Beaver Baseball Scores Another Win On The Season Over The Frenchtown Broncs

Jeremy Crawford

Southwestern Montana News

Tuesday the Dillon Beavers Baseball team opened up the first home game of the season with an 8 to 1 win over the Frenchtown Broncs.

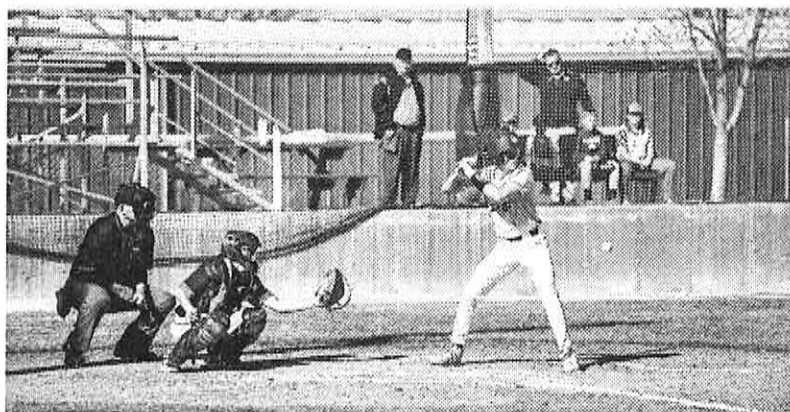

The Frenchtown Broncs would put only one point on the board from a wild pitch in the first inning. The Beavers would not let that deter them and they would focus on the rest of the game not allowing another Bronc to cross the plate.

Sawyer Tackett would hit a double play to allow the Beavers to tie up the game at the bottom of the first.

The Beavers would take the lead in the bottom of the second inning. Taylor Handlos singled, scoring one run giving the Beavers a 2 to 1 lead.

Trenton Moreni collected two hits in two at bats. The Beavers would have collected ten walks in the game. Trenton Moreni, Sawyer Tackett, and Jase Alvarez all had walks. Trenton Moreni and Cohen Hartman had multiple stolen bases. The Beavers had six stolen bases for the game.

The Junior Varsity would play at 5 P.M. yesterday and would be handed a loss with a final score of 5 to 10.

FORMATION

By "Swede" Troedsson

In latter part of 1955, just prior to my discharge from active duty in the U.S. Marine Corps, I returned from a weekend of liberty in San Francisco, finally getting to bed in my barrack at Camp Pendleton, California at 2:00 AM Monday morning. Reveille was at 0600. We were to get up and assemble on the parade ground shortly thereafter.

Many of us had returned from a wild weekend from wherever. So, we staggered out onto the parade ground in less than a happy mood. Many of us, having just returned from Korea, were "short timers" with little service time left. We were a pretty grumpy and "salty" bunch there at O-dark-thirty.

The weekend Duty Officer was a brand-new Second Lieutenant. There he proudly stood, under the parade ground street light, his new gold shoulder bars glinting as he waited to call us to attention.

The moment arrived, and he shouted the preparatory command "BATTALION!" to call us to attention. There was a pause as the command was repeated by the Company Commanders "COMPANY!", and then finally by the Platoon Commanders, "TOON!"

Again there was a pause as the Duty Officer drew himself up to give the final command "ATTENTION!"

But, before he could give that command, somewhere from the rear of our formation, came the agonizing shout "WHAAAT?". Giggles of laughter rippled across the ranks! The Duty Officer went ballistic. He demanded to know who said that. After receiving no response, he ordered that we were to run ten laps around the parade ground.

The formation made only half a lap and then everything disintegrated as all of us Marines charged back into our barracks.

The Duty Officer was left there standing alone on the parade ground knowing that he commanded very little respect from these men.

UMW Professor Dr. Christian Gilde Selected as 2024 MUS Teaching Scholar

The Office of the Commissioner of Higher Education is pleased to announce it has selected 15 faculty from around the state to be honored as Montana University System Teaching Scholars, including University of Montana Western Professor of Business, Dr. Christian Gilde.

