December 12, 1949 — December 26, 2023

John was born on December 12th 1949 in Superior, Wyoming to Francis John Genta and Jean (Delcomte) Genta.

John was a hard worker all around, working many different jobs throughout his life. He worked for Arco mines (Butte), Hagenbarth Ranch, John Erb Ranch, Coleman Construction and Gerald Jones Ranch.

John is survived by his wife Margie, son John Jr., 2 brothers, Carl & Bruce, a sister Minnie, 2 sister-in-laws, Shirlean Reichle & Barbra Hyde (Bobbie) and numerous nieces and nephews.

John is preceded in death by his mother and father, Brother Frank, 2 brother-in-laws, George Reichle II & Jim Reichle, mother and father-in laws, and nephews, George Reichle III, Benny Reichle, Steve Hyde & Mike Hyde.

Cremation has taken place and at John's request there will be no services.

Gary Wayne Thornton

Aug 17, 1954 — Jan 02, 2024

Gary Wayne Thornton passed away January 2nd 2024 with his loving wife Debbie; and the forever faithful dog Dakota by his side.

Gary was born August 17th 1954 to James E. and Beverly Thornton in Gardner Massachusetts. The family later moved to Montana and Gary, as a young man found his way to Dillon Montana where he worked on the railroad for 22 years. After the railroad, he worked in a sawmill, and did some odd mechanic and construction jobs, before retiring after 18 years from

Nutracea.

Gary was a kind and loving man; in 1989, by chance, he met his soul mate Debbie. They lived and loved immensely for 34 incredible years.

Gary enjoyed riding his Harley, hunting, going to the mountains, and taking Debbie fishing at Kelly Lake. He could fix anything and was an exceptional mechanic. His home and yard was always decorated with his skillfully made handy work. Gary and Debbie purchased property that was once a gravel pit. Hard work and vision turned a gravel pit, into a beautifully terraced yard and homesite.

Gary is survived by his wife Debbie, a stepson Levi Wayman (Stephanie and Regan) a son Josh, and daughter Sara; that live in Washington State.

I have you in my heart..*

JOYCE ANN (DUFFNER) CHELL
November 11, 1955 to December 10, 2023

Joyce Ann Duffner, 68, was born in Dillon, Montana, November 11, 1955, to Ralph and Alice (Staudenmeyer) Duffner. When she was 4 years old, the family moved to the ranch on the Ruby River at Sheridan.

Joyce attended school in Sheridan and graduated in the Class of 1974. She later attended Western Montana College in Dillon. Joyce was a real people person. She loved talking to people. While working in the Ruby Valley, Joyce met Tom Brehan. They married and were living in Ennis when their son AJ was born. The family moved to California for a short time before returning to Montana, settling in Billings where Tom passed away.

She later married Dwight Chell in 1999. Dwight passed away in February of 2023.

Joyce was a very hard worker and worked retail many years in Billings. She enjoyed the people she met and missed them when her failing health forced her to retire. She passed away peacefully at her home in Billings, December

UMW Hosts BrainFest Mathematical Modeling Competition

The University of Montana Western Department of Mathematics invites all interested high school juniors and seniors to compete in UMW's second annual BrainFest mathematical modeling competition on Friday, February 16, 2024 from 10:00 a.m. – 3:00 p.m. in the STC Great Room.

During the BrainFest competition, contestants will work in small teams led by Montana Western math majors to model pterosaur hunting behaviors. A team of UMW mathematics professors will be present to pose questions and to offer guidance throughout the process. This free event also includes lunch for all participants.

BrainFest will provide an opportunity to dive into an immersive, hands-on, problem-solving, mathematical experience – giving participants a taste of what Montana Western students and faculty do every block. The competition will conclude with presentations, and the competitors with the most effective models will receive a \$500 scholarship to Montana Western.

Students interested in the following topics are encouraged to sign-up:

- Mathematics and/or natural sciences
- Problem solving
- Asking questions and then learning how to design a project to answer those questions
- Working with peers, math major mentors, and/or math professors
- Making connections

"The UMW mathematics faculty are looking forward to hosting BrainFest not only because we have a lot of fun putting it together, but more importantly because BrainFest gives students an opportunity to think creatively and work with UMW faculty and students. It was a great experience last year and we look forward to hosting it again this February," said BrainFest Coordinator and UMW Assistant Professor of Developmental Mathematics, Liz Wright.

To register for the competition, visit <https://apply.umwestern.edu/register/brainfest2023>. Space is limited, so please register as soon as possible. For more information, please contact Liz Wright at liz.wright@umw.edu

Letter to the Editor

Response to the Dillon Tribune Article on the Beaverhead-Deerlodge Management's response to the EA on Increasing Outfitting use on the Forest by 153%

The recent Dillon Tribune article on the proposal to dramatically increase outfitting on the Beaverhead-Deerlodge Forest by 153% states B-D leadership thinks the public simply does not read or understand the proposal. However, many of the nearly 250 commenters on the proposal have both thoroughly read and fully understand the proposal. Nearly all oppose dramatically increasing outfitting activities. Why?

Frankly there many reasons:

1. Locals want to be able to be informed and being able to comment on specific outfitting proposals, including what type of activity, where, when and who is being considered for more or new outfitting. The B-D would not be required to inform the public of these applications if this proposal is approved. Imagine finding that an outfitter now occupies the elk camp or drainage that you may have used for decades without your knowledge.

2. Less than half of the currently approved client user days are not being utilized by existing permitted outfitters. Why not reallocate these unused client days for new activities before approving a dramatic increase?

3. Existing outfitters have been able to choose the best of the best locations for their activities, pushing us locals to other locations. Elk habitats, high lakes, favorite hiking or snowmobiling areas would likely be more crowded. Do we want more crowding without even being notified or being able to comment?

4. The existing outfitter permits are poorly administered in many cases with few on-site inspections. The B-D trails are poorly maintained, signs missing, campgrounds trashed. How can the B-D possibly handle an increase from 13,000 client days to 33,416 client days?

5. It appears that the proposal is attempting to fast track future outfitting proposals, leaving the public out of the process. Proposals for commercial for-profit uses of the B-D should certainly require on-site public notification of any proposal and provide the public an adequate opportunity for comment.

Frankly, this proposal would remove us, the public, from a say on management of the B-D. Most of us B-D users have already noticed the dramatic increase in recreation use of the B-D.

Do we really want to experience nearly 20,000 more outfitted client days? Us, the public, just want a fair shake.

The Dillon Middle School Winter Concert will be held on Monday, January 8th in the Parkview gym. The concert will begin at 7 PM. This concert is open to the public, so we hope to see you there!

Seventh and eighth grade girls' basketball has started as of last week after returning from winter break. Stay tuned for more information in the coming weeks.

Our school-wide food drive was very successful! In total, Dillon Middle School brought in 2,949 pounds of food! The winner of the final week was Mrs. Broeder's class and they celebrated on Friday, January 5th with a pizza party. Thank you to everyone who participated in the food drive. Your generosity is very much appreciated!

MathCounts will be starting up soon. Practice for math counts will be on January 12, 19 and 26 over lunch. The competition for MathCounts will be the first week of February.

The book club is continuing with new books. The meeting will be January 10th during lunch. Book club students, bring last month's books for discussion and hear about the new set of books for reading this month.

Wrestlers, your season will begin in February. It's not too early to prepare by getting all your paperwork into the office.
