to sell a firearm to another family member without risk of prosecution. But the exception is flawed," the letter states. "Reading the exception, one can conclude that if a family member sells another family member a firearm for as little as one dollar more than the original purchase price, that seller could be open to civil, administrative, or criminal liability. That absurdity risks hurting innocent people and chilling law-abiding behavior."

Rather than focusing on its job to arrest, investigate, and aid in prosecuting violent criminals using firearms to terrorize communities across the nation, the ATF is using the proposed rule to criminalize law-abiding Americans.

"If the Bureau was serious about combatting violent crime, it would focus on enforcing the laws that are already on the books to hold violent criminals accountable for their actions. That would be the type of work that could save lives.," the attorneys general wrote.

Attorneys general from Alabama, Alaska, Arkansas, Georgia, Idaho, Indiana, Kentucky, Louisiana, Mississippi, Missouri, Nebraska, New Hampshire, North Dakota, Ohio, Oklahoma, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, West Virginia, and Wyoming joined the letter led by Attorney General Knudsen, Kansas Attorney General Kris Kobach, and Iowa Attorney General Brenna Bird. Additionally, the Arizona legislature joined the letter.

## Start Your New's Eve Festivities with Music

A new and exciting music duo, Govorov and De Groot will be in Dillon on December 31, 2023 to kick off New Year's Eve festivities with a live concert at First Presbyterian Church at 3:30 p.m. The concert is free and open to the public.

With over 25 years of experience in bringing award-winning music to Russian, European and Asian audiences, sought-after Russian saxophonist Sergei Govorov arrived in the U.S. in late 2022—after being forced to flee his country due to the ongoing war. Govorov made his musical mark early, winning the Grand Prix at the Vyacheslav Shchelokov competition at 14 years of age, and before leaving Russia, was one of the country's most well-known saxophonists. With distinction as a Yamaha Artist, Govorov has shared the stage with such renowned musicians as Billy Idol, Norah Jones, Diana Krall, and Quincy Jones. He additionally was selected to perform at the prestigious Montreux festival in 2011.

Now, having recently received his U.S. EB-1A visa—a green card for people with extraordinary abilities—Govorov is delighted to bring his unique and entertaining saxophone music to American audiences, with the collaboration of a young and rising American pianist, Britta De Groot, who was raised in Dillon and enjoyed many years of study under local instructor Charlene Loge. De Groot recently completed her Master's in Piano Performance under Dr. David Korevaar at the University of Colorado, Boulder. She has been praised for bringing high energy and vivacity to her performances as a classical piano soloist and collaborator.

Coming from two very distinctive nations, the duo is dedicated to building alliances for peace through the universal language of music. The duo invites audiences to enjoy their performances which consist of a dynamic blend of classical selections as well as classical-fusion, and repertoire from more popular genres.
