KELLY R. HERRMANN UP DATED NOTICE

KELLY R. HERRMANN, authentic mountain man and longtime Lima Montana resident, passed away peacefully in the arms of his twin sister Shelly on February 3, 2024.

Kelly was born in Logan, Utah on June 20, 1955 to LaRae (Rose) Herrmann and Randy Herrmann. He joined his three sisters, Cheri, Rene', and twin, Shelly.

The family lived in various western states while Randy worked on high voltage line construction projects. They resided in Pollock Pines, California where Kelly and Shelly attended school until 1965 when they moved to Lima, MT. Kelly was proud to call Lima home for the rest of his life.

Kelly loved the mountains. He was an avid hunter, fisherman, hiker and horn hunter and loved spending time in his sheep wagon in the mountains. He was known for his uncanny skills and abilities in these areas. He could spot the game and a horn long before the rest of us could.

When Kelly wasn't at work, he enjoyed keeping a spotless house and immaculate yard and every spare minute in the mountains surrounding Lima.

A lifelong bachelor, he lived for his solitude, time spent with family and friends, and time doing what he wanted in the country.

Kelly enjoyed a good reputation as a hard worker and as someone always ready to help out. For eleven years he worked on the Union Pacific Railroad with the maintenance crew out of Lima and Monida. When this position was eliminated, he joined the Montana Highway Department maintenance crew. For 23 years Kelly drove truck, plowed snow, mowed medians and performed all the other tasks required by the position. He retired in 2012 leaving some great friends and coworkers he met along the way.

Sadly, in 2019, Kelly was diagnosed with Alzheimers disease. With the help of his sisters and friends, he was able to remain in his own home until November of 2023 when he was welcomed at Big Sky Memory Care in Butte, MT. Then, after a fall resulting in a broken hip and following surgery, he was welcomed at Continental Care in Butte, MT where he received outstanding loving care until his passing.

Kelly is survived by his twin sister, Shelly Reap (Craig), his nephew Rocky Pulley (Bobbi), nieces Shannon Hildreth (Lee) and Tammy Shade, and nephews Tom Reap and Robert Reap (Amber), stepbrother John Powers (Sylvia) and brother-in-law Bob Boyd. He is also survived my numerous cousins and many, many friends.

Kelly was preceded in death by his mother, LaRae Powers, father Randy Herrmann, Stepfather Jim Powers, and Sisters Cheri Pulley and Rene' Boyd.

The family would like to thank the great caregivers at Big Sky Memory Care and Continental Care for their loving care given to Kelly. Also, Honeybee Hospice is to be commended for the love and assistance given to Kelly in his final days.

Services will be conducted at the Lima multipurpose room on February 17, 2024 at 11 am with a luncheon to follow at the Peat Bar.

Memorials may be made in Kelly's honor to the Lima Swimming Pool, Lima Fire Department, or charity of your choice.

Help Needed For Jennie And Allen Kamps

I am reaching out to my community, friends and family on behalf of Jennie and Allen Kamps.

Recently my mom, Jennie was diagnosed with a sizeable brain aneurysm requiring treatment to prevent rupture. Mom has to travel to Spokane for the 1st appt with Nuerosurgeon on March 11th for a diagnostic procedure.

The 2nd appt will be as soon as they get insurance authorization. This will be to actually treat the aneurysm. Each appt will require at least 2 nights lodging. The second obviously could be more. Both will require gas and food for them and their driver, as neither can physically drive that far. Both mom and Allen are on disability, making these emergency and very unexpected expenses nearly impossible. That being said, I have set up a Medical Benefit account at Bank of Commerce under Jennie Cole Kamps. We are attaching my payment apps for their use as well as they don't have/ use them.

Venmo - @chughes03

Cashapp - \$carhuh

Paypal - @chughes03

All monies will be transferred to the benefit account. If you do use these, please add your name in the notes so we know who to thank. Or send me a message as I'm keeping track for thank yous.

If you can help in any way please feel free to contact me, Carleen @ 701-946-8553.

Big thank you in advance for any help offered or donations sent. But most of all, thank you for the very much needed prayers. I cant tell you how much it all helps and means to our whole family.

Sincerely,

Carleen Hughes and Family

Elk Captured Test Negative for Brucellosis

Montana Fish, Wildlife & Parks staff recently captured elk in the Highland Mountains south of Butte as part of a multi-year Targeted Elk Brucellosis Surveillance Project.