Now in its fourth year, the MUS Teaching Scholars program was created to promote excellent teaching and learning outcomes and to continuously make the profound impact of high-quality teaching more accessible to all students. The program does so by recognizing faculty members who have made exemplary contributions at their institutions and by supporting these faculty in leading their peers to further advance excellence in teaching.

Each year, the MUS Teaching Scholars program focuses on a selected theme that highlights innovative approaches to teaching and that aligns with MUS priorities. This year, the MUS Teaching Scholars program is focused on Artificial Intelligence (AI) in the classroom. In higher education, AI has and will continue to change how students learn, how faculty teach, and the workforce graduates will enter.

At the heart of the MUS Teaching Scholars program is the way it builds cumulative impact through faculty learning communities. During the fall semester, each Teaching Scholar will lead faculty on their home campus in developing innovative and effective teaching strategies.

Selected MUS Teaching Scholars are from all types of institutions within the Montana University System – doctoral flagship, regional four-year, two-year and community college. Scholars were chosen from a competitive pool of faculty from across the system and all faculty tracks and ranks.

A team of interdisciplinary researchers including Dr. Christian Gilde shared their findings last year focused on the creative capabilities of AI and potential applications in various industries. This research, combined with Dr. Gilde's expertise in business and technology, contributed to his selection as a 2024 MUS Teaching Scholar.

FWP seeks public comment on recommended awards for the Montana Trail Stewardship Grant Program

Montana Fish, Wildlife & Parks is seeking public comment related to the environmental impacts of the proposed list of funding awards for the 2024 Trail Stewardship Program (TSP) grant cycle. This year the program is recommending \$2,000,000 in grant funds to 36 projects around the state.

In total, FWP received 40 applications requesting \$2.33 million in funding. Applications were submitted by federal and state agencies, towns, cities, counties, recreational clubs and nonprofit organizations. Eligible projects include development and rehabilitation work on urban, rural, and backcountry trails; construction of new trails and facilities; and snowmobile and cross-country ski trail maintenance and grooming operations.

The 2024 application process was highly competitive with many strong projects proposed. FWP staff conducted an internal review and scoring of applications. In addition, State Trails Advisory Committee (STAC) members reviewed applications and met March 5 and 6 in Great Falls to provide feedback on projects and make recommendations to FWP for distribution of the funds.

A list of the proposed grant recipients is available at: fwp.mt.gov/aboutfwp/grant-programs/trail-stewardship/public-comment. Some projects are proposed to receive full funding, while others are proposed to receive partial awards.

Comments will be accepted in writing to P.O. Box 200701 Helena, MT 59620-0701, and by email to: TSPGrants@mt.gov.

Comments will be accepted until April 3, at 5 p.m.

Veteran's Corner Update #247

By Mike Lawson

Greetings to all of you who read my SW MT update articles.

Veteran News Updates:

• The new construction on the Butte CBOC VA Medical Center is just getting some touch-ups and deep cleaning. The plan is to start seeing "Veteran Patients" in May if they have the Physical Therapists and Audio personal hired by then. As I've said before, it's a great looking addition and will serve our veterans well.

• The SW MT Veteran's Home Walkway construction is progressing. The Construction Superintendent John Kotka, reports roof panels are going on over the metal framed structural roof framing on Walkway #1 or Link #1, which is between Cottages #1 & #2. This construction is a bit ahead of Walkway #2 and should be finished first. The Sprinkler and Mechanical guys will start doing their work this week. The Sprinkler crew will be putting a sprinkler system in the walkway ceilings and the attics of Cottage #1 & #2. When the Cottages were originally built, sprinklers weren't required in the attics because everything was fireproof treated. Since that time the State Engineers have had a change of heart and are having sprinklers installed in all the Cottage's attics. The hope is to have these Walkways completed by this fall and get full occupation of Veteran residents in all the Cottages.

