Montana Western Announces Commencement Speaker Dr. Steve Mock

The University of Montana Western's 127th Annual Commencement Ceremony will feature speaker Dr. Steve Mock, retired Professor of Chemistry Emeritus and Climbing Instructor in the Environmental Sciences Department at Montana Western.

Steve Mock's journey from a small farming community in Indiana to his retirement in Dillon, Montana, is a testament to a life filled with adventure and dedication. Graduating from Manchester College in 1977, Steve and his wife, Jan, pursued their love for the wilderness, eventually settling in Missoula in 1978. Steve's academic pursuits led him to earn a Ph.D. in Chemistry from Montana State University in 1989, later joining the faculty at the University of Montana Western in 1991.

During his tenure from 1991-2019, Dr. Mock taught a variety of courses, including chemistry, earth science, and rock climbing. His dedication extended beyond the classroom, serving on numerous committees and playing key roles in administrative searches including search committees for the Provost in 1997 and Chancellor in 1999. In 2001, he assumed the role of Dean of Arts & Sciences at UMW, while also directing the Experience One pilot project from 2001 to 2005.

Outside academia, Dr. Mock's passion for climbing led him to significant involvement with the Khumbu Climbing Center (KCC), a project of the Bozeman based Alex Lowe Charitable Foundation (ALCF) & Denali Rescue Volunteers (DRV). Serving as Co-Director of KCC for ten years, he played a vital role in training Nepali citizens in climbing and guiding. He also participated in Denali Ranger patrols, earning him the President's role at DRV in 2018.

In recognition of his contributions, Dr. Mock received the Alumni Honor award from Manchester University in 2023 and the National Park Service Hartzog Award in 2022.

Following his retirement in 2019, Steve and Jan continue to embrace their love for outdoor activities, remaining active in Dillon. They still enjoy hiking, hunting, canoeing, skiing, climbing and travel. Steve continues to immerse himself in the community by being part of the local Beaverhead Search and Rescue. Their journey exemplifies a life filled with exploration, service to others, and unwavering commitment.

"We are honored to welcome Dr. Steve Mock back to Montana Western for our 127th Annual Commencement ceremony. Dr. Mock's dedication to learning, teaching, and his adventurous spirit in the great outdoors provide a deep reservoir of experience and accomplishments to help inspire and celebrate our graduating students," said Montana Western Chancellor, Michael Reid. "We look forward to his address, as he helps us celebrate their achievements and ignites a sense of possibility and excitement for their future."

Montana Western's Commencement ceremony will begin at 10:00 a.m. in the Straugh Gym on the UMW campus on May 4, 2024. For information, please contact the Montana Western Registrar's Office by calling 406-683-7371 or visit <https://tinyurl.com/UMWComm24>.

Join artist Clare L Bailey at Wildwood Floral Creations
Saturday, March 30th from 1-4 for the opening reception of
her solo exhibition titled Of Sun and Shield.

Inspired by the flora and fauna of this area Clare's latest
paintings lead us on a whimsical journey through gardens
and along the river, with deer, owls, rabbits and foxes as
our guides.

We catch glimpses of mourning-cloak butterflies,
western tanagers and a pine siskin or two.

This exhibit is an ode to the beauty surrounding Dillon
and a harbinger of the warm sunshine to come.

Beaver Boys Baseball Fall To Butte Bulldogs

Jeremy Crawford
Southwestern Montana News

It was a chilly windy day Thursday March 21, as the Beavers went against the Butte Bulldogs at Ray Lynch Park.

It was a back and forth battle as the Beavers collected 13 hits. The Bulldogs would get on the scoreboard in the first inning after Zack O'Connell homered to left field, scoring two runs, and Matthew Donaldson hit a sacrifice fly, scoring one run for the Bulldogs.

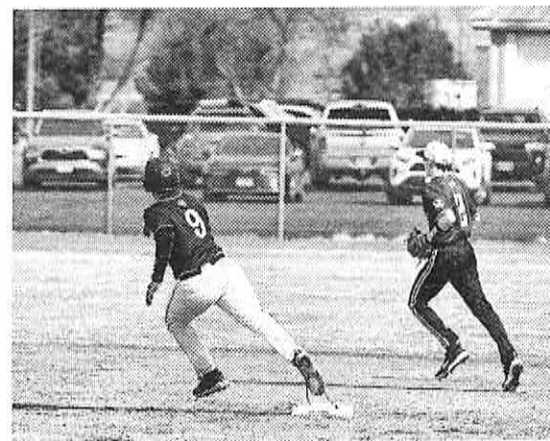

Bottom of the second Kale Konen would triple, tying up the game.

The Bulldogs would take the lead back in the third inning. The Beavers would be determined to come back in the bottom of the third, scoring six runs on five hits to take the lead 9 to 5. A ground out by Taylor Handlos would be the play to help with the lead.

The Beavers would fall behind in the fifth to come back at the bottom of the sixth thanks to a single by Tackett, a walk by Andrew Bartlome, a hit by a pitch, and a single by Marcus Lagunas.

The Beavers accumulated thirteen hits in the game. Konen, Moreni, and Lagunas each collected multiple hits for the Beavers. The Beavers' patience at the plate paid off with eight walks for the game. Beavers had four stolen bases, two of those belonging to Bartlome.

With a back and forth battle through the whole game the Bulldogs would walk away with a 19 to 16 win giving the Beavers their first loss of the season.

Dillon BLM to rebuild fencing to
make migration easier for antelope
 The Bureau of Land Management's Dillon Field Office
 plans to remove and rebuild a 17-mile section of fence near
 Bachelor Mountain southwest of Dillon to make passage
 easier for pronghorn antelope and other species.
 This area has been prioritized as having critical impediments
 to pronghorn migration and includes multiple BLM livestock
 grazing allotments.
 "The goal of the project is to reduce stress and mortality
 during migration to create a more navigable landscape and
 support population resilience," said Cory Manseau, project
 manager with the Dillon Field Office. "Through collaboration
 with grazing permittees and other partners, the field office
 is investing Inflation Reduction Act funding back into local
 landscapes to achieve our common goals of removing barriers
 to wildlife movement and responsible livestock management."
 The field office has entered into a five-year agreement with
 the National Wildlife Federation to improve big-game habitat
 in winter and seasonal ranges along with migration corridors
 for pronghorn, elk, and mule deer in the Missouri Headwaters
 Restoration Landscape, one of the 21 Restoration Landscapes
 investing \$161 million of Inflation Reduction Act funding
 across the BLM. The BLM Dillon Field Office also worked

Why should Beaverhead County parents learn about Adverse Childhood Experiences? Because knowing about ACEs helps to build resilience to buffer the impact of toxic stress on you and your child. It helps your child live a happier life and break free from cycles of trauma. Healthy families build strong communities.