All 122 blood samples collected from captured elk tested negative for brucellosis.

Capture operations in the Highland Mountains were conducted in late January. Thirty elk were outfitted with GPS collars that will be active for one year to help wildlife managers better understand their seasonal ranges, migration routes and potential mixing with other elk herds.

The goal of these operations is to evaluate the presence and understand the movement of brucellosis in Montana's elk populations. The research also helps wildlife managers and animal health officials understand the overlap between elk and livestock on the landscape.

Montana's Targeted Elk Brucellosis Surveillance Project is a joint effort between DOL and FWP, with support from the Rocky Mountain Elk Foundation. In addition, this project and capture operation would not be possible without the generous support and permission from landowners to capture elk on their property.

More information about the surveillance project can be found online at fwp.mt.gov/conservation/wildlife-management/elk.

UMW and MCH Host 2024 Colt Challenge & Sale

The Annual Colt Challenge and Sale, hosted by the University of Montana Western and the Montana Center for Horsemanship, will take place March 29 and 30, 2024, at the Montana Center for Horsemanship in Dillon, Montana.

Students and colts compete in a series of events that demonstrate their wide range of abilities on the first day, and the following day, a public auction features the colts for sale, with all proceeds reinvested in the program to provide scholarships to Natural Horsemanship majors at the University of Montana Western.

Schedule of Events:

Friday, March 29

Colt Challenge: 9:00 a.m.

Saturday, March 30

Preview: 10:00 a.m.

Lunch: 11:30 a.m.

Sale: 1:00 p.m.

Each colt receives approximately 90 days of Natural Horsemanship training from equine students in the Natural Horsemanship/Equine Studies Bachelor of Science Degree program at Montana Western, under the guidance and leadership of the MCH Natural Horsemanship instructors. This year's event will showcase 22 best-bred colts donated by some of the finest ranches in the region.

The young horses are familiarized with all settings inside and out, including enclosed areas and riding outdoors on the area's many trails and in the surrounding mountains. They are also exposed to a variety of situations including working with cattle and ropes, loading and unloading from trailers, and many other scenarios a horse and rider might encounter in ranch-work or recreational riding. Simultaneously, both students and instructors develop an in-depth feel for each horse, enabling them to accurately convey this knowledge to potential buyers.

The horses and students are featured on Facebook leading up to the main event with information about the colts including their color, conformation, personalities, and skills. More information about the 2024 Colt Challenge and Sale, including the sale catalog, is available on the University of Montana Western website.

Those interested in attending the auction can do so in person, online, or by phone. To bid online, participants must pre-register at least one day prior to the sale. To pre-register, please visit bid.northernlivestockvideo.com and click "Get Approved to Bid." Participants can then bid online via desktop by visiting www.

The Annual Colt Challenge and Sale corporate sponsors include CHS Inc., New Generation Supplements, Rocky Mountain Supply, and Zinpro Performance Minerals in partnership with the University of Montana Western and the Montana Center for Horsemanship. Saturday's complimentary lunch is sponsored by Beaverhead Motors. Thank you to American National Insurance for sponsoring this year's saddle for the Colt Challenge winner. We wish to thank our sponsors for their generous support of the event and the students in the program.

The Equine Studies Department at the University of Montana Western offers the nation's only Bachelor of Science degree in Natural Horsemanship with options in management, psychology, science and instruction, and was ranked among the "Best Equestrian Colleges" by ThoughtCo.com.

The Montana Center for Horsemanship is the first and only equine center in the United States that is devoted expressly to promoting natural horsemanship. With its stables, arenas, riding areas, and instructors, the center serves as the primary facility and progressive teaching resource for Montana Western's Natural Horsemanship BS curriculum.

The MCH teaches the 'La Cense Method,' which was developed under William Kriegel, owner of Haras de la Cense in France. Mr. Kriegel is also co-founder of MCH, and he has been involved in Natural Horsemanship for many years. The La Cense Method is a progressive, step-by-step process that blends the best of traditional horsemanship training with the art of training and riding horses—all in a manner that works with a horse's behavior, instincts, and personality. Taking a positive and respectful approach, the La Cense Method gradually builds trust, and frees the horses to be confident in all they are asked to perform.