• Something that Veterans enrolled in VA health care can enroll in is "urgent care services" at VA medical care centers & in network community providers. Check & see if your qualified for this "VA urgent care benefit" by checking at any VA health facility or call 1-800-698-2411. The neat thing about this VA urgent care is you can use it at over 4,000 urgent care locations across the country— including VA medical centers & in-network community providers — to treat non-life-threatening conditions. I would encourage any veteran to check this out.

• The Veteran community in Deer Lodge is really on the move. The American Legion has a reactivated Auxiliary, new Legion Riders Chapter and Sons of the American Legion. The other great Veteran entity, in Deer Lodge, is the SW MT Food Pantry which really help Veterans and their families get the food they are in need of. No Veteran is turned away and they come from Deer Lodge Anas well as other counties/communities. Active Veterans are the key to these successes and their goal is helping others, building friendships and having activities that they have fun doing. Thumbs up to the Deer Lodge Veterans.

Until next time, take care.

Japanese Festival

It's spring!! With spring you get Daffodils and Cherry Blossoms. With Cherry Blossoms you get the 2nd annual Japanese Festival in Western Montana. This year we have added more and exciting events and workshops. Learn how to Taiko Drum, kick butt in Aikido, and see traditional Japanese Dance with Shine Studio. We will also have bonsai, sushi, sake, and samurai armor. There is a lot more to see so come to the Dillon Public Library for you Passport to Fun. If you have any further questions please call the library at 406-683-4544.

Sweeney Named WBCA All America Honorable Mention

The Women's Basketball Coaches Association (WBCAA) announced the NAIA award winners for the 2023-24 season. Montana Western guard Jordan Sweeney has been named an NAIA Coaches' All-American honorable mention honoree for her efforts in the 2023-24 season.

Sweeney, a 5-7 guard from Oakley, Calif., was previously selected as a Frontier Conference first team all-conference selection after she led the Frontier with 20.6 points per game and 5.4 assists per game. She also joined Montana Western's 1,000 point club after two seasons with the Bulldogs after she dropped 43 points against Rocky Mountain College back on February 24 for a new UMW single game scoring record.

"We congratulate the members of the 2024 WBCA NAIA Coaches' All-America team," said Executive Director Danielle M. Donehew. "These young women have worked to elevate their teams and themselves to an elite level of competition. Through their exceptional talents on the basketball court, they have also lifted the women's game."

Though Sweeney has concluded her playing career with Montana Western, she recently was accepted into the once in a lifetime "So You Want To Be A Coach" program sponsored by the WBCA that will give her the opportunity to learn from the best as a part of the WBCA annual convention that will be held in Cleveland, Ohio — Wednesday, March 29, through Friday, April 5, 2024.

Beaverhead County Public Health Director Position Open

3/21, 28, 4/4, 11 BILL

Beaverhead County is looking to fill the position of Public Health Director. The position will be available mid to late May 2024. Education and experience requirements must be equivalent to bachelor's degree in health services or related field and two years public health management (preferably local public health).

A bachelor's degree in nursing or master's degree in public health is desirable. Wages are dependent on experience. The Public Health Director coordinates several health programs and staff to ensure program compliance with applicable public health statutes, laws, and other associated regulations. Duties include planning, organizing, managing, and directing program operations which include professional, fiscal, and personnel management functions and performing in-depth analyses of complex problems affecting program efficiency. Duties also include establishing program goals and objectives and evaluating performance; supervises a staff of professional personnel in an assigned program; and performs related duties as needed. This position is not a "work at home" job and the person must be able to work in the office environment. The full job description can be found on the Beaverhead County website, beaverheadcountymt.gov. Applications can be found on the website or picked up in the County Finance Office. Return completed application and resume to either shansen@beaverheadcountymt.gov or ssetzer@beaverheadcountymt.gov or drop off to County Finance Office.
