Urologist Dr. Nathaniel Readal Joins Barrett Hospital & HealthCare

Barrett Hospital & HealthCare is pleased to announce that Nathaniel Readal, MD, a board certified urologist, has joined Barrett Hospital & HealthCare medical staff and is seeing patients at the Clinic at 30 MT HWY 91 S. in Dillon, MT.

At the age of twenty-two, after being treated for testicular cancer and experiencing urologic care on a personal level, Dr. Readal became interested

in urology as a career that would allow him to serve patients with urologic conditions. He has a special interest in adult and pediatric urology, treating the full spectrum of urologic disorders including both benign and cancerous disorders of the urinary tract, voiding disorders, urinary incontinence, kidney stone disease, fertility, and sexual disorders. Preventative care, disease treatment, office-based procedures, as well as minimally invasive laparoscopic surgery are some of Dr. Readal's techniques.

Dr. Nathaniel Readal completed his medical school training at the Johns Hopkins University School of Medicine in Baltimore, Maryland and a Urologic Surgery residency at the Brady Urologic Institute at the Johns Hopkins Hospital in Baltimore, Maryland. He is board certified in Urology by the American Board of Urology. Dr. Readal was most recently affiliated with Intermountain Health in Butte, and he is one of only a few urologists in Montana who treats children for urologic issues.

Taylor Rose, Chief Executive Officer at Barrett Hospital & HealthCare, said "Dr. Readal has been providing care to Southwestern Montanans since 2015. He is highly respected by both patients and medical professionals, and we are extremely pleased that he decided to join us to continue providing that specialized care in Dillon and the surrounding areas."

For more information on Urology services or to schedule an appointment with Dr. Readal, please call 406-683-3060.

Hey, Dillon Peep! It's Peep Diorama time!

Dillon Public Library is bringing the opportunity for sugary whimsy, creative expression and fun to the community. This year's Peep Diorama Contest is "Olympeeps" Rules for the dioramas are now available at the library, on the library's website, and on its Facebook page.

The Andrus Hotel will be hosting a free Peeps Workshop on Saturday, March 9th, beginning at 11am at the Andrus Hotel at 33 S Idaho St. Materials and assistance with construction will be provided. There will be pizza and a movie afterwards for those who wish to stay. All dioramas must be delivered to the Dillon Public Library by 3pm, Saturday March 16th, so gather your favorite Peeps to be crafty with and get peeping!

For additional information, please come visit us at the Library or call 683-4544.

Distinguished Service To The Community

The White Hat Coalition honored sisters, Cathy Speich-Ferguson and Arlis Vannett with their 2023 Distinguished Service To The Community Award this week during the Coalition's 21st annual DAY OF GOOD DEEDS.

Coalition Founder Stan Smith presented them with the annual award recognizing our citizens that give above and beyond the call to our community and Beaverhead County.

It is hard to sum up two community servants so deserving of this award into just a few words.

Some of their achievements: Work on the annual Festival of Trees, Garden Club, becoming accredited floral judges at the fair, Friends of the Library, Women of Faith [United Methodist Church], both local and district conferences, Freedom in Christ Prison Ministries, Eastern Star, American Legion Auxiliary, Dillon Friends of Music, Southwestern Mt Retired Teachers, Teachers Sorority, Bannack Association and the Girl Scouts of America among other service over the years.

Both sisters have served our community always to ensure its safety, growth and prosperity. The White Hat Coalition, through its Mission Statement, has chosen to honor these sisters that have given so much of themselves to Dillon and Beaverhead County. We are proud of and grateful for their service.

Public Comment on Environmental Assessments

Montana Fish, Wildlife & Parks is seeking public comment on draft environmental assessments (EA) related to grant funding for the Future Fisheries and Community Ponds programs. For more information, including how to submit comments, visit fwp.mt.gov/public-notice. Grasshopper Creek Mine Tailings Bank Stabilization

FWP is proposing to fund a bank stabilization project on Grasshopper Creek (near Bannack State Park) through the FFIP. This project would re-arm the mine tailings along the streambank, while removing tailings from the opposite side of the stream to allow for stream movement. Failing mine tailings would be addressed to prevent a massive failure. Vegetation would be incorporated within the riprap with the intention to create some shading and reduce water velocities. The goal is to reduce current sediment and waste inputs from the failing tailings pile and to prevent a massive failure event that would release sediment and toxic mine waste. The benefits are to reduce current sediment inputs and improve current fish habitat while protecting the fishery in Grasshopper Creek and the Beaverhead River.

