2024 "Montana's Biggest Weekend" Concert Headliner - Shane Smith and the Saints

The Dillon Jaycees are excited to announce the headliner for the 2024 "Montana's Biggest Weekend." Headlining the 37th Annual Labor Day Concert on Sunday, September 1st, 2024 will be none other than country artist Shane Smith and the Saints!

Shane Smith and the Saints are based out of Austin Texas and are offering up a hard-hitting version of American roots music that's influenced by country, folk, and roadhouse rock & roll. They have spent the past decade on tour, building a cult audience with each gig. Those performances have now paid off with headlining concerts at bucket-list venues like Red Rocks Amphitheater and the Ryman Auditorium and an appearance on the hit TV show Yellowstone. Take a listen to their fourth studio album "Norther" and those words also sound like the motto of a band that's spent the past decade blurring the lines between genres.

For more artist information, visit www.shanesmithmusic.com or follow on Twitter/Instagram @Shanesmithmusic and www.facebook.com/shanesmithmusic.

Tickets are on sale starting May 1st. For more event information, visit www.dillonjaycees.com or <https://www.facebook.com/DillonJaycees>.

Montana Western Biology Student Accepted into Dentistry School

The University of Montana Western Department of Biology is proud to announce that senior Kylee Pittman has been accepted into the University of Utah School of Dentistry.

Growing up in Glen, Montana, Pittman has aspired to become a dentist since she was four years old. Her dream is now quickly becoming a reality as she will begin dentistry school this fall due to a combination of hard work, focus, determination, and exceptional academic performance. Her accomplishments became more impressive upon recently receiving offers from multiple dental schools across the country.

In addition to the time she dedicates to her studies, Pittman also works as a dental assistant at Dillon Family Dental and volunteers in multiple ways for her community. She also presented original research on equine clinical dental anatomy at a national meeting of the American Association for Anatomy in Washington, D.C., in March 2023.

Pittman is the sixth UMW Biology student to recently be accepted into a professional school program.

Emily Mooty (Class of 2024), was accepted into the Colorado State University School of Veterinary Medicine and Biomedical Sciences, Cory Lewis (Class of 2023), is currently a veterinary student at Arizona School of Veterinary Medicine, Natalie Denning (Class of 2023), is currently a dental student at Oregon Health and Science University School of Dentistry, Sierra Cahill (Class of 2019), is currently a veterinary student at Washington State University College of Veterinary Medicine, and Matt Lesofski (Class of 2021), is currently a physician assistant student at Rocky Mountain College.

Harrell, Mears Earn First Team Academic All-America

The College Sports Communicators (CSC) released the Academic All-America teams. Two Bulldogs earned their name on the 25-man list.

Montana Western kicker John Mears was named First Team Academic All-America for the second time in his career. Tanner Harrell also earned First Team Academic All-American honors, a first in his career.

Mears is the second athlete in Montana Western history to achieve a first team selection and the third to earn Academic All-America honors.

Mears, a redshirt junior kicker from Belgrade, Mont., earned his second First Team Academic All-America honor in his career. This season, Mears was 49 for 51 on PATs. He was also 10 for 13 on field goals this season with a career long field goal of 50-yards made on the road at Arizona Christian. Mears was the second-highest scorer for the Bulldogs, accumulating a total of 79 points this season.

Harrell, a redshirt senior defensive lineman from Shepherd, Mont., earned his spot on the list for the first time in his career. Harrell totaled 30 tackles this season, with eight tackles for loss and 3.5 sacks. Harrell rewrote the record book after his career total of 41 tackles for loss (TFL) broke the Montana Western career TFL record.

Harrell and Mears' honors add to the Montana Western total of five Bulldogs in school history who have been named First Team Academic All-American.

The NAIA Academic All-America® program is financially supported by the NAIA national governance structure to assist the College Sports Communicators with handling the awards fulfillment aspects for the 2023-24 NAIA Academic All-America® program.
