Class Of 1969 Presents The High School With A New Taxidermy Beaver

On Friday, January 19, during half-time of the Beaver varsity boys' basketball game, the Beaverhead County High School (BCHS) Class of 1969 will present the high school with a new taxidermy Beaver for the B.W. Lodge Gym Lobby. The BCHS alums would like to dedicate and donate the Beaver, symbolizing the school's mascot.

The original Beaver, located in the gym's lobby for 50 years, was donated to the school in 1969 by the Deleon brothers, Dan, Class of 1969 and Jack, Class of 1971. The beaver had been trapped on the Big Hole River by their older brother, Nick, Class of 1967.

During a tour of BCHS during the Class of 1969's 50th Reunion, it was noted that the original Beaver had deteriorated due to age and UV light damage. The class agreed that it needed a face lift. The Class paid to have the Beaver revived and renovated and put in a new UV resistant glass case to again grace the lobby of the Lodge Gym.

The new Beaver is mounted on the original log used in the Deleon mount. The new mount includes the original plaques and one new plaque. Taxidermy work was done by Tyler Barnes of Hunter Taxidermy of Dillon.

The large evergreen tree on the west side of the main entrance to the B.W. Lodge Gym was also donated by the Class of 1969. A new

bronze memorial plaque, rededicated in June 2021, is placed at the foot of the tree to honor Phil Hawkins, Tom Mooney and Ray Rebich, three Class of '69 classmates killed during their senior year. The tiny tree planted in 1969 has grown to the stately giant that beautifully adorns the building and honors their memory.

Submitted by: Mel Rice, Public Relations Officer

The 38th annual "Stan Shafer Memorial Ice Fishing Derby" took place Sunday, January 14, at Clark Canyon Reservoir. It was a little frigid out there with the derby kicking off at 7:00 AM and temperature in the neighborhood of minus 38 degrees. Even though it was that cold, the day turned out to be quite pleasant with no wind. Those participating seemed to be having a great time. Throughout the day multiple fisherpersons brought trout in to be weighed but the ling competition had no fish until right before the closing bell. Then only two ling were turned in. This was very unusual.

Ticket sales for this year's event amounted to 561, down quite a bit from previous years. It is estimated that 200+ braved the cold weather; that means 36% of ticket holders were out fishing, not bad. Everyone purchasing tickets, whether participating on the ice or not, had their ticket stubs in the barrel for the drawing of the 106 door prizes. There were three 50/50 pot splits as well, two winners received \$250.00 and one received \$224.00 Please check out the "Thank You" ad for the merchants' list, merchandise given, and winners. The winners of this year's trout and ling contests are:

We only had one fish turned in for the kids trout and ling competition. Ripp is only 4 years old and when I took his picture, the fish was almost as long as he is tall. What great fun.

All in all, the derby was another great success and everyone had a wonderful time despite the cold weather. On behalf of your Beaverhead Search and Rescue Tara would like to thank everyone; fisherpersons, ticket buyers, and especially our county merchants for their generous donations to our door prizes and helping with ticket sales. Please stop by those merchants who donated and thank them.

Thanks to the following S&R members for working the derby: Tara Remely (derby chairperson) Adam Norlander, Tommy Goins, Jason Erickson, Mel Rice, Kolby Malesich, Chuck Maddox, Brad Wagner, and Brian Vinson. Two other individuals, non-members, were instrumental in organizing and completing the door prize drawings. They are Julie Goins and Katlynn Hood. On a side note it should be mentioned that several of the Unit's members were participating in Wilderness First Aid Training during the derby. "In the Business of Saving Lives", your Beaverhead SAR.

UMW's "On the Rocks" Series Presents "Building Resiliency in the Jefferson River Basin"

The University of Montana Western Environmental Sciences Department is proud to present "Building Resiliency in the Jefferson River Basin" by Chris Edgington as part of the "On the Rocks" lecture series. The presentation will take place Wednesday, January 17, at 3:45 p.m. in UMW's Block Hall room 311.

Chris Edgington discussing beaver mimicry structures he installed on a tributary to the Upper Clark Fork near Deer Lodge with Montana Western students. Photo provided by Dr. Rob Thomas.

Edgington grew up in the flatlands of Nebraska, where his pursuit of fish started at a young age, eventually chasing bass and bluegill with a fly rod. He found his way to Missoula, Montana in 2002 after pursuing a degree in Wildlife Biology-Fisheries Management at the University of Nebraska Lincoln (UNL). While at UNL, Edgington began cooking to put himself through school, developing a deep passion for local food and community built around the dinner table. He spent several years as a chef bouncing around Montana, learning the rivers of western and southwest Montana. Edgington reignited his passion for conservation at the University of Montana Western, graduating in 2017 with a degree in Environmental Science-Wetlands Management. After graduation, he worked as a fisheries technician with Montana Fish, Wildlife and Parks, and as a hydro-tech with the Beaverhead-Deerlodge National Forest.

In 2019, Edgington was hired by Montana Trout Unlimited (MTU) as their Jefferson Watershed Project Manager. He will share a snapshot of MTU's work in the Jefferson Basin, including a drought management plan case study, and two projects that will add quantifiable, coldwater to the flow-limited Jefferson River.

This presentation is free and open to public. For more information, please contact UMW Associate Professor of Environmental Sustainability, Dr. Arica Crootof: arica.crootof@umwestern.edu or 406-683-7075.

DAY OF GOOD DEEDS

Today, January 17th is the annual DAY OF GOOD DEEDS sponsored by the Beaverhead White Hat Coalition. Our 21st year recognizing a day we should all be conscious of each other and think of our neighbors, friends, family or strangers as we go through our day in the community. A simple act of kindness can change the path of another's day or build goodwill with those we interact with in the community. Especially important during this time of pandemic and economic hard times. So, each and every day keep in mind doing something for a person or the community that will make a difference no matter how big or small.

Friday, January 19th is NATIONAL POPCORN DAY!

Celebrate with fresh, hot popcorn from the Big Sky Cinema. Take out popcorn sales every day 3:30 to 8:00.