Comments due March 16.

**AG Knudsen warns of common scams during
National Consumer Protection Week**

Frequently reported website-based scams – including law enforcement, bitcoin investment, and tech support scams during National Consumer Protection Week.

Our Office of Consumer Protection is here to help Montanans protect their hard-earned money from scammers, remember to stay vigilant and educate yourself on the common fraud schemes.

A law enforcement scam is carried out by phone fraudsters calling and impersonating law enforcement. The scammers alter phone numbers and area codes to make it appear that victims are being contacted from the local area or even the law enforcement agency. People are told they have warrants for their arrest and being directed to pay thousands of dollars immediately to avoid being arrested. Remember that law enforcement will never call demanding immediate payment to take care of a warrant.

Cryptocurrency investment and ATM scams are being utilized as a piggyback method to other scams, like the law enforcement scam. Scammers are threatening arrest or penalties, to convince people to invest in cryptocurrency through deposits at crypto ATMs. Scammers will show fake investment gain, convincing people to invest money over time. Always be highly suspicious of request to send payment by cryptocurrency ATMs.

Technical Support Scams have continued to become prevalent throughout Montana. Scammers will issue a pop-up alert on a targeted computer claiming that anti-virus software is out of date and instructing victims to call the number on the screen. Then, scammers will take control of the computer and demand payment, or claim the computer is infected and charge the person to fix it. When in doubt, do not purchase.

Never send money to someone you don't know.

Montanans can report any scams to the Montana Department of Justice's Office of Consumer Protection at <https://app.doj.mt.gov/OCPPortal/?q=node/396>, contactocp@mt.gov, or (406) 444-4500 or toll free at (800) 481-6896.

Beaverhead Search and Rescue News
Submitted by Mel Rice, Public Relations
 The March meeting of the Beaverhead Search and Rescue was held Wednesday night the 6th. The meeting was called to order by vice-commander, Shane Puyear, at 7:03 PM. After roll call and the treasurer's report, old business was discussed. There not being much for old business the meeting moved right along into new business. Adam Norlander, training officer, talked about some training opportunities coming up toward the end of this month and next month.
 The next order of business was to vote on three probationary members who have completed their year and are ready to become full-fledged members of the unit. These individuals are: Charles Warton, Trevor Hyland, and Weston Helle. Congratulations gentlemen, you have shown through your willingness to participate in many of the activities this last year you are truly interested in the happening of your Beaverhead Search and Rescue. Welcome aboard. If you happen to see these hard working men in your travels, please congratulate them and thank them for their volunteer service.
 There has only been one search this past month and it turned out to be more of a welfare check than a search. A gentleman had driven up Thief Creek out of Birch Creek with his camper and pickup. His intent was to cut firewood and return home after 2 or 3 days. When he did not return home, the unit was paged to find his whereabouts and determine if he needed assistance. Everything was fine with him and we were politely asked to leave him alone.

The meeting adjourned at 7:25 PM and was followed by "Hypothermia" training. At this time Adam Norlander had a twenty minute presentation on the three stages of hypothermia and how to determine if a victim has developed hypothermia and if so what stage the individual is in. It was also discussed how to handle the various stages of hypothermia, do's and don'ts. This is a very life threatening event and shouldn't be taken lightly. Even attempting to correct a situation, if done incorrectly, can cause death. This twenty minute presentation was simply a review and reminder to members that it is a serious event and needs to be addressed properly when encountered... "In the Business of Saving Lives", your Beaverhead Search and Rescue".

Put the Worry of Colon Cancer Behind You

Schedule your colonoscopy screening today.

Colon cancer can be a life altering disease. However, early screening can help to significantly increase the survival rate. A colonoscopy is still the best tool to help you detect, treat, beat, and even prevent colon cancer entirely. Schedule an appointment with your primary care provider to start the conversation about this potentially life-saving screening. It could be the best decision you'll ever make.

Call **406-683-1188** to schedule a pre-colonoscopy appointment with your Barrett Hospital & HealthCare provider, or visit **barrethospital.org** for more information.
