needs, reduce travel, and enhance their healthcare experience."

After a national search, Barrett Hospital & HealthCare and Bridger Orthopedic have selected Dr. Gregg W. Schellack, DO, a well-respected orthopedic surgeon, and a specialist in the field, to serve in this role. Dr. Schellack will be joining the orthopedic team, stepping in as Dr. Dan Downey, MD, a revered member of Barrett Hospital & HealthCare's surgical staff, enters a well-deserved retirement. Dr. Schellack, a Dillon native, will be returning to the community and joining Barrett Hospital & HealthCare to provide skilled care beginning on April 1st 2024. Driven by a passion for delivering personalized treatment plans, Dr. Schellack will work closely with patients to alleviate pain, restore mobility, and improve their quality of life.

"I'm excited that I will be returning to my roots in Dillon, a place that instilled in me the values of community and compassion, to continue my journey in medicine," said Dr. Gregg W. Schellack, DO. "Now, with years of specialized training and experience, I am eager to give back to the town that gave me so much. My goal is to provide comprehensive, patient-centered orthopedic care by utilizing the latest techniques and technologies improving the quality of life for my patients. It is a privilege to serve the community that has shaped me, and to contribute to its well-being as both a healthcare provider and a proud alumnus of Dillon."

The partnership between Barrett Hospital & HealthCare and Bridger Orthopedic ensures that Dillon and the surrounding area residents will have access to more orthopedic procedures and a range of non-surgical and surgical treatment options.

"We are thrilled to announce our partnership with Barrett Hospital & HealthCare, which marks a pivotal step in our commitment to expand quality orthopedic care in the Dillon and the surrounding communities," said Michael Johns, Chief Executive Officer at Bridger Orthopedic. "This collaboration is a testament to our shared goal of ensuring that the highest standards of orthopedic treatment are accessible to all, regardless of their geographical location. We believe that everyone deserves the best possible care close to home, and we are proud to be part of a team that is making this a reality for those living in and around the Dillon area."

Academic Olympics

I am beaming with pride over our kids! See why:

Team A of Sean, Laura, Izzy, Hunter, and Athan went undefeated and won 1st place - beating Missoula Sentinel in the championship! They have a big traveling trophy and plaque to show for it - along with gifts coming from the MSU Bookstore!

Team B of Olivette, Zoe, Danner, Brekken and Lilla took one early loss but then battled back through many matches to take 6th place - losing by just a few points.

Team C of Emma, Darrell, Clara, and Amelia (had to run short one player) but they were one of the only 'C' teams to stay in the tournament as long as they did - losing to Manhattan and then to our own B team. They were a younger team and not as experienced with competition but really did an outstanding job!

It was great to see all these students equally contributing to the success of the day!

We brought home multiple written test awards also:

- Olivette - 4th top score senior and 4th top overall (out of about 200 students)

- Laura - 5th top senior and 5th overall
- Zoe - 6th senior and 7th overall
- Brekken - 2nd Sophomore and 9th overall
- Hunter - 3rd Sophomore and 11th overall
- Izzy - 5th Sophomore and 13th overall-tie with Amelia
- Amelia - 2nd Freshman and 13th overall- tie with Izzy
- Athan - 5th Freshman

We had 9 people who scored in the top 20: Olivette, Laura, Zoe, Brekken, Hunter, Amelia, Izzy, Sean and Danner

And finally - I was so impressed when, after all the awards were handed out, the coordinators of the tournament awarded 'Mr. Congeniality' to our very own Sean Regan! They said that every judge commented on how polite he was to everyone - quick to give thanks and shake everyone's hands, etc.

Our kids truly represented BCHS with good character, great respect and excellence! Thank you for the role you all play in making this possible!

Janet Gentry

PRECIOUS METALS SCAMS—DON'T LET THE LEPRE"CON" STEAL YOUR POT OF GOLD

Be on the lookout for phony promises of easy profits from rising prices in gold, silver, or other precious metals.

The Commissioner of Securities and Insurance (CSI) warns Montanans to beware of precious metals scams designed to drain retirement funds. These metals include gold, silver, palladium, and platinum. Scammers notify you about tricky promises of easy profits from rising prices of these precious metals. Don't let the lepre"con" steal your hard-earned pot of gold.

Deputy Securities Commissioner Brett Olin warns, "When investing in precious metals, make sure you know whom you are buying from and where the metals are stored if you are not holding them yourselves. Additionally, you should understand the fees relative to the settlement price you are paying. For example, if you invest \$100 in gold, but the seller is getting a 35% commission, you are only getting \$65 worth of gold."

BEWARE OF RED FLAGS FOR PRECIOUS METALS OFFERS WHEN A DEALER:

- Makes unsolicited calls to pitch precious metals offers
- Provides an agreement that does not identify the financial institution or bank that will be loaning you money
- Does not identify in their agreement where the physical metal is located
- Claims to deliver the physical metal to an overseas storage facility or bank
- Makes it difficult to verify their license
- Fails to provide proof of their licensure from a government agency
- Offers highly complex purchasing techniques for unusually high returns
- Claims you should invest in precious metals because of limited supply

Before investing in precious metals, verify the dealer is registered. If the dealer is registered, ask how they are paid for their services, and how their product meets your financial needs. Be sure to verify the value of the precious metals before purchasing, using a reputable source.

Always keep your guard up; if you ever question whether something is too good to be true, it probably is. For any questions or if you think you or a loved one have fallen victim to a precious metals scam, contact the CSI Securities Division at 406.444.3815.
